NO. 337 JUNE 2, 2013

In May 1998, a circular rainbow appeared around the sun. In 2010, a ring-like rainbow and in 2011, a comprehensive rainbow appeared. God has shown such extraordinary and varied rainbows to the members.

In May 1984, God described in detail Heaven and the crystal-clear and beautiful New Jerusalem, in May 2004, the two-week consecutive Special Revival Meeting was held under the title of "Thundering the Original Voice", and in May, 2013, God blessed the members to experience the spiritual world through the separation of spirit.

Since May, 2011, the church members have taken photos of the original lights with the images of the Lord and angels and increased hope for the best heavenly dwelling place New Jerusalem.

In this happy month of May God's blessings are overflowing!

Through the work of Holy Spirit, every May God has performed signs, wonders, with power, so that the Manmin members could lead thrilling Christian lives and blessed them to be overjoyed with hope for Heaven.

In May 1978, the Senior Pastor of Manmin Central Church, Dr. Jaerock Lee, was called by God as a pastor after he met God and received healing of all his diseases at the end of 7 years of suffering. He entered a theological seminary at an older age, armed himself with the Word of God and prayed. He opened a church with the heart of whole spirit having been achieved.

In May 1984, Dr. Lee began receiving detailed explanations about Heaven as the answer to his countless times of fasting and prayer. Consequently, his books *Heaven I & II* were released, and now the books have been translated and published in 14 languages, which are leading innumerable souls in the world to the way of salvation.

In May 1986, Dr. Lee was ordained

as a pastor and began to work in earnest as a witness who preaches the holiness gospel to the remotest part of the earth. He has worked to achieve the national evangelization and the world mission.

Beginning in May 1993, the two-week consecutive Special Revival Meeting was conducted on an annual basis. In the meetings, dozens of couples received the blessing of conception all at once. A man had become disabled and diagnosed with a first class disability and had not been able to sit and stand up for himself. But he came to walk, and jump on his own feet in the meeting. In addition to them, other people were healed of incurable and terminal diseases such as cancer and AIDS. Others recovered from poor eyesight, the deaf came to hear and the mute came to speak. The stunningly powerful works occurred in the meetings.

In May, 1998, the 6th two-week consecutive Special Revival Meeting

was held under the title of 'God is Light'. God blessed the church members to see a circular rainbow around the sun that symbolizes a rainbow that is around the throne of God described in Revelation 4:3. Since then, triple and fourfold circular rainbows have appeared and many other shaped rainbows such as linear, symmetric, asymmetric, K-shaped, and ring-shaped rainbows have beautified the sky.

In May 2004, as the Special Revival Meeting was in progress with the theme "Thundering the Original Voice", GCN (Global Christian Network) TV embarked upon its mission and the event opened the door to the international broadcasting ministry. Additionally, it started the ministry in Israel which had been a debarkation point for preaching of the gospel but became the remotest part of the globe in the preaching.

Since May 2011, pictures have been

taken in and around the church of the aurora-like lights with beautiful images that have been captured on members' mobile phones. The image of the Lord is shown, and there are many abounding shapes in colors such as flowers, musical notes, fish, hearts, and blessing bags that evoke the heavenly beauty. The aurora-like lights encourage the members to long for the beautiful heart of spirit that resembles that of the Lord, and to grow up in faith quickly. God of love blesses them always so that they can feel the spiritual world.

Since the beginning of 2013, the 'original voice' has been issued through which the members have experienced amazing healing works and answers. In answer to Senior Pastor Dr. Jaerock Lee's prayer at his mountain prayer house, in May of this year the God of love allowed a few of the church members full of God's grace, to visit Heaven and Hell and testify to what they saw.

Goodness (16)

Elijah's Goodness (2)

“It is he who will go as a forerunner before Him in the spirit and power of Elijah, to turn the hearts of the fathers back to the children, and the disobedient to the attitude of the righteous, so as to make ready a people prepared for the Lord” (Luke 1:17).

Elijah was very humble in his nature and because he did not have self-righteousness Elijah never quarreled with anyone. He may have seemed fragile outwardly and incapable of making sound decisions, but God, who looks at man's heart, recognized goodness in his heart and chose him as a great prophet in his time.

Elijah became strengthened and confident by trials. By manifesting wondrous signs and wonders in the name of God, he brought the people of Israel back from idolatry to God. When Elijah had wholly carried out his God-given duties, God lifted him up to Heaven alive.

What happened to Elijah after he ascended into Heaven by a whirlwind? Many parts of the Bible support the fact that Elijah came to the earth as John the Baptist in the New Testament time. Let's delve into the goodness of Elijah 'who made ready the way of the Lord'.

1. Through his deeds and in truth Elijah demonstrated his utmost love for God

Elijah always communicated with God while he carried out God-given duties in this world. He also struggled to clearly understand God's will through deep communication in prayer. He had to cling to God all the more in order to achieve God's great work with his weak and fragile temperament. God strengthened Elijah's spirit with the power from above.

Through such experiences, Elijah yearned for God's power even more and also came to ardently love God who strengthened him by His great power. With his love for God, Elijah fulfilled God's commands with obedience even when he felt he couldn't accomplish them on his own.

Even the worldly people try to give the ones they love everything they can give. Even if things seem beyond their reach, they will try nevertheless. Yet, the fleshly love changes with the passing of time as well as with changes in the surroundings and it is the same with the heart and deeds of the one who has fleshly love. Most people also like to receive as much as they have given.

But Elijah's love for God remained steadfast and he perfectly demonstrated the love with his deeds and in truth. While many people profess their belief in and love for God, when rather difficult task is entrusted to them, they make excuses of their temperament and back away. They say, “I want to do God's work but since it doesn't suit my personality, I'll just quietly work on what I have now.” But they must examine how much they actually believe in God from their hearts and how truthfully they love Him.

God has told us in Mark 9:23, “All things are possible to him who believes.” As long as their love for God remains fervent, temperaments are not an issue. Let's think about this extremely weak-natured Elijah who single-handedly challenged 450 prophets of Baal and 400 prophets of Asherah

Senior Pastor Dr. Jaerock Lee

to bring down God's answer by fire.

In his fervent love for God, Elijah became desperate to save the Israelites who had abandoned God and embraced idolatry. That is why he could be so confident and courageous. Through this process, he was able to come to clearly know God all the better and lay the firm foundation in his understanding of God. When we reach the faith of fathers—the mature measure of faith—we will come to know in greater detail God who is from the beginning. Even during his life in this world, Elijah earnestly longed for God because he comprehended God to the depths of his heart.

We can imagine how full of love for God Elijah's heart must have been when he was lifted up to Heaven alive and saw God with his own eyes. Elijah attained clearly definitive realization of God the Trinity and acquired the knowledge of the duties assigned to God the Son and God the Holy Spirit. In particular, he was informed of the fact that God the Son would have to come to the earth, put on lowly and humble form of flesh, and eventually become an atoning sacrifice through crucifixion to be the Savior.

When all these had become knowledge to Elijah, his longing for the Lord became even more fervent and he confessed, “I will do anything for You, my Lord.” Father God accepted his confession, sent him to the earth again, and gave him the enormous responsibility of making the way ready for the Lord as the John the Baptist.

2. His goodness as John the Baptist who made ready for the way of the Lord

God prophesied through prophets that He would send Elijah to this world again, as well as the duties Elijah would assume. Isaiah 40:3 reads, “A voice is calling, ‘Clear the way for the LORD in the wilderness; make smooth in the desert a highway for our God.’” Malachi 4:5-6 states, “Behold, I am going to send you Elijah the prophet before the coming of the great and terrible day of the LORD. He will restore the hearts of the fathers to their children and

the hearts of the children to their fathers, so that I will not come and smite the land with a curse.”

Keep in mind that this is totally different from the concept of “reincarnation” that Buddhism teaches. There has been only Elijah who was lifted up to Heaven and born again in mankind's history. Then, how could it happen to Elijah?

God sends a spirit into the combination of the parents' sperm and egg at the sixth month of pregnancy. At the conception of the person who was to make ready the way of the Lord, God included Elijah's heart in the spirit He sent. God did not send Elijah's spirit; He sent a spirit that contained Elijah's heart. Also, the person was to inherit his parents' nature and receive their influence. So God sent the spirit that contained Elijah's heart to the fetus of the pregnant mother whom God had considered to be “the best.”

It was John the Baptist who was born in this way (John 1:6). Several Scriptures tell us that John the Baptist had the heart of Elijah. Luke 1:17 says, “It is he who will go as a forerunner before Him in the spirit and power of Elijah...and the disobedient to the attitude of the righteous, so as to make ready a people prepared for the Lord.” Luke 3:4 also confirms that John the Baptist was the man whom the prophet Isaiah had prophesied about, whose voice would to make ready the way of the Lord.

And above all other things, Jesus said that John the Baptist was Elijah. When Jesus' disciples asked, “Why then do the scribes say that Elijah must come first?” Jesus said to them, “Elijah is coming and will restore all things; but I say to you that Elijah already came, and they did not recognize him, but did to him whatever they wished. So also the Son of Man is going to suffer at their hands” (Matthew 17:10-12). Then, they finally gained the realization.

Jesus is God Himself in essence, He is spotless and blameless, and He is the true Light. That is why Father God sent Elijah who had been lifted up to Heaven alive. Another reason for God's selection of Elijah was because in his fervent love for the Lord, Elijah had confessed, “I will do anything for You, my Lord.” This was deemed goodness to God.

Elijah could not just bear with it as he thought about everything the Lord was to experience on the earth. Thus, Elijah was not hesitant to return to this world of sin and evil but instead received the command with joy and gratitude. God considered it the most sincere goodness to show his love with deeds and in truth, not just with his words and tongue.

Dear brothers and sisters in Christ, thinking of Elijah's love for God, we can learn that there is no need to make any excuses before true love. Besides, the Holy Spirit dwells in us and helps us with our weaknesses. I pray in the name of the Lord that you will rely on the Spirit who helps our weakness and encourages us in us and cast away every form of evil and reach the perfect level of goodness that pleases God.

A Booster of Hope for Heaven Manmin Praise 5th Album

‘SPACE’

Manmin Praise which touches the listeners' hearts with the love of God and the hope for New Jerusalem the best dwelling place in Heaven in it!

Following its 1st album *The Heart of the Shepherd*; the 2nd, *Devotion*, the 3rd, *Heaven*; and the 4th, *Hope*, the 5th album has recently been released under the title of *Space*.

Listening to and singing the praises will bring to you the images of the beautiful heavenly life vividly.

And your longing for the Lord and hope for Heaven will be added greatly. Here is the brief introduction on the songs included in the 5th Manmin Album.

Prologue – Prayer

If we pray earnestly with faith and love, God the Father will unquestionably answer our prayer at the best time. ‘Prayer’ is a prologue which is an introductory part of the album, and the song is Manmin members’ prayer with melody that contains their gratefulness to God.

Castle of the Shepherd

‘Castle of the Shepherd’ depicts the happiness of the Manmin members who are invited to the castle of the shepherd with lush green leaves crowning the trees with flowers and decking the ground in New Jerusalem.

God’s Banquet - Instrumental

‘God’s Banquet’ represents the scene of the banquets that will be held in New Jerusalem. The song calls up the future image of believers’ glorifying God with bliss and the present memories of their dances and praises to God.

Our Dance

‘Our Dance’ is a song of the Manmin members who prepare for church events with prayer, fasting, finances, and volunteering works.

Wedding Banquet March - Instrumental

When the Lord comes in the air at the last moment, saved people will be changed and caught up into the air. The believers will move in procession towards a castle where sonorous sounds of trumpets resonate, and multitudes of angels wait and brilliant lights are shining. At that moment, this beautiful music ‘Wedding Banquet March’ can be heard.

After I Met My Lord

‘After I Met the Lord’ is the confession of Apostle Paul who gave thanks for the grace of the Lord who changed him from a person who had persecuted the believers in the Lord into an apostle to the Gentiles. It is also a confession of the believers who have been changed after they met the Lord.

Space - Instrumental

Through the tearful prayer of the shepherd who considers souls more valuable than his own life, the spiritual space has been formed and believers in the space were changed. The prayer is represented in the song ‘Space’. The contents of the prayer are transformed into beautiful letters and they are offered up as aroma. The archangel takes the aroma and lifts it up to God.

Snow

In the amusement park in New Jerusalem, the best heavenly dwelling place is a place where various seasons are felt. Out of them, there is a place of snow where we can be reminded of our life on this earth when it snows. ‘Snow’ represents the place.

Angels’ Praise

‘Angels’ Praise’ reflects the message of love delivered by God the Father and angels who praise God with a beautiful song with various kinds of instruments. The praise makes us think how great a blessing it is to lead a Christian life in the love of God.

Original Voice – Instrumental

The beautiful melody of ‘Original Voice’ is the expression of sound that resounds in the huge and broad space of God the Father. In the space are the brilliant and beautiful original light and God’s beautiful goodness and love. You will feel the original love of God the Father in the space that is mysterious and immeasurably deep.

I Praise the Lord/ I Love You So

The songs represent the believers’ love for the Lord who took the cross for us and thankfulness to His great love.

“I feel so good to go to Heaven”

It was my father’s last word on the threshold of death with spiritual eyes open

Deaconess Yeosuk Go (1st Canaan Mission)

I started to attend church when I was a 2nd grader, but I had to lead a Christian life in secret behind my father’s back. During my high school years, I was guided to Manmin Central Church. From then on, I was spiritually strengthened enough to boldly preach the gospel.

But my father did not approve of my preaching. When he found out that I had gone to church he ripped my clothes and grounded me except for when I went to school. He beat me until I even got bruised.

“Is my father a Buddhist head monk, not just a Buddhist?”

After graduation from college, my parents were in serious discord and I came to learn a big surprise. I thought my father was just a Buddhist, but he was a Buddhist monk and he was even a head monk in a temple before marriage. But after he got married, he quit the priesthood and propagated Buddhism through opening a small institute.

I wanted to leave my father so I decided to study abroad and was accepted by graduate schools in the U.K. However, I did not want to leave the church and the shepherd so I gave up the chance. Not long after, my father went to a temple in Daegu after he and my mother had gotten divorced. I led a free Christian life and could devote myself to the church works as a mission president and as a pianist for Tuesday Worship Service. Since 2011, I was blessed to play the piano in Wednesday Service and work as a Levite worker.

In late January in 2013, I suddenly received a phone call from my father. He said he had later 3rd stage of a bile duct cancer and it was out of hand. I was so sorry for him because I knew that he would not be saved if he died in that way. So, I offered up three-day fasting and vowed prayer and then, I received Senior Pastor Dr. Jaerock Lee’s prayer.

I repented my father’s idol-worshipping on his behalf and asked God to save my poor father in prayer. I also repented thoroughly that I had not loved him with my heart. On March 2, 2013, I gave him Dr. Lee’s autobiography *My Life My Faith I & II* with my heartfelt letter.

“My beloved father, I was thankful to you who tried hard to raise us well and I wanted to be your strength, so I studied hard. Meantime, I encountered this church of life when I was a high school student. I felt so happy because Senior Pastor Dr. Jaerock Lee taught me true value in life and to lead a life of goodness. Even when I was in pain after being beaten by you, he told me to love you more because you

had done so since you do not know God. So, I could love you and understand you without hatred towards you. I want you to read the books and accept the Lord and go to Heaven.”

“I am so happy to go to Heaven! I owe a lot!”

A few days later, my father called me and said crying, “I am sorry. I am so sorry. I am a great sinner to you, your brothers, and your mother. I was touched by many stories in Dr. Lee’s autobiography. He is a wonderful pastor!”

I felt that God was working on him, so I brought him to Seoul without any delay. And I asked pastors to visit him and we offered up visitation services. When the pastors preached the Word of God, my father received grace saying “Amen!”

On March 31, 2013, my father registered in Manmin Central Church and a few days later he met Dr. Lee and received his prayer. On April 14, I had a dream where my father repented that he had judged and condemned Dr. Lee in the past. Next day, he asked me to give a certain amount of tithes though nobody taught him to do so. I quickly prepared it and gave it to God.

At that time, my father was in the ward for people with the late stage cancer. He said he did not want to stay in there because there were messengers of Hell crowded. It was that his spiritual eyes were opened and saw them.

On April 21, 2013, my father’s state became extremely serious, and he passed away as though he had fallen asleep, saying, “I am so happy because I will go to Heaven. I miss Dr. Lee. I owe you a lot.”

On the doorstep of death, my father could be moved to Heaven in the great grace of God and Dr. Lee’s intercession of love. I give all thanks and glory to God.

“I, who had poor hearing ability, came to hear well”

Brother Gokul Bhujel
(Manmin Mission Center, Nepal)

Not too long ago, I was a sorcerer in Okharbot, Ramechhap in the middle east of Nepal and I was a Hindu. But in March 2013, I accepted the Lord after experiencing the amazing power of God.

In January, 2013, I came to Katmandu, the capital city of Nepal to meet my son’s family. They were leading Christian lives in Manmin Mission Center, Nepal.

My wife also came there before I got there. She was also guided to the center, met the Lord, and became full of the first love towards the Lord. She boasted of the church as a church which God is with and where the amazing powerful works unfold and tried to lead me to the church every day. Missionary Pastor Grace Lee also told me about God in a kind manner.

I came to have faith reading the mission materials that exhibit that the blind came to see, the deaf hear, and the lame stand up, walk, and jump. The warm love of my family and the church members opened my heart.

I repeated and memorized the Apostles’ Creed and the Lord’s Prayer. I listened to Dr. Jaerock Lee’s message “Seed of Life” which moved me so much. In the meantime, I experienced an amazing miracle. I had had poor hearing, so I could not hear sounds that came a little far from me. But without knowing, I was hearing such sounds.

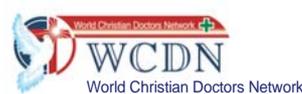

I was a 73-year-old sorcerer, but now I became God’s child. I am so blessed! I can say that God is the only one true God and Jesus is our only Savior. Hallelujah!
