## “I Would Like to Resemble the Lord!”

### Children’s Summer Bible School 2017

Summer Bible School 2017 was held by Children’s Sunday School under the main theme of “Power” (John 14:12). It began with the opening service on July 30, 2017 and continued until August 2. The programs were broadcast live, so that children in many branch churches joined including Daejeon, Gumi, Eastern Gwangju, Muan, Cheonan, Gwangju, Seosan, New Gwangju, Pohang, Sokcho, Gyeongju, Wonju, Anseong, and Daegu Manmin Churches.

On July 30, Rev. Soojin Lee (Photo 1) delivered the message entitled “Power” during the opening service. She explained the basic concepts of the power, and urged children not to be stained with sin and live by God’s will with thanks to God who has performed signs and wonders through the shepherd’s great power in this church.

On the morning of Day 2, Pastor Miyoung Lee (Photo 4) preached the message and led prayer. She testified to the healing case of Brother Jaewoo Lee who had been healed of burns (Eastern Gwangju Manmin Church). She asked the children not to forget about the shepherd’s love and sacrifice through which he manifests the power, and to act in goodness and obedience.

On the morning of the third day, the 10th Manmin Children’s Talent Show was held. Grand Prize went to Power Junior Dance Team (Gumi Manmin Church) who showed jazz dance; the Gold Prize went to the Holy Fire Team who performed ribbon gymnastics; the Silver Prize went to the Power of Re-creation Team that performed a play; and the Bronze Prize went to the Shining Ensemble which presented a musical instrumental performance.

Pastor Eunji Han from Gumi Manmin Church, whose children received Grand Prize said, “The members experienced the shepherd’s power such as healing of severe atopic dermatitis and jaundice. They themselves set the goal to win the Grand Prize and prepared for it with fasting and prayer.”

That same afternoon, Rev. Heesun Lee (Photo 3) led ‘Power Jesus’ with the Power Chorus of the Performing Arts Committee as the backup singers. After urging them to achieve a good heart to consider others in her short message, she led praise full of the Holy Spirit. They praised the Lord by offering up the song “JESUS” earnestly as the last song.

On the morning of Day 4, Manmin Prayer Center President Boknim Lee (Photo 2) led the Fullness of the Holy Spirit Prayer Meeting.

She had teachers lead in role playing acting out the casting off of untruthful elements of the heart. As she prayed for the children with the handkerchief of power (Acts 19:11-12), they repented of their discomfort toward others, ill feelings, untruthful words and deeds. They became more earnest to resemble the Lord who is goodness.

Children’s Sunday School Principal, Pastor Minkyung Jo (Photo 5) said, “The weather was favorable for the Summer Bible School. It was a great opportunity for children to long for the spiritual world all the more. I give all thanks and glory to God who has shown us signs and wonders. I extend my thanks to all speakers who preached the messages and led prayer and praise for the children. I also give thanks to all people who helped us with love and care.”

This year, in particular, the children visited Muan Sweet Water Aquarium where both salt and freshwater fish co-exist in the same water. The salty water from the sea at Muan Manmin Church was changed into sweet drinkable water by Dr. Jaerock Lee’s prayer; it was this Muan Sweet Water in the aquarium. They also learned more about Dr. Lee’s overseas crusades and the power manifested in them.

## God the Healer (2)

repent that you did not believe in God and then accept Jesus Christ. Then God will give you the Holy Spirit as a gift. When you receive the Holy Spirit, light diseases could be burned by the fire of the Holy Spirit and cleansed immediately.

### 2) If You Accepted the Lord but Have Diseases, You Should Repent You Didn't Have True Faith.

Although you may profess your faith in God with your lips and go to church, you might not have assurance of faith in God and you might not have accepted the Lord as your Savior in heart. You may doubt the healing works through the Holy Spirit or when you have a problem you might rely on the world rather than on God.

In 2 Chronicles 16, King Asa believed in God and experienced amazing works of God in the beginning of his reign. But he corrupted later and distanced himself far from God. In 2 Chronicles 16:12 it says, "In the thirty-ninth year of his reign Asa became diseased in his feet. His disease was severe, yet even in his disease he did not seek the LORD, but the physicians."

God is our Father. He is full of love and He is Almighty. If you have true faith in God, you will depend only on God. To the extent that you rely on the world, it shows you do not have true faith in God.

If you fall under the situations in this case, you should repent that you did not fully believe in God. You should depend only on God and show your spiritual faith in Him. Then, He will surely give you an answer.

### 3) You Should Repent of Not Keeping God's Commandments.

1 John 5:3 says, "For this is the love of God, that we keep His commandments; and His commandments are not burdensome." The first half of Proverbs 8:13 reads, "The fear of the LORD is to hate evil." If you live in sin, although you profess your faith and love in God, it is a lie (1 John 2:4).

You cannot receive answers to your prayers for healing and receive

blessings unless you try to keep God's commands which tell you to do, not to do, to keep, and to throw away things. Thus, you should repent that you didn't keep the commandments, and repent that you didn't love others and didn't work faithfully. If you repent and live by the Word with love for God, He will heal you and give you answers.

### 4) You Should Repent of Trying to Reap without Sowing.

Galatians 6:7 says, "...for whatever a man sows, this he will also reap." That is, you should sow seeds of faith before God if you desire to receive blessing from God. In other words, you should plant seeds of time, effort, and energy. For example, you should worship and pray in spirit and truth, work faithfully for the kingdom of God, and give tithes and thanks offerings.

Matthew 6:21 reads, "For where your treasure is, there your heart will be also." God receives the aroma of your heart contained in your deed, rather than the deed itself, or just the amount of money given. If you please God with the aroma of your heart, faith, and love, answers and blessings will come quickly.

If you love God, you will sow seeds of faith diligently even when you don't have any specific problem. It's because you are so thankful for being saved, and for the love and grace of God. You will think, "What can I give of more, and how can I pay back for the grace given to me?" With this in heart, you will pray fervently, work faithfully, and give offerings to God. They always receive blessing to the extent, or more than they have sown. If you have a problem that requires a special answer, you should plant the seed of faith with all the more strength.

### Secondly, You Should Have Spiritual Faith That You Have Been Healed.

Isaiah 53:5 says, "...and by His scourging we are healed." Jesus had no sin at all. But still, He was scourged and shed His precious blood to redeem us from our sin.

Once you ask for healing with faith in the love of the Lord your Redeemer, you should confess you have already been healed and rejoice and give thanks. Then, God will give you spiritual faith to receive answers.

Here, you should remember the timing of answers can differ from person to person. Some are healed immediately when they receive prayer, but others seem to need more time to be completely healed. God works according to each one's heart and situation. Suppose someone seems to manage an unchanging Christian life after being healed. Even if he has a little faith, he can receive the answer on the spot. Some people are healed gradually as their faith grows, or others receive healing after they have matured in their faith. It is because souls' salvation is God's final goal in healing of diseases. Thus, although you were healed, if you commit sin again, you may get the disease again.

In John 5:14, Jesus said, "Behold, you have become well; do not sin anymore, so that nothing worse happens to you." In other words, He says that, even though you are healed by faith, your diseases may worsen if you sin again. Therefore, it's important that you keep trying to live by the Word of God after healing. Only when you ask with this truthful heart, God can give you answers more quickly and give you more abundant blessings.

Dear brothers and sisters in Christ, if you believe God in heart and repent, you cannot commit the same sin again. Of course, you may not be able to live completely by the Word. But if you pray and try hard, God will give you strength to live by His Word. He will give you spiritual faith, healing, and answers. He will give you blessings of the prosperity of your soul, success in everything, and good health. And after this earthly life ends, He will lead you to the eternal Heaven.

I urge you to remember salvation is more important than healing and answers. I pray in the name of the Lord that you will receive answer to all your prayers.

"And He said, 'If you will give earnest heed to the voice of the LORD your God, and do what is right in His sight, and give ear to His commandments, and keep all His statutes, I will put none of the diseases on you which I have put on the Egyptians; for I, the LORD, am your healer'"  
(Exodus 15:26).

Anyone can be healed of any kind of diseases as long as they solve the problem of their sin and believe in God for nothing is impossible for God. Now let's look into what we should do to receive healing.

### First, You Should Quickly Destroy the Wall of Sins

Isaiah 59:1-2 reads, "Behold, the LORD's hand is not so short that it cannot save; nor is His ear so dull that it cannot hear. But your iniquities have made a separation between you and your God, and your sins have hidden His face from you so that He does not hear."

It means that your wall of sin between you and God makes you unable to receive answers from Him. Therefore, to experience His work, you should first repent of sin thoroughly, turn back and destroy the wall of sin. What should you specifically repent of?

### 1) You Should Repent That You Did Not Believe in God Nor Accept Jesus Christ.

God created us and He loves us. He sacrificed His only begotten Son as atonement for us. If you didn't acknowledge or believe this great love of God, it is the biggest sin of all. As you realize it, you should

# The World of Evil Spirits

Before God began the Creation in earnest, He created the spiritual world and many spiritual beings in it.  
 And, to gain true children whom He could share love with forever,  
 He also allowed for the world of evil spirits to exist for human cultivation.

## The World of Evil Spirits Was Allowed after Lucifer's Rebellion

In the spiritual world, God created spiritual beings: angels and cherubim. They were organized very well in a strict order so that they would perfectly carry out the commands of God. Their number was infinite. Among angels, three female archangels that served God the Trinity were given human nature by God. One of them was Lucifer, and she served God. She gave praises to God with beautiful voice and various instruments, and

she pleased God with sweetness of her words. She was greatly loved by God and enjoyed great authority and honor.

As untold time passed by, Lucifer's human nature aroused arrogance in her and she desired to become like God. She gathered spiritual beings and rose up in rebellion against God. The dragons that had encircled the throne of God, a third of the angels, and a great number of cherubim joined the rebellion. However,

it failed and they were all put into the abyss.

On the first night of the Creation, after God separated the light from the darkness, He released Lucifer, the dragons, and some of the fallen angels from the abyss.

On the second day, after God created the expanse, He allowed a space for them, and there Lucifer set up her kingdom and organized the world of evil spirits.

## Lucifer, the Head of Evil Spirits and the Roles and Order of Evil Spirits

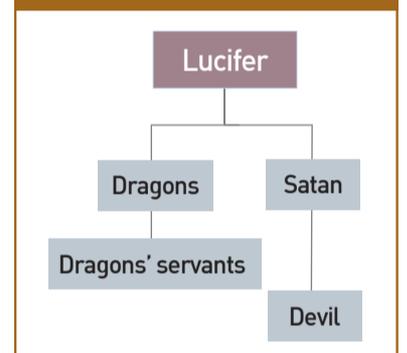

Lucifer is the head of the world of evil spirits, and below her there are two groups, and they try to disturb and disrupt the ministry of God the Trinity.

Lucifer governs her kingdom through the two groups. One is the class that consists of dragons and their servants, and the other is the class that consists of Satan and the devil. Lucifer gives orders through these two classes. Here, Lucifer made the rank

of dragons' servants higher than that of the devil. It was the promise she made with the dragons when she planned the rebellion in order to win the dragons over to her side.

Thus, the rank of the devil is the lowest in the world of evil spirits. Of course the rank of the demons is the lowest, but demons are originally different from the other evil spirits; so they don't stay in the second heaven but stay on the earth.

The Hierarchy of the Realm of the Evil Spirits

### 1) Lucifer, the Head of the World of Evil Spirits

The fallen Lucifer may do things by herself, but usually she leads the flow of the darkness from behind the scenes. Through the culture of the world, especially through music, she tries to control the hearts and minds of people. The people under her influence think and act as Lucifer intends for them to act without realizing it. Now, people's outer appearances, hair styles, and even makeup have become more and more provocative. This is a result of receiving Lucifer's influences.

In addition, as the secular culture rapidly spreads through TV and the Internet, people tend to be stained by sin more easily. Lucifer also instigates those people and let them stand against God. Lucifer uses all kinds of means to deceive people and make them worship her.

### 2) Dragons and their Servants

Lucifer also works through the dragons. Lucifer gives orders to the dragons and they in turn give orders to their servants. It is not, however, as though they receive every order from Lucifer at every moment. Lucifer had already planted her thought and mind into the dragons long ago.

For example, just as Lucifer

desires to be worshiped, the dragons also have such desire. So, since most ancient times, the dragons instigated people to carve patterns and likenesses of dragons in many places and caused people to worship them.

The cherubim that followed their dragons during the rebellion became the dragons' servants. Their outward appearances changed from their original beautiful appearances to hideous beast-like images. As a reference, Leviticus 11 lists the animals that are detestable to God. It is these animals that have the shape and look of the fallen cherubim. Some diseases are caused by the work of the dragons' servants. When you pray for the healing of diseases, you can see sometimes a bunch of mice go out from the people's body. Sometimes animals with a shape of a swine go out.

Now, dragons also incite evil people through their servants to commit unusually cruel crimes such as human trafficking and murder. Depending upon which animal incites and influences the actions from among the servants of the dragons, the outcome of the evil may vary. It is because animals have different characteristics when it comes to atrocity, cunningness, uncleanness and filthiness.

### 3) Satan and Devil

Satan has the capabilities of Lucifer, so it causes harm to people by inciting and instigating evil thoughts and influencing mindsets, and it also brings diseases on people. Satan continually spreads its corrupted mindsets and capabilities into the air. It is similar to airwaves, so Satan instills the abilities of the darkness through the mental process of people whose 'reception frequency' is set to receive its signal. Here, the untruth and the attributes of the flesh in a person act as the receiving antenna.

The devil makes people put untruthful thoughts into action (1 John 3:8). The devil also plays the role of bringing trials and afflictions for the price of the sin they commit. The devil does not work directly inside of people. People come to have the thoughts of untruth by the work of Satan, and when their sinful attributes are stirred up in their hearts, the devil begins working. The devil agitates the sinful attributes and this eventually causes them to commit the deeds of untruth (Galatians 5:19-21). By the work of the devil, they may commit horrible crimes that should never be committed by a human being.

As Ephesians 6:10-13 reads, to stand firm against the schemes of the devil, we should be strong in the Lord and put on the full armor of God.

## “The Shepherd’s Power Renewed People’s Heart!”

Elder Joongik Jeon, President of Police Officers’ Association

I am a patrol team leader of Dangkok Patrol Division in Gwanak Police Office. On June 30, 2017, I was chosen as an exemplary civil servant and given the Prime Minister’s commendation. I have received more than forty rewards in recognition of my contributions to the nation. It is all by the grace of God that I received such great blessings that are more than what I really did for thirty years.

In November 1993, a few years after I had registered in Manmin Central Church, I was participating in riot suppression at the Jogyesa Temple. The ladder truck that I and my coworkers were on overturned and we fell from a height of fifteen meters. In this big accident, I did not get hurt at all. I was perfectly protected. Afterwards, I began to try to live by the Word of God following my Senior Pastor Dr. Jaerock Lee’s good teaching.

I went through many kinds of incidents while on duty. Due to my self-righteousness I used to burst into anger, but from a certain point in time, I began to consider people who came to the police station as souls ‘more precious than the whole world.’ I would ask them if they wanted water. I also asked if they preferred hot water or cold water. As I tried to be nice to them with heart, they were moved by my little acts of kindness. At times some people would hold my hands and cry.

One day, a man was put in our custody. When he ran riot, ten police officers were not able to overpower him. He was a convict that had been jailed repeatedly for thirty years. He shouted and chewed bottle tops or kettle lids. Right at the moment, a testimony came to my mind; it was that even people with mental disorders, the demon-possessed, and even dogs barking loudly were afraid of the picture of Senior Pastor.

I entered the retaining cell to meet him with Senior Pastor’s picture. He had been shouting and moving violently before I entered. But as I expected, when he saw the picture,

he could not look straight in the eyes in the picture and tried to avoid it. He went to the corner of the room and tried to hide himself. I preached the Word of God, hugged him, and prayed for him with tears. I treated him with the Lord’s love. He eventually changed and sent a letter to me from prison.

His letter read, “I used to be bound by a chain of sin for thirty years. I give thanks to God who broke the chain. I was so much blessed through the book *Tasting Eternal Life before Death* which you had given to me. I gave the book to other prisoners, and they read the book and received comfort from

God.” When I read the letter, I burst into tears.

In 2016, a report was received. It was about a woman who lived in a house that had been empty for ten years. She would set the house on fire and threaten neighbors. I first reported this case to my head office so that the woman could receive financial and administrative assistance. I also went to her and prayed for her with the handkerchief on which Senior Pastor had prayed (Acts 19:11-12). I also gave Senior Pastor’s testimonial memoirs and bought meals for her. I took care of her both spiritually and financially. Brother Pablo and his grandmother

Sister Eva Cunyana, Peru Manmin Church in seven months, she finally returned to normal. Now she is living a normal life. Hallelujah!

Through these incidents, I felt the existence of the spiritual world. I was also convinced that even people who seem impossible to be renewed can be changed by the love and grace of God and the shepherd’s power. My job is a bit hard, but the Word of God is a lamp to my feet and a light to my path. I have experienced the shepherd’s power and happily fulfilled my duties.

I give all thanks and glory to God who has let me realize true goodness and love and put me in His guidance.

## “My Grandson Was Healed of Hemophilia!”

My 9-year-old grandson, Pablo Sales was diagnosed with hemophilia.

It is a disorder that impairs the body’s ability to make blood clots to stop bleeding. It is caused due to lack of clotting factors.

One day, Pablo hurt his arm in a bike accident. I was really worried because bleeding caused by broken veins and capillaries could cause him to lose his arm. Thankfully, God protected him in the accident. But we were always afraid that he might lose a body part or die once he started to bleed. We could not live in peace due to such fear.

In July 2016 Rev. Heesun Lee, Manmin World Guidance Pastor, visited Peru Manmin Church to lead its 10th anniversary service and a healing meeting with the handkerchief on which Senior Pastor Dr. Jaerock Lee had

prayed (Acts 19:11-12). We had witnessed many people experiencing healing through the handkerchief prayer. Pablo and I attended the meeting with longing.

I had earnest longing because Pablo had received a serious injury to his leg around that time. He received the handkerchief prayer and we went back home. He was doing fine as if nothing had happened. Next day, I checked his legs. A severe bruise he had had was gone, and the symptoms caused by lack of clotting factors all disappeared. He was completely healed of hemophilia. Hallelujah!

When my grandson experienced the power himself, my faith increased more and I became really happy. My family became evangelized through Pablo’s healing. I give all thanks and glory to God.
