

In John Chapter 4, there is a story of a Centurion who asked Jesus to save his son, who was on the doorstep of death. Jesus didn't go to his place, but saved him on the spot with just His word. God who is the same yesterday and today has been manifesting such works of power even now. Celebrating the 500th *Manmin News* in Korean, we will cover the story of a girl in Pakistan whose life was changed dramatically. She also came to life while on the threshold of death through Dr. Lee's prayer transcending space and time. We give thanks and glory to God.

“The Pakistani Girl Was Revived after Dr. Lee Prayed on Her Picture. Now 13 years have passed. How Is She Doing?”

She weighed 11kg at the age of seven...

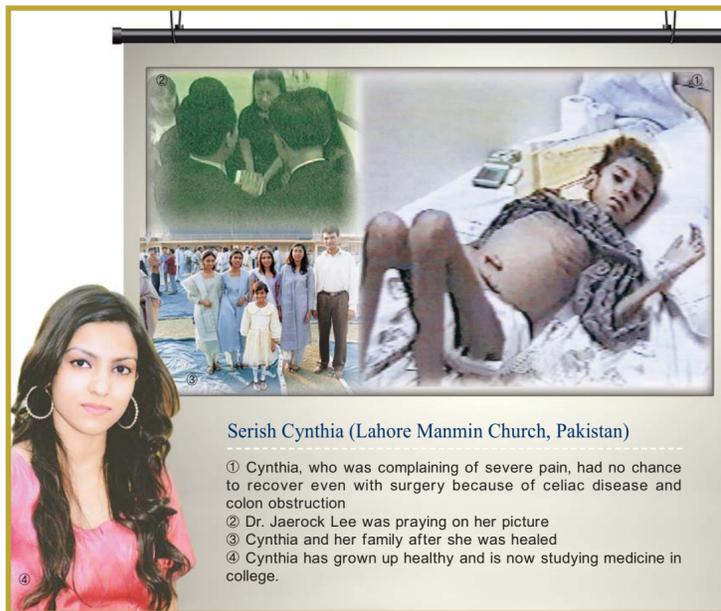

It was the mid June 1999. It was very hot summer night. Serish Cynthia, the seven-year-old girl vomited. When Pastor Wilson John Gil, her father in Lahore Manmin Church prayed for her, it seemed that she had recovered to normal. But before long she had diarrhea. Her condition had gotten worse and her stool looked green and bloody. Eventually she couldn't even go to bathroom anymore. Her abdomen was swollen and she complained of severe pain.

She was rushed to Lacid Hospital. After various examinations, it turned out that she had an obstruction of the colon and celiac disease which damaged her small intestine because of an allergic reaction to gluten that is in grains like barely. She was in an extremely critical point in time. Her doctor told her there would be no possibility of life if she did not get operation. Since she weighed only 11kg, there was a slim chance for her to recover even with surgery.

However, the only hope was only in the Lord. Since Pastor Wilson John Gil had seen the power of God manifested through Dr. Jaerock Lee, he had faith that his daughter would be healed by his prayer.

Three days after Dr. Lee prayed on her picture, she was released from the hospital

He took a video of his daughter who was dying and gave it to another daughter, Maria. Maria planned to visit Korea to increase her faith and study Korean just in time. She went to Dr. Lee with the picture of her sister after

arriving in South Korea.

On July 23, 1999, it was 10:50 P.M. Seoul Time. She received his prayer right before Friday All-night Service. From that moment, she began to recover (7:50 P.M. Pakistan Time). Her doctors were amazed.

She was supposed to stay in the hospital for a month even though she was dying. But she was able to be discharged from the hospital just three days after the prayer.

Day by day she was recovering quickly. On September 9, Pastor Taesik Gil, who had visited Pakistan for a mission trip, prayed for her once more with the handkerchief on which Dr. Lee had prayed (Ref: Acts 19:11-

12). Then, she came to walk on her own.

Cynthia who is called the “girl of the miracle”

Since that time she has never taken medicine and keeps in excellent condition. She is now called the ‘girl of the miracle’ in Pakistan. Her father offered the following profession:

“Our church experienced great revival after Cynthia miraculously recovered. My family members and believers also give thanks to Dr. Jaerock Lee who prayed transcending space and time. We want to give glory and thanks to God who sent us the man of God, Senior Pastor Dr. Jaerock Lee.”

She's heard about her healing from her family and

To become a doctor who spreads the power of God

She has a clear vision in her heart that cannot be thwarted by anyone. She wants to be a doctor that spreads the power of God. Something happened in 2005 that caused her to have the vision. It was just before the 2nd International Christian Medical Conference that was hosted by WCDN (World Christian Doctors Network) in Chennai, India.

Her father asked the doctor who had formerly been responsible for her treatment to attend the conference and let the attendees know the power of God. However, the doctor, who was Muslim, turned him down. After Cynthia realized this, she made up her mind to become a doctor and spread the power of God to countless doctors in the following of the WCDN conference.

To achieve her goal, she has diligently studied English, which is the international language and she is now a fluent English speaker. She was accepted by the Defense Degree College for Women which is one of the nation's elite colleges in Lahore, Pakistan. She is sophomore and now studying medicine.

She confessed, “It has been 13 years since I gained a new life, yet I still renew my heart and faith whenever I think about what I experienced. I give thanks to Dr. Lee who let me see and feel the love and power of God. As a living witness I will become a doctor who spreads the powerful works of God.”

We give all thanks and glory to Father God hoping that His power will be spread all over the world through Cynthia.

church members. It has firmed up the growth of her faith. She thanked God who gave her new life and made up her mind to repay the grace of God. She is waiting for the day when she gives thanks to Dr. Lee in person.

She has increased her faith through GCN programming such as Dr. Lee's sermons, testimonies, and praises. In particular, she received so much grace through the sermon ‘The Message of the Cross’ and learned the way of salvation. She used to be introverted, but now she is giving glory to God with special praise and testimonies in church events. She also reads *Manmin News* and prays without ceasing.

Manmin News acted like the light that shone on the dark moments for the 50-year-old Senior Deaconess Youngim Oh. She had been in pain for such a long time due to asthenia. What's worse, she once stood as surety of a loan and later had to assume the debts of an acquaintance. Along the way, she spotted *Manmin News* in her mail box. Also, blessings both in spirit and body have been overflowing in the lives of the members who have diligently spread *Manmin News* for souls' salvation.

Deacon Pilkyoung Jeong was a 63-year-old man who experienced that a lump on the back of his hand had disappeared. Then, he started to deliver *Manmin News* to let people know the living God. He had been also afflicted with a few other diabetic complications, but he was set free from all of them after he spread *Manmin News* from door to door.

Deaconess Hane Hong is a 43-year-old woman living in Gold Coast, Australia. She has placed *Manmin News* in neighbors' mailboxes and made it available at her restaurant to let people feel free to read it. Delivering *Manmin News*, she has enjoyed blessings both in spirit and body, and even her protruding wrist bone became normal.

Brother Joshua Sotun in India received a lot of grace reading *Manmin News* that had been placed in a Christian book store.

Now he is spreading the ministry of Manmin and the powerful works as a church worker of Delhi Manmin Church helping Pastor John Kim.

Sister Tanya Charikova, a 66-year-old woman in the United States, was deeply moved by Dr. Lee's messages. Now she also spreads *Manmin News* and Dr. Lee's books.

We congratulate the 500th publication of Korean *Manmin News*.

“Doing translation works for *Manmin News*, we were so blessed to have become witnesses who have seen the powerful works of God manifested through Dr. Lee.

We have been continually amazed by the fact that rainbows have appeared in the ministerial areas of Manmin, but now we ourselves have seen it firsthand. Also, when we received Dr. Lee's Prayer for the Sick and Prayer for the Day with faith, we've received answers transcending space and time.

We shared his teachings with friends and family. We encouraged them to cast off their sins and become sanctified. We also give them hope for Heaven.”

— Franco and Elena de Medina (Spanish Translators from Ecuador)

“Dr. Lee's sermons are so touching that I shed tears and become filled with the Holy Spirit. I have received many blessings doing the translations of *Manmin News*. I congratulate the 500th publication of Korean *Manmin News*. I believe God will give the *Manmin News*' publishers strength and wisdom so that they can give glory and honor to the Lord.

God the Trinity

“Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit.” (Matthew 28:19)

God the Trinity is God the Holy Father, God the Holy Son, and God the Holy Spirit. Since they are originally one, they are called ‘God the Trinity’ even though they have different roles. It is one of the very important Christian doctrines and mysterious messages about the Origin of God the Creator.

It might be difficult to understand with human’s limited knowledge and theory, but to the extent that we know God the Trinity we can realize the heart and will of God and receive answers and blessings.

1. God’s Providence for Human Cultivation

God said in Exodus 3:14, “I am who I AM.” No one gave birth to Him or created Him. He just existed since before the beginning. He has neither beginning nor end. He existed from everlasting to everlasting beyond human imagination.

God the Origin existed in the form of light that contains the sound in the vast space. (John 1:1; 1 John 1:5) From a certain point, He wanted to have those with whom He could share His love. He finally laid the plans to gain true children through the process of human cultivation.

God first divided the original space for human cultivation. He divided it into a spiritual space and a fleshly space where people with bodies of flesh would live. Then at that time, He came to exist as God the Trinity as God the Holy Father, God the Holy Son, and God the Holy Spirit.

The Bible tells us in Acts 13:3 and Hebrews 5:5 that God the Son, Jesus Christ, was begotten by God. John 15:26 and Galatians 4:6 also says that the Holy Spirit was also sent by God. God the Father issued forth from Himself the existence of God the Son, Jesus, and God the Holy Spirit. This was done because it was necessary for accomplishment of human cultivation.

God the Son, Jesus and God the Holy Spirit are not creatures that God created. They are beings in the form of God. They exist independently for human cultivation. They have different roles, but they are One in heart, thought, and power and that is the reason why we use the expression ‘God the Trinity’ to refer to them.

2. The Attributes and the Order of God the Trinity

Jesus the Son of God, and the Holy Spirit have the same omniscience and omnipotence as God the Father. Also, they feel what God the Father feels and want what God the Father wants.

Conversely, just as God the Father feels both joy and pain, Jesus the Son of God, and the Holy Spirit also feel them as well. Nevertheless, they are independent beings. Each Entity of the Trinity has different characteristics and different tasking.

God the Son and the Holy Spirit have the same heart with God the Father. But for God the Son, the divinity is emphasized, so He shows more of characteristics of divine dignity and justice. However, as for the Holy Spirit, the emphasis of humanity is manifested more outwardly, so He shows the characteristics of gentleness and mercy.

This way, God the Holy Son and God the Holy Spirit are originally one with God the Holy Father, but at

Senior Pastor Dr. Jaerock Lee

the same time each of them has their own distinctive characteristics as independent beings. They also received their own allotted tasking and have different ranks and roles. When it comes to their rank, God the Father is the first and God the Holy Son is the second. God the Holy Spirit serves them with love.

3. The Roles of God the Trinity

Though God the Trinity has worked together for human cultivation, they have also fulfilled their own roles. Through this, all the providence in human cultivation from creation to salvation will be completely achieved. What roles do God the Father, God the Son, and God the Holy Spirit play?

1) God the Son, Jesus, Opened the Way of Salvation

The duty of God the Son was to open the way of salvation for human beings who were sinners. Jesus is the Son of God, but He came down to earth in flesh and became the Savior. The reason why He could become the Savior is that He is fully qualified to be the savior who could save sinners in accordance with spiritual law.

The qualifications to be the Savior of all humanity are as follows: firstly, the savior must be a man; second, he must not be Adam’s descendant; thirdly, he must have spiritual power; and lastly, he must have love. (Ref: *The Message of the Cross*)

Jesus was born in a human likeness in the flesh, but he was conceived by the Holy Spirit in the womb of the Virgin Mary. Since He was not born through the combination of a sperm of a man and an egg of a woman, He had neither inherited nor innate sinful nature. Also, He only lived by the word of God, so He didn’t have His own sin, either. Because such a Jesus was crucified on the cross, we could be forgiven of our sins by the price of His blood.

If Jesus hadn’t played His role as Savior, all Adam’s descendants would have been destined to fall into Hell. Then, the purpose and goal of human cultivation to gain true children wouldn’t have been able to be fulfilled. God would not have been able to gain true children with whom He could share His love forever.

God prepared His Son, Jesus to achieve the purpose of human cultivation. Whoever believes in Jesus, who had been crucified without any sins on behalf of sinners, can

be forgiven of sins and gain the right to become God’s children.

2) The Holy Spirit Who Makes Salvation Perfect

Through the process of human cultivation, the Holy Spirit makes salvation that people have received through God the Son, perfect. The Holy Spirit plants faith in the hearts of those who have accepted Jesus Christ and leads them until they enter the heavenly kingdom.

The most distinguishing characteristic of the Holy Spirit’s works is that He works by dividing Himself into countless ‘divided spirits’. Although His original Spirit stays in one place, the spirits that divide out from Him have the same heart and power with that of the original Spirit. They come out from Him and work all around the world simultaneously.

Of course, God the Father and God the Son, Jesus as well as the Holy Spirit can divide Their Spirit. But it is the works of the Holy Spirit that are done through the division of the Spirit that particularly distinctive of the Spirit.

When you accept the Lord, the Spirit that comes out from the Holy Spirit will come into your heart. The Holy Spirit in your heart will give you spiritual faith and play a role as a private tutor to lead you to the full measure of faith.

The Holy Spirit also lets you realize the truth and helps God’s children live by the will of God by lamenting when they commit sins. (Romans 8:26) Furthermore, He gives us His fullness, inspiration and spiritual gifts so that we can receive power to get rid of sins and experience the works of God.

3) God the Father Is the Managing Supervisor of Human Cultivation

God the Father is the supervisor that controls the great plan called human cultivation. He is the Creator and Ruler of all things and the Judge at the end time. While the Triune God works together at the same time, each Being of the Trinity has a clearly defined role and position in Their order.

1 John 5:8 says, “The Spirit and the water and the blood; and the three are in agreement.” Water spiritually refers to the ministry of God who is the Word and blood to the ministry of the Lord who shed blood on the cross. In other words, by working together as the Holy Spirit, Water, and blood, God the Trinity gives His children evidences of salvation.

Jesus said in Matthew 28:19, “Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit.” Apostle Paul also blessed believers in the name of God the Trinity as written in 2 Corinthians 13:13 saying, “The grace of the Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit, be with you all.”

Dear brothers and sisters in Christ

I hope you will become His true Children through the works of God the Father, God the Son, and God the Holy Spirit. By doing so, I pray in the name of the Lord that you will receive answers to your prayers and reach perfect salvation.

The Confession of Faith

The Love of the Lord in the Melody of ‘Arirang’

A Korean traditional song, ‘Arirang’, is widely sung and played by people of different nationalities. Almost everyone says that the song has a melody that is beautiful and easy to sing.

It has been arranged into a variety of genres by many singers. World-renowned musicians remade the song. And not long ago, Yuna Kim, figure skater moved the people around the world with her performance of “In Homage to Korea” which was to an arrangement of ‘Arirang’. An arrangement of this song is included in hymnals in the U.S. and Canada and sung by Christians. The beautiful melody has touched many people.

Manmin Central Church members also sing the song with different lyrics. The members feel so happy when singing the song. The song has a lovely melody and the lyrics express our love and thanks for the Lord so well that the congregation is filled with the love of Father God and the Lord while singing the song.

The Melody of ‘Arirang’ is Included in Hymns

Missionary Homer Bezaleel Hulbert (1863-1949) wrote its music notes on a blank sheet of music manuscript paper for the first time at the end of 1896. His work made it known to other people in foreign countries.

‘Arirang’ is included in a hymnal published by the American United Presbyterian Church, under the name ‘Christ, You Are the Fullness.’

Bert Polman, a professor of music at Calvin College in Michigan composed the lyrics because the beauty of the tune drew him. He submitted the song to the Compilation Committee of Hymn. There were other 3,000 hymns waiting for them to be included in the hymn book. But all the committee members from the U.S and Canada agreed to include the song. The reason why they chose it was that they thought the tune was so beautiful.

The Love of God is Included in the Song ‘Arirang’

‘Arirang’ embraces the joy and sorrows of Koreans. Their emotion is well-expressed in the song. If you are Korean, you will be touched by the song just listening to it. Some say Arirang is the best hymn song in human history.

When we understand what the lyrics mean, we can feel the love of Father God for souls. Thus, let’s keep the love in our minds and sing the song for souls.

Explanation of the Lyrics

*Arirang Arirang Arariyo I am crossing the Arirang pass

The song ‘Arirang’ had been passed down orally. The title, ‘Arirang’ was originally pronounced ‘Al-irang.’ Here, Al is a derivative of El, which means God as used in the word, ‘Bethel.’ In other words, Al refers to God and Irang means ‘with’. Therefore, Al-irang means ‘with God’. To cross the Arirang Pass, in the end, means ‘to be with God in a life journey.’

*If you leave me, you will have sore feet

This is neither criticism nor curse. ‘If you leave me’ means that you leave the one who walks with God on the pass. That is, one ‘who leaves’ is the one who leaves God the Creator and takes a different way. It means ‘I want you to come back to me even if you have sore feet’.

‘My earnest hope to get you back into my arms’ is the heart of God. This is the song filled with love for the people who have forsaken their faith. This is the song

Arirang

아리랑 - 아리랑 - 아라리요 - - -
Arirang, Arirang, Arariyo,

아리랑 - 고개에서 - 우리주님만났네
Arirang Pass is the road you met the Lord

우리주님 만나면 기쁨이 넘쳐요 - - -
축복이
Happiness (Joy, Blessing) overflows if you meet the Lord

우리주님 만나면 - 천국에가요
You can enter Heaven if you meet the Lord.

of love that we have to sing for those who have left the arms of the Lord.

*There are many stars in the sky and we have great hope in our hearts

It means we have so much sorrow in our hearts, yet this sorrow does not belong to the world. This sorrow is according to the will of God as in 2 Corinthians 7:10 that says, “For the sorrow that is according to the will of God produces a repentance without regret, leading to salvation, but the sorrow of the world produces death.”

We have to sing this song, Arirang, for those who leave “Me”. We had better think of the heart of God who desires all men to be saved and to come to the knowledge of the truth and deliver the fervent love for souls.
