Holy Spirit's Works Awakened European Souls through Handkerchief Healing Meeting Held at Holy God TV's Request

One day, a pastor was given a DVD. It was about Dr. Jaerock Lee's Prayer Miracle Healing Festival 2002 conducted in India. It gave him a spiritual shock and amazed him. It was because he saw the living God who heals souls by the Word and power.

In 2004, he heard that Dr. Lee would lead Germany United Crusade. In the crusade, he himself found that all he had watched in the DVD are true and real. He decided to open a TV station to spread the holiness gospel preached by Dr. Lee and his powerful ministry. Since then, he has broadcast his sermons and powerful works in Europe and Middle East for 12 years. It is the testimony of Pastor Gerard Uthayakumar, President of Holy God TV in France (Photo 5).

On June 11, 2017, Rev. Heesun Lee, Manmin World Guidance

Pastor visited his church, Water of Life Church in Paris, France. She led European Branch and Associate Churches' United Handkerchief Healing Meeting (Photo 6). Pastor Uthayakumar had an earnest desire for souls in Europe where Christian churches are in a spiritual slump and antichrist is influential and asked Manmin Central Church to hold the healing meeting.

The meeting was attended by people from 9 countries—Belgium, Germany, Estonia, the U.K., Ireland, Switzerland, Sweden, France, and Russia as well as Water of Life Church members. They have attended Manmin Central Church's worship services on the Internet and via satellites since they came to know Dr. Lee's holiness gospel and powerful works.

The video concerning Dr. Lee's powerful ministry was presented, and Power Chorus of Performing Arts Committee showed their performance (Photo 1). Then,

Rev. Heesun Lee preached the message "God the Healer" taken from Exodus 15:26. She explained about the cause of diseases and the repentance for healing. They all repented of their sins, and they passionately praised God with dance in the Holy Spirit.

Rev. Lee had them receive Senior Pastor Dr. Jaerock Lee's recorded prayer for the sick, and she prayed for more than two hundred attendees with the handkerchief on which Dr. Lee had prayed (Acts 19:11-12). Immediately, healing works followed.

A woman was not able to walk due to partial paralysis in her left leg. When Rev. Lee raised her up holding her hand during the praise, she was set free from the pain and came to walk (Photo 4). Claudia Berniac from France received the fire of the Holy Spirit on her legs during the prayer.

She was healed of varicose veins that she had suffered from for 10 years and came to walk well. Brother Dieudonné felt something like electronic flow during the prayer and was freed from pain in his right shoulder and hand. Besides, the attendees were healed of walking difficulty, high blood pressure, diabetes, and hyperthyroidism (Photo 3).

The meeting was broadcast live via Holy God TV in Europe and Middle East, and all over the world through the Internet. Pastor Gerard Uthayakumar said, "It looked like Rev. Heesun Lee had brought here the power of Dr. Lee who is the world-renowned pastor. Many members experienced healing and miracles and strongly felt God's presence.

On June 10, she led Fullness of the Holy Spirit Prayer Meeting and they were filled with the Holy Spirit and made a decision to hold united meetings continually (Photo 2).

“Then He said,
‘Do not come near here;
remove your sandals
from your feet, for the place
on which you are standing
is holy ground’”
(Exodus 3:5).

Remove Your Sandals from Your Feet

that has every kind of evil such as jealousy and hatred. From this heart, unimaginable evils would come out. In the Old Testament time, circumcision was performed not in the heart but in the body because the Holy Spirit didn't come into hearts.

While the dirtiest part of man is heart, the dirtiest part among our body is feet. That is why God told Moses to remove his sandals from his feet. In sandals or shoes, we go to many places and step on many things. We should take our dirty shoes off to enter a clean place. The same applies to this Passage.

2. The Spiritual Meanings of “Remove Your Sandals from Your Feet”

1) God Is Pure and Holy.

Since God is so pure and holy, we should be pure and holy in order to come near Him. He is blameless and holy, has nothing to do with sins and evil, is full of love, and is of perfect goodness (James 1:17; Hebrews 7:26; 1 John 1:5). Concerning this holiness of God, 1 Peter 1:15 says, “But like the Holy One who called you, be holy yourselves also in all your behavior” and Matthew 5:48 reads, “Therefore you are to be perfect, as your heavenly Father is perfect.”

Therefore, “Remove your sandals from your feet” means that because God is holy and pure we also should be holy and pure in heart. If we desire to stay near God all the time, we should achieve the heart of God who is perfect and dwells in the Light (Philippians 2:5).

2) You Can Come near God Only When You Remove Dirty Elements from Your Heart.

As Matthew 5:8 says, “Blessed are the pure in heart, for they shall see God,” we should be pure in heart to come near and

see Him. We are forgiven of our sins by faith in Jesus Christ, but it does not mean we have cast off all evil attributes from our heart right away. We have to cleanse and wash away untruths by the blood of Jesus Christ by walking in the Light.

You have to throw away untruths by listening to the Word and putting it into practice. To the extent that you realize the truth, you can cast sins off and become pure and holy. To the extent that your heart becomes pure, you will be able to meet God and hear the Holy Spirit's voice. As guided by His voice, you can become God's perfect children.

Thus, if you want to come near God, you should remove dirty things from your heart as you take shoes off. Here, I urge you to check if you have changed yourself and become more sanctified than before. Do not waste your time. If you have sins in heart without fighting against them to the point of shedding blood, you cannot but be abandoned. You must quickly remove filthy attributes from your heart (Luke 19:11-27).

3) You Can Hear the Voice of God Only When You Remove Dirty Elements from Your Heart.

What if Moses had not taken off his sandals although God told him to remove them from his feet? Could he have talked to God? When you dwell in the Word of God, you can hear the voice of the Holy Spirit. Here, only when you obey the voice can you receive answers to whatever you ask for. That is, you should obey by ‘removing your sandals from your feet’ so as to hear the voice of God.

Because Moses took his sandals off, he could hear the Word of God and realize what it meant. He could understand its meanings when he heard it. For it he had

lowered himself during the 40 years of trials. He realized that he could meet and come near God and hear His voice only by taking his sandals off from his feet.

Moses removed his sandals from his feet and knelt down before God with a pure heart. He stood in front of God with fear and trembling and looked up to God in spirit and truth with all his heart. Then, God said to him, “I am the God of your father, the God of Abraham, the God of Isaac, and the God of Jacob” (Exodus 3:6).

Why did God show Himself by calling each name of Moses' ancestors? Moses knew his ancestors, Abraham, Isaac, and Jacob very well. God showed him that He is the God whom his father and his ancestors believed. He showed him that He had been with his ancestors, had made a covenant with them, and He is the faithful God who keeps the covenant.

We cannot but ‘remove our dirty sandals’ in front of the great dignity and holiness of the living God. He is so almighty and faithful as to surely keep His covenant. We should cast all the untruthful attributes off and wash our hearts holy and pure to come near God.

Dear brothers and sisters in Christ, God calls His workers and tells them to remove their sandals from their feet just as God did to Moses. We should continue to check and change ourselves based on the truth to resemble the Lord although we were forgiven of all sins of past, present, and future by faith in Jesus Christ.

In addition, we should cast off every form of evil in fullness of the Holy Spirit through fervent prayer (1 Timothy 4:5). I pray in the name of the Lord that by doing so you will be able to come near God, meet Him, and hear His voice.

In Exodus 3, Moses was pasturing the flock on Mount Horeb. Then, God called him in a blazing fire from the midst of a bush to set him as the leader of Exodus. As Moses came near the bush, God said, “Do not come near here; remove your sandals from your feet, for the place on which you are standing is holy ground.”

Let's now delve into the spiritual meanings included in the verse, “Remove your sandals from your feet.”

1. The Reason God Told Moses to Remove His Sandals from His Feet

God called to him from the midst of the bush on Horeb Mountain. Because God was there, the place was holy ground. Just as the Temple God dwells in is holy, our heart, since God dwells in it, is the holy temple of God.

1 Corinthians 3:16 reads, “Do you not know that you are a temple of God and that the Spirit of God dwells in you?” From the moment you accept the Lord, the Holy Spirit begins to dwell in you and you should live a godly life because you are a temple of God.

Why, then, did God tell Moses to remove his sandals? It has a profound meaning. In fact, the dirtiest part of man is ‘heart’

Blessed Is He Who Dies Like a Grain of Wheat!

If a grain of wheat dies, it bears much fruit (John 12:24).
Let's look into how we can become like a grain
of wheat that dies and bears much fruit.

Your 'Self' Must Die

Your 'self', that is, your 'ego' has been formed of knowledge and culture that you have seen, heard, and experienced from your parents, teachers, friends, and neighbors since the moment of your birth. But most of the knowledge that has formed the "self" belongs to untruth. Thus, you should admit that what you have thought right could be wrong and cultivate truth by the Word of God in your heart.

If you find your thoughts and speculation against the truth, you must admit you are wrong and transform yourself by the truth. By doing so, you begin to put to death your 'ego' (Romans 8:13). Remember untruths in your heart are not cast away by cursory repentance. You should pray fervently to receive strength to cast them off. Then, you can burn them by the baptism of fire of the Holy Spirit.

As you try to put your 'self' to death and fight against sin to the point of shedding blood (Hebrews 12:4), God will bless you to become spiritually strong and bold. To the extent that your 'ego' dies, you will prosper in all respects and be in good health because your soul prospers.

In order to gain such spiritual fruit, the flesh in you should die (1 Corinthians 15:42-44).

Dying at Home

To evangelize other family members, you should preach the gospel with the evidence of the living God. First of all, you should earn their trust to evangelize them, and you can gain their trust by dying at home.

Ephesians 4:22 says, "That, in reference to your former manner of life, you lay aside the old self, which is being corrupted in accordance with the lusts of deceit." Here, 'your former manner of life' refers to ungodly habits you had when you were in your "old self" before you met God.

For instance, some of you may often get angry and beat other family members. Some children do not clean their room because the mother always does. Some others tell their parents they are so busy that they can't make their beds and can't put their clothes back in the closet.

But if this "former manner of life" disappears, your family will be the first to notice your change. To the extent that you cast off your evident former manner of life, your "self" can be put to death at home, and you can earn the trust of your family. In a home of faith, the family can be even happier when each member looks back on themselves for everything without attributing it to others and puts their former self to death in the truth.

Dying in Church

Spiritually, your church members are closer to you than your family members, for they are brothers and sisters in Christ and will live with you in Heaven forever.

But if your 'self' is alive, when you notice a brother's faults, you may point them out in your self-righteousness and even tell others about them. Moreover, if you suffer loss because of him, you may not just stand it. However, if you think about the love of the Lord who forgave you of your sins, you should follow His example.

Through 'peace', you can check how much you have become 'a grain of wheat that dies' in church. It is difficult for people who insist on their self-righteousness and self-framework to have peace with others. Only when you lower yourself and serve others with love and virtuous generosity can you be at peace with all people.

Suppose you have peace with those who serve and obey you but you do not have peace with those who don't. You cannot say you have pursued peace in a true sense.

God wants us to have peace with everyone. We should seek peace in obedience and service to our superiors or co-workers. We should have peace in all aspects. It is because God blesses peacemakers to bear fruit (James 3:18; 1 Corinthians 14:33).

Dying for the Kingdom of God

Souls' salvation is the most important in accomplishing God's kingdom. Jesus was crucified to save countless people who were going the way of death due to sins. So, we should preach the gospel at every corner of the earth as the Lord's witnesses to lead many people to the way of salvation and accomplish God's kingdom.

When we give out light through our good deeds, people will seek God. When the Lord's workers diligently take care of the souls, the kingdom of God will increase.

If a believer truly feels the love of the Lord, he finds it not difficult to preach the gospel or look after the souls. And a faithful worker voluntarily gives whatever he has to do his God-give duties. This is how you can 'die' for the kingdom of God (Romans 8:17).

If we lose our 'self' by putting it to death at home, in church, and for His kingdom, God will surely let us bear much fruit.

“My Family Has Experienced the Power of God!”

Brother Vadim Bokancha, age 33, Moldova

In spring 2015, I heard a testimony from Brother Aleksandr; his mother was dying of acute cor pulmonale but she was recovered by Senior Pastor Dr. Jaerock Lee's prayer. I wanted to know the Lord and believe Him. I went to the church and listened to Dr. Lee's sermons on GCN. I was blessed in his message, and it presented a new goal of my life: sanctification. The message not only gave me spiritual knowledge, but markedly changed my heart and my life.

I used to go to hospital very often because my children were often sick. We relied on medicine and injections. However, since we began to attend the church, we have not taken any medicine and not gone to hospital. It is because we were given faith through a healing experience by Senior Pastor's prayer.

By the time I accepted the Lord, my four-month-old son vomited breast milk. He drank and ate nothing for three days. My wife was not able to endure it and told me that she would go to hospital. I believed God would work on him but there was no way to persuade her and we went to hospital. Then, it came to

my mind that this incident would influence our future believing lives. I prayed earnestly to God with my child who was sleeping feebly in my arms.

“Living God! I have to choose now. Please work on my child and let us lead proper Christian lives.” My wife was watching me, and she told me that she would just go back home. We returned home. Back at home, my child continued to be sick. My wife said again she could no longer endure it and told me to call an ambulance.

I told her to try breastfeeding him. Then, a miracle happened. My son drank mother's milk much. He did not cry nor vomit.

Since then, my children have been very healthy. Some people would ask us about what we fed them because they have not been sick. Besides, we were healed of headache, toothache, high fever, cough, diarrhea, abscess, and so on. In any kind of situation, when we repented first and received Senior Pastor's prayer or applied Muan Sweet Water (Exodus 15:25), we were all healed.

Before we attend the church, my eldest daughter Milena, age 6, would wake up in the middle of night and shouted. She trembled with fear and could not recognize us. Only after around ten minutes passed would she come back to normal. My wife and I began to receive Senior Pastor's prayer with her every night. Since then, she has been okay.

I also suffered from frequent headache after I had a cerebral concussion, but I was healed of it. I no longer have conflicts with my wife, so my family is at peace now. I give all thanks and glory to God who protects my family all the time. I extend my heartfelt thanks to Senior Pastor who prayed for us.

“The Breast Lump Was Completely Gone!”

Senior Deaconess Insook Park, age 55, Parish 21, Manmin Central Church

In summer of 2016, I felt exhausted after I went out and came back home. I felt like I had no strength even to move my fingers. Afterwards, I had a medical check-up and the doctor told me that I had a lump in my breast and it was big. He said I would have to have ultrasonography three months later.

I had seen many people healed of their diseases through Dr. Jaerock Lee's prayer, so I thought I would be healed of it. I received Manmin Prayer Center President Boknim Lee's prayer and the symptom of tiredness was gone.

In December, I had ultrasonography in hospital. The doctor said the lump had not become bigger but it was quite big and suggested me having biopsy three months later.

I began to think over what God wanted me to do. I tried to find my shortcomings and change myself. I also checked all aspects of my life to be faithful in all respects. I prepared the vessel to receive the answer with my heart.

On March 20, 2017, another ultrasonography showed the lump again. It did not grow but the doctor

said I needed biopsy for him to see it closely. I set the date for biopsy and came back home.

I earnestly longed for the work of God who has taken full responsibility for my whole life, and received Senior Pastor's prayer during every worship service.

On March 25, after five days passed, I went to the hospital for biopsy. I felt nervous for no reason while waiting. I received Senior Pastor's prayer for the sick on GCN by smart phone. I found peace in heart. I entered the doctor's office. He showed me ultrasonography saying, “Here is a lump”.

I got the anesthetic injection for biopsy and was on the bed. Then, I heard the startled tone in the voice of the doctor and the nurse.

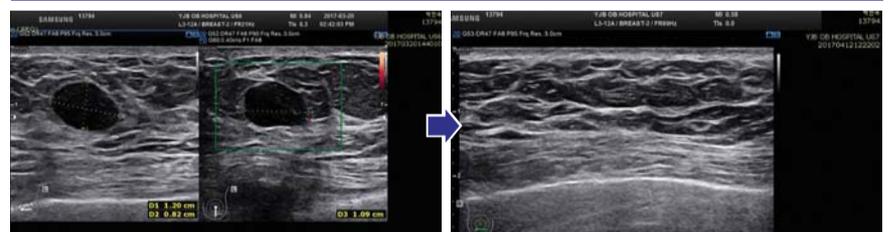

“Where on earth is the lump?”

“Oh, no! Where is it gone?”

They were checking my lump through another ultrasound but no lump was seen. He looked accurately at the screen and said, “The lump was really gone!” The living God removed the lump completely. Hallelujah!

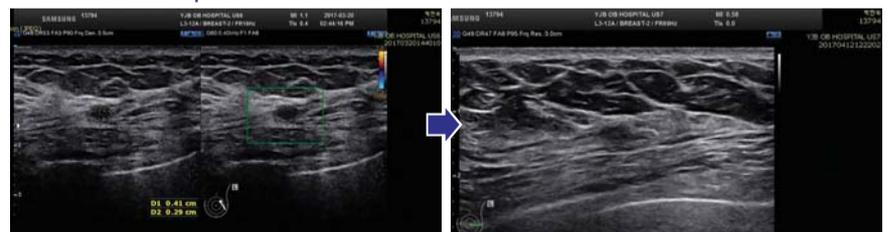

I give all thanks and glory to God.

Ultrasonography

Before the prayer: 1.09cm lump at the 'six o'clock position' in the left breast

After the prayer: No lump

Before the prayer: 0.41cm lump at the 'three o'clock position' in the left breast
