## “The Powerful Works Transcending Space and Time Overflowed!”

### Manmin Summer Retreat 2017 on GCN and the Internet

A host of people in many countries around the world joined Manmin Summer Retreat 2017 via the Internet and GCN.

After Dr. Jaerock Lee's prayer during the retreat, Deaconess Naomi Ancero, age 42 and Sister Emmanuel Zafra, 27, from Cebu Manmin Church in the Philippines recovered better eyesight, and Brother John Louise Ancero, 15, came to walk though he had not been able to even stand up. Sister Helen Ysmael, 62, from Manila Manmin Church was healed of a rash and itchy sensation caused by allergy to fish.

People from Nairobi Manmin Holiness Church in Kenya were also healed of many diseases. Sister Ibone Odehuso, 27, suffered from difficulty in breathing due to a sinus infection, but after Dr. Lee's prayer, she came to breathe comfortably. Sister Jedida Wanziru, 19, was set free from gastrodynia, and Sister Crystal Naburin, 34, from headache and backache.

Sister Ratre, 33, from Chiang Rai Manmin Church in Thailand was healed of the aftereffects of neural damage on the back of her

ears.

Brother Mafutu Malanga Chrispin, 63, from Kinshasa Manmin Church of DR Congo could not walk well due to pain in his knees, but came to walk well right after receiving Dr. Lee's prayer via GCN during the retreat.

#### Powerful Works Transcending Space and Time Occurred at Every Corner of the World

The manifestation of works transcending space and time is recorded in several parts of the Bible. In Matthew 8, a centurion implored Jesus to heal his servant who was lying paralyzed at home. Jesus said, "I will come and heal him," but the centurion said to Him, "Lord, I am not worthy for You to come under my roof, but just say the word, and my servant will be healed." His confession showed his amazing faith that his servant would be healed just by Jesus' word. Jesus marveled at his word and said, "Go; it shall be done for you as you have believed." His servant was immediately healed.

In Latvia, Sister Inga Mauriņa Jurkjāne, 31, participated in

Manmin Summer Retreat 2017 via a video conferencing system. She was born deaf but came to hear through her right ear after the prayer.

Sister Carolyn Guan Ai Chze, 27, and Carol Guan Ai Zhen, 33, from Singapore Manmin Church were healed of difficulty in breathing and knee pain respectively. Also, many Nepal Manmin Church members were set free from various diseases after they participated via GCN broadcasting. In this retreat, a great number of people from every corner of the world experienced the living God through the powerful works transcending space and time (More on pages 3 and 4).

#### Experiencing the Spiritual World, Answers, and Blessings

Many participants experienced the spiritual world, which brought them an opportunity to renew their hearts. Sister Veronica Feguilo Goh Shxu Shzuan, 22, from Malaysia used to live with darkness and fear in heart but she said that fear had departed from her and she was strengthened after

the prayer on GCN.

Sister Foong Ming Enn, 38, from Malaysia saw dark shadows and fog inside her head disappear when she received the prayer. Afterwards, negative thoughts that were lingering in her head were also gone. Brother Tugussaihan Demchig, 49, from Mongolia Manmin Church felt something climbing up his body from his waist and coming out through his neck. Then, he was given strength to live by the Word and is now able to lead a happy Christian life.

Many others also received great blessings. Deacon Alfani Rachidi Kayembe, 59, from Kinshasa Manmin Church, was promoted to the head of the Police Planning Department after he received the prayer transcending space and time. He said, "I had not been promoted for several years because my superiors disrupted advancement. But it was overcome and I finally received the answer in this summer retreat. I am so happy!"

Let's give all thanks and glory to God who showed healing works, changes, blessing, and happiness transcending space and time.

Senior Pastor Dr. Jaerock Lee

“Fixing our eyes on Jesus, the author and perfecter of faith, who for the joy set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God” (Hebrews 12:2).

Jesus shed many tears because of overflowing love in His heart. It was the love for souls and for God the Father. We should understand the meaning of ‘the tears of the Lord’ and feel His rich love dissolved in His tears. Let’s take a look at the three meanings of these tears.

### First, His Tears Are for the Salvation of Souls.

Jesus came to this earth to become the Savior. Though He was one with God, Jesus left this glory behind and put on a human body. He came down for souls who would be subject to eternal punishment of death due to their sins. It was to lead them out of the horrors of hell into the beautiful heaven. He preached about Heaven and manifested signs and wonders.

He did it so that souls could realize Jesus is the Son of God and the Christ if they had even the least bit of goodness in their hearts. But many souls didn’t believe Him. They rather showed enmity toward Him. They even considered Him crazy. The relatives of Jesus didn’t believe Jesus, either. They rather believed the rumors of people and tried to stop Jesus.

The lawyers and Pharisees condemned Jesus when Jesus healed sick people on the Sabbath day. When Jesus cast out demons from people, they mocked Jesus and said He did it only by the ruler of the demons.

Jesus put on the same form of the souls for the sole purpose of saving sinners, but people didn’t recognize who Jesus was. When people gathered around Jesus to listen to the heavenly gospel Jesus preached, lawyers and scribes watched Him with the eyes of jealousy. More people followed Jesus as He manifested great signs and wonders, and the Pharisees and the high priests conspired to kill Jesus.

Jesus Himself saw, heard, and felt the heart of these evil people. He prayed to God in tears. He wished that not only those who followed and accepted Him could reach salvation, but also those who rejected, judged and condemned Him. The tears of Jesus were the heart of Jesus who wanted the salvation of souls.

### Secondly, His Tears Are for the Change of Souls.

In the days of Jesus, many people couldn’t understand the spiritual message as they were blinded by fleshly thoughts. When Jesus said, “I am the bread that came down out of heaven,” as in John Chapter 6, even among those who followed Jesus some grumbled and said, “This is a difficult statement; who can listen to it and understand?” And, many of them left Jesus.

There were also many people who couldn’t understand the providence of God because of their self-righteousness and frameworks. In Matthew Chapter 15, the Pharisees and scribes watched Jesus’ every move and tried to find something to accuse Jesus of. When they found something that was not consistent with their self-righteousness and frameworks, they argued with Jesus. Instead of rebuking their obstinacy, however, Jesus helped them understand it by using figures of speech. During His public ministry, Jesus preached with various examples and figures of speech and parables so that the Pharisees and scribes could also understand the good will of God.

In addition, Jesus prayed with love for His disciples who were

with Him all the time. Jesus thought of His disciples who would be left after His crucifixion, and He wished that they might manage their duties well and live together with Him in Heaven forever. He thought of each and every one of them, and prayed to God to take care of them. The tearful prayer that Jesus made for His disciples worked as great strength to His disciples.

Apostle Paul said in Romans 8:35-37, “Who will separate us from the love of Christ? Will tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Just as it is written, ‘For Your sake we are being put to death all day long; we were considered as sheep to be slaughtered.’ But in all these things we overwhelmingly conquer through Him who loved us.” All of the disciples of the Lord, including Matthias who replaced Judas Iscariot, were honored to have names imprinted on the 12 foundation stones of New Jerusalem.

### The Tears of the Lord Are, Thirdly, the Tears for the Glory of God.

When Jesus put on the flesh and came down to this earth, people didn’t seek God, but became the slaves to the enemy devil and Satan. Although God is the only One who is worthy to be praised by people, they worshiped meaningless idols. Yet, Jesus lived the life of glorifying only God. By showing the omnipotence of God, Jesus lifted the name of God on high.

When Jesus was told that Lazarus was sick, as recorded in John Chapter 11, He said in verse 4, “This sickness is not to end in death, but for the glory of God, so that the Son of God may be glorified by it.” Eventually Jesus revived Lazarus who had been dead for four days. Thanks to this work, the glory of God was greatly revealed, and many people started to believe in Jesus. Moreover, He enabled the mute to speak, the lame to walk, and He restored

the crippled. He let the blind see, cast out demons, and cleansed the lepers.

The reason Jesus showed these signs was that He wanted people to give glory to God. He wanted people to believe that God is great and that there is nothing impossible for Him. He wanted them to know that God is the One true and only God, so that people could worship and praise only God.

It is the same reason that God gives us answers when we pray in the name of Jesus Christ. In John 14:13 Jesus said, “Whatever you ask in My name, that will I do, so that the Father may be glorified in the Son.”

Jesus’ suffering on the cross was also for the glory of God. Only when Jesus became the atoning sacrifice for sinners could countless souls be forgiven and become the children of God. As Jesus died He expected how pleased God would be when God gained countless children. Such a heart of Jesus was well recorded in Jesus’ prayer that He gave to the Father on the day He was arrested. Jesus prayed in John 17:4-5, “I glorified You on the earth, having accomplished the work which You have given Me to do. Now, Father, glorify Me together with Yourself, with the glory which I had with You before the world was.”

As you can see, Jesus lived His life only for the glory of God, and He died for the glory of God. Though He shed many tears while living on this earth, the fruit of His tears is so great. So many children of God have been born, and God has been and will be glorified through them forever.

Dear brothers and sisters in Christ, the tears that the Lord shed were the tears of love and the evidence of His sacrifice for souls. You are the fruits borne by the tears of the Lord (Psalm 126:5-6). I pray in the name of the Lord you will glorify God by bearing all the better and more beautiful fruits.

**“In Nepal, we felt like we were at the retreat venue, and healing and blessings overflowed!”**

Nepal Manmin Church members joined Manmin Summer Retreat 2017 via GCN live broadcasting. They experienced amazing works of the Holy Spirit transcending space and time.

Brother Sanu Lana, 52, was set free from a serious headache and joy came upon him. Sister Rita Bhujel, 28, was freed from pain in her left leg that had been previously injured, and Brother Ramji Sunar, 14, was relieved of pain in his left ankle that had troubled him for a month. He now also likes going to church. He said he learned about God while reading *The Message of the Cross*.

Sister Deborah Chaudari, 29, had difficulty in breathing and walking due to chest pain, but after the prayer, she was relieved of the pain, was able to walk well, and even received healing of chronic indigestion. Sister Hanna Sunar, 43, suffered from

difficulty in breathing due to thyroiditis and suffered from arthritis and sometimes had pain all over her body. After receiving the prayer, the pain disappeared and she could breathe normally.

Deaconess Jyoti Maharjan, 39, had pain in her right shin and foot, which caused her to have difficulty walking. But after the prayer all the pain vanished and was also able to walk normally. Brother Aaite Shing Waiba, 84, suffered from edema of his legs and lips and mouth dryness for six months, but after the prayer the swelling subsided and dryness of his lips and mouth was gone.

Sister Namrata Bogati, 57, had poor eyesight in both eyes and suffered from nasal congestion for 15 years. But after the prayer, her eyesight improved and her stuffy nose was relieved.

Sister Neha Thapa Magat, 10, was set free from pain in her left ear and in her earlobe caused by burns; Sister Sudikshya Rai, 14, from toothache, Sister Kanchimaya Rumba, 39, from eye pain, and Sister Hira K.C, 49, from pain in her mouth.

Sister Asmita Silwal, 33, came to have stronger faith in the living God, and her husband grew in faith enough to keep the Sabbath. Her mother, Sita Sen, fell from a big tree and had her ribs and

sternum fractured. She stayed in hospital but after the prayer, her symptoms improved and she could leave hospital five days later. She joined in the retreat, and her pain was dramatically relieved and she could sleep well while lying down.

Brother Ram Bhahadur Rumba, 47, was strongly urged by his wife to attend Campfire Praise and Worship, and he received great grace. In the Holy Spirit’s fullness, he confessed that he felt like he was in Heaven and did not want to go home. Sister Kunti Magar, 47, said she was in sorrow and pain but after she met Dr. Lee, she learned about the will of God and her life changed. Sister Ngimdhani Tao, 39, expressed her joy saying she received the grace of repentance for the first time while singing the song ‘Amazing Grace’.

Brother Aman Shrestha, 19, was touched by the love of the shepherd who was leading Campfire Praise and Worship. He was determined to renew himself and become filled with faith. Sister Sarita Lo, 32, suffered from many life problems before going to Nepal Manmin Church. She said, “I was starving because I had no food to eat, but after going to church I received blessing and now we have enough food and I can even afford to send my kids to school. In addition, after I received the prayer during the retreat, chronic abdominal pain was gone.”

**The temperature was set at 25 or 26 degrees Celsius, and Japanese members were protected from the typhoon**

On August 6, 2017, the day prior to the retreat, Senior Pastor Dr. Jaerock Lee said that the temperature would be fixed at 25 or 26 degrees Celsius during the retreat. As he said, it stayed at 25 to 26 degrees Celsius in the retreat venue in Deogyusan Resort, Muju. This wonder that controls the temperature occurred in overseas branches as well and the church members shared the spiritual space.

It was 25 to 26 degrees Celsius around Mongolia Manmin Church when they joined the retreat via GCN live broadcasting. In Madurai, it was 32 degrees Celsius but one day before the retreat there was a shower and it caused the

temperature to drop to 26 degrees when the Madurai Manmin Church members gathered for the retreat. During the Campfire Praise and Worship, a cool breeze blew and the temperature held at 26 degrees. The members of Kinshasa Manmin Church in DR Congo (photo above) watched the recorded video of the retreat through GCN. While they were watching the Campfire Praise and Worship, it was 25 degrees Celsius though it was usually 30 to 33 degrees during the day. Many Manmin members around the world experienced the work of a controlled temperature.

A few days before the retreat, the members in Japan heard that Typhoon Noru, the season’s fifth

typhoon, was forecast to land on Kyushu on August 6 and head for Tokyo on August 7. They sent a prayer request to the main church. During the Sunday Morning Service on August 6, Dr. Lee prayed so that they could come to Korea. Then, the power of the typhoon weakened and it soon dissipated. They were able to come to Korea with no problem. The forty-seven pastors and members experienced the power of the Holy Spirit again.

**“After receiving the prayer via GCN, I had a dream of healing and became healthy!”**

**Deaconess Maria, 45, from Chennai Manmin Church, India,** often felt sick and her body felt hot. For the past two years she felt pain when somebody just touched her knee due to arthritis. This year, she participated in the retreat via GCN live broadcasting. When she received Dr. Lee’s prayer, she felt like someone poured cool water upon her three times. The coolness came into her body and heart.

Back at home, she went to bed and had a mysterious dream that night. She was in the water, but the water suddenly disappeared. And a cat came out from her lower abdomen and a bat from her upper abdomen. Then, a big tiger came out from her chest and said to her, “I need you.” Then, a Korean woman said, “Maria has been saved at the price of the Lord’s blood.” The tiger first burst into anger, but

when the woman said that Maria was a sheep of the shepherd, it ran away. Afterwards, she was freed from all pains over her body and was healed of knee arthritis. She became healthy.

**Sister Boocher, 19, from Chiang Rai Manmin Church** had severe stomachache for the three weeks prior to the retreat. She heard in the hospital that her appendix had burst and it led to peritonitis. She had surgery but there was a problem disinfecting the wound, which formed an abscess.

She attended the retreat on GCN, and received the prayer. That night, she had a dream where Dr. Lee laid his hand on her head. She became assured of healing, and the medical test result showed that the abscess was gone.

## “I was healed of 25 years of diabetes and its complications!”

Deaconess Rebecca, age 47, Chennai Manmin Church, India

Three years ago, I couldn't keep myself steady because of high blood pressure and diabetic complications. My blood sugar level went up to over 600. I ended up staying in the hospital. It was getting worse and worse over time, and I even came down with a rare disease causing the deterioration of my right lens and I finally lost vision in the eye.

However, I received the prayer of Senior Pastor Dr. Jaerock Lee via GCN during the worship services, and the symptoms improved. Pastor

Joseph Han, my church members, and my family prayed for me in intercession, and I was recovering health.

Meantime, in July 2017, I offered up one-day fasting and prayer to receive complete healing before the retreat. But, the level of my blood sugar rose and I couldn't sleep well for three weeks due to nausea. I could not even walk. Nevertheless, I believed God would answer my prayer and I overcame it!

My second son was able to attend Manmin Summer Retreat

by the invitation of Manmin World Guidance Pastor Rev. Heesun Lee because it was given to him as a prize for his attending Special Daniel Prayer Meeting.

On August 6, Sunday morning, he received the prayer from Senior Pastor in Korea. Right at the moment, a miracle happened to me in India. My body was suddenly strengthened and I was able to move. My body felt free and lightened. I regained strength and went to church. On that night, I even volunteered for the work of

mailing *Manmin News* in Tamil.

On August 7, the first day of the retreat, I received Senior Pastor's prayer via GCN live broadcasting. Then, I felt something come out from my abdomen. Afterwards, all pains were gone, and I became filled with the Holy Spirit. Back at home, I slept well. Hallelujah!

I was set free from diabetes that had troubled me for 25 years. I feel like I was born again. I give thanks to the God of love for leading me to the way of answers and blessings and solving all my problems.

## “I am happy to be able to run!”

Brother Daniel Bren, age 18, Nairobi Manmin Holiness Church, Kenya

I had heart problems from very early childhood. I felt pain when I walked or ran fast. I could not walk and run as much as I wanted. On August 7, however, changes happened to me after I attended the retreat 2017 through GCN.

After Senior Pastor finished the seminar, repentance praise

and prayer followed. I thoroughly repented that I had repeatedly committed sin even after repentance although I had been a Christian. I also repented of my arrogance, self-centered actions, and ill feelings.

Then, Senior Pastor prayed for us. During his prayer, my legs began to shake and sway and I felt

something coming out through my legs. Afterwards, I felt so good and free.

The next day, when I went to church for the retreat, the weather was so cool. Suddenly, I wanted to run and began running. Amazingly, I had no pain at all in my chest. I was awe-stuck and tried walking

really fast. No pain at all again. I was set free from chest pain that had troubled me. Hallelujah!

I give thanks to God for giving me grace to repent although I had not lived by the will of God and committed sins repeatedly and for bringing healing and renewing works to me.

## “I was immediately healed of scoliosis lingering for 5 years!”

Sister Josephine Adorable, age 26, Manila Manmin Church, the Philippines

For the past five years I have had serious pain in my back due to scoliosis, so when I stood up or stayed seated for a long time I was in pain. It was especially severer in the workplace where I had to be seated all day. I would feel tension on my back so I beat my back often with my fist,

twisted my back, or changed my posture to ease the tension I was feeling. I wanted to be healed of it with faith in the Lord. I prayed to God and I didn't take any medicine or receive medical treatment.

I was longing for the summer retreat 2017 all the more due to this problem. On

the first day, I went to my church to attend the retreat through GCN with my church members. I was so happy and full of expectation.

When Senior Pastor prayed for the sick after the seminar, I felt a gentle touch on my back and felt comfortable. Afterwards, I had no pain at

all in my back. Moreover, I had to stay seated for more than four hours to translate the English broadcasting of the retreat into Tagalog, but I had no problem at all.

I give all thanks to the Lord who allowed me to meet the good God and gave me healing and answers.

Before the prayer, scoliosis with a 5 degree curve
