## Holy Spirit's Fiery Works Were Manifested in Singapore, Malaysia, and Indonesia

After the Lord's resurrection and ascension, His disciples received the Holy Spirit and then the power of God. The acts of the apostles are well-recorded in the New Testament. Among many of their powerful works, God performed extraordinary miracles by the hands of Apostle Paul in Acts 19:11-12; that is, handkerchiefs or aprons were carried from his body to the sick, and the diseases left them and the evil spirits went out.

Even today, amazing works of the Holy Spirit have been happening all around the world through the handkerchief on which Senior Pastor Dr. Jaerock Lee prayed and the works have demonstrated the authenticity of the Bible and the living God. Recently, Rev. Dr. Heesun Lee, Manmin World Guidance Pastor, led handkerchief healing meetings in Singapore, Malaysia, and Indonesia.

On April 8, the first meeting was conducted in Singapore Manmin Church. The church had its 6th anniversary service and then the handkerchief healing meeting. It was attended by a great number of people who had joined the Manmin's worship services in other areas in Malaysia as well as the members of Singapore Manmin Church. She delivered the message entitled "Spiritual Deeds" based on James 2:22 and prayed for

the sick with the handkerchief of power. After the prayer, a member who had not been able to hear for several years due to eardrum rupture came to hear and a five-year-old boy who had been mute came to speak. There were many other people who were healed of their diseases including Parkinson's disease, thyroid inflammation, 'floaters' in the eye, and frozen shoulder.

On April 11, another handkerchief healing meeting was held in Penang Manmin Church for the Deaf in Malaysia, and deaf members in twelve countries including Thailand, Denmark, France, Germany, and Australia joined the meeting via the Internet real-time video system. Rev. Lee preached the message of "The Heart of Goodness" taken from 1 Thessalonians 5:21-23 and led praises

to God. The members offered up their hearts with sign language and dance. When she prayed for the sick with the handkerchief, 35 deaf people came before the altar and testified they were able to discern sound. There were also many people who were healed of such things as paralysis of the left side of the body, atopic dermatitis over the whole body, lupus erythematosus, difficulty in breathing, urinary incontinence, and nasal allergy.

On April 14, Rev. Lee led a handkerchief healing meeting in the hall of Bethel Church in Indonesia. She proclaimed about "Spiritual Faith and Fleshly Faith" based on Hebrews 11:1-3 and helped the people praise God in fullness of the Spirit and repent. Then, she prayed for the sick and amazing healing works occurred.

Many people were healed of breast cancer, uterine cancer, blood cancer, diabetes, aftereffects of stroke, and poor eyesight.

On April 15, Rev. Lee was invited to Hosanna Narada Church. Pastor Dhany Satrianto who ministers to the church had visited Manmin Central Church in 2017 with pastors that belongs to the same church body and received much grace. At their earnest request this meeting was held. Rev. Lee delivered the message with the title of "Blessing for Walking in the Light" (1 John 1:5-7) and prayed for the sick with the handkerchief. People in attendance were healed of breast tumor, kidney disease, urate stone, cerebral infarction, aftereffects of stroke, and bad eyesight.

On April 16, she led the Holy Spirit's Fullness Prayer Meeting in Manmin Church Tangerang. She preached the message entitled "Trust" taken from 2 Chronicles 20:20 and led praise and repentance. When she prayed with the handkerchief, people stood up from their wheelchairs, walked and jumped, and many diseases were cured.

Let's give all thanks and glory to the living God who has been leading countless people by the works of the Holy Spirit like those recorded in the Acts of Apostles at this end time full of sin and evil.

*"I Was Impressed with Manmin's Ministry That Glorifies Only God!"*

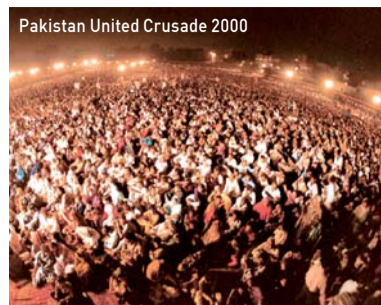

I felt the presence of God in the handkerchief healing meeting. When Rev. Heesun Lee prayed for the sick with the handkerchief Dr. Jaerock Lee had prayed on, many people were healed of their diseases. I would like to keep working together with Manmin Central Church and hope more of my church members will experience the power of God. I give thanks for the ministry of Manmin that glorifies God.

# Power Belongs to God

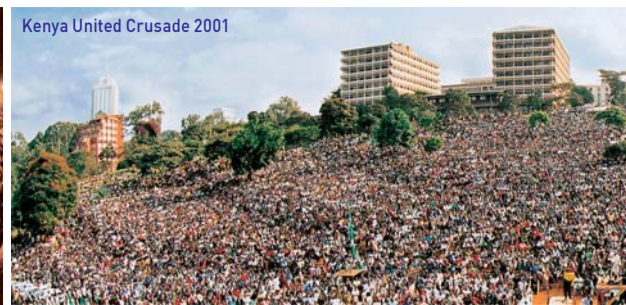

“Once God has spoken; twice I have heard this: that power belongs to God” (Psalm 62:11).

Uganda Holy Gospel Crusade 2000 reported by CNN

Pakistan United Crusade 2000

Kenya United Crusade 2001

When God shows a powerful work, the fruit is always of goodness; it leads souls to salvation and it glorifies God. Satan never emulates the manifestation of God’s power which controls the life, death, fortune, and misfortune of all men and that is able to create things from nothing, no matter how hard it tries to tempt people to stand against God. Let’s now delve into the power that belongs to God and how we can discern it.

## 1. Proof of the power that belongs to God

Power refers to the purposed, dignified, and glorious power of God. By power God can do things that men cannot do and there is nothing impossible for Him. That is why one who has received this power from God is able to manifest signs, wonders, extraordinary and marvelous works according to the level of power given to him.

### 1) A sign: the manifestation of God’s power

Signs refer to the cases in which God’s power is manifested transcending the limits of man. The examples of signs are as follows: the blind are given sight; the mute come to speak; the deaf to hear; and the lame to walk. It includes a shorter leg being lengthened to match the other and aftereffects of polio and cerebral palsy becoming normal.

To manifest such signs, one must receive the power to affect such miracles. It is different from the gift of healing. The gift of healing is the healing of bacterial or viral diseases which can be medically cured like cancers and lung diseases. But this effecting of miracles refers to healing people who cannot be treated with human ability and medical science. They are cured only by the power of God.

Suppose a person was diagnosed with late-stage of cancer and told that he would not have many days to live. He or his family, must cling to God with love, thoroughly repent, and destroy the walls of sin. They should also show such faith as is pleasing to God. Then the healing work can happen by the hand of a person who performs God’s power.

This effecting of miracles is sometimes given as a gift or happens through the power of spiritual love and a righteous man’s prayer. But the perfected case of the effecting of miracles is when one receives the power from God by casting off every form of evil, being sanctified and praying fervently. It is the kind of effecting of miracles performed with sincere heart, and this effecting of miracles at the level of God’s power can be consistently used to glorify Him until the Lord comes back.

### 2) Wonders: control of aerial/meteorological phenomena

A ‘wonder’ refers to God the Creator’s work controlling aerial/meteorological phenomena. It includes moving heavenly bodies including stars in the space and controlling meteorological phenomena such as snow, rain, wind, clouds, temperature, and

atmospheric pressure.

When Samuel prayed, God sent thunder and rain (1 Samuel 12:18). Isaiah the prophet cried to God, and He brought the shadow on the stairway back ten steps (2 Kings 20:11). When Elijah prayed, there was no rain for three and a half years, and when he prayed again, it rained (1 Kings 17-18; James 5:17-18). Here, moving the sun, the moon, or stars goes beyond the natural law. It can be done only under the appropriate conditions and moment. Thus, no matter how great the power one may have, a person must not stop the sun or the moon by his own desire. If he has such great power, he must be a person who understands God’s heart and will. So, he would never try to manifest such power arbitrarily.

### 3) Extraordinary miracles and remarkable things

In the Bible, extraordinary miracles appear in Acts 19:11-12. It reads, “God was performing extraordinary miracles by the hands of Paul, so that handkerchiefs or aprons were even carried from his body to the sick, and the diseases left them and the evil spirits went out.” The examples of remarkable things are the Ten Plagues that fell upon Egypt through Moses and the healing of a paralytic man (Luke 5:17-26). These extraordinary miracles and remarkable things can be manifested in various forms and ways through the power of God.

In our church, many people have been healed of various diseases. Those who could not walk came to walk and jump; evil spirits went out, and people recovered eyesight and hearing ability through the prayer of handkerchief. Through such amazing works, countless people have accepted the Lord, and glorified the living God (Relevant testimonies on pages 1 and 4).

## 2. The evidences that power belongs to God

### 1) The power of God controls life and death of men.

Life, death, fortune, and misfortune are in the control of God. Thus, if one revives another from the dead, it is definitely a work of God. Elijah brought the son of a woman in Zarephath back to life (1 Kings 17:17-24). Elisha revived the son of Shunammite woman (2 Kings 4:32-37). When Apostle Peter said, “Tabitha, arise,” although she

had been dead, she opened her eyes, and she saw him and sat up (Acts 9:40). Apostle Paul revived Eutychus who fell down from the third floor and died (Acts 20:9-12). When Lazarus had been dead four days, Jesus cried out before his tomb, "Lazarus, come forth." Then, the man who had died came forth, bound hand and foot with wrappings (John 11:43-44).

Upon Peter's curse, Ananias and Sapphira died (Acts 5:1-11), a fig tree that bore no fruit withered at Jesus' word (Matthew 21:19). At Elisha's curse, 42 young lads were mauled by two female bears (2 Kings 2:23-24). If one with the power of God curses somebody, the curse falls upon the person as it is. These powerful works related to life and death can be manifested only through God's power.

**2) The power of God is capable of reviving dead cells and nerves.**

More specifically speaking of the power of God that controls life and death, it also revives dead nerves and cells.

In John 9, Jesus opened the eyes of a man born blind. He restored vision to the eyes of several blind people and hearing to the ears of those who were deaf. Such works were never performed by men of God or Jesus' disciples in

the Old Testament and the New Testament times. It was only Jesus who performed such power.

Senior Deaconess Eundek Kim, who passed away at the age of 92, accidentally had boiling water from a big caldron poured over her body. She was scalded with third-degree burns, and it was impossible for her to be medically treated and had virtually no chance of surviving it. But she received my prayer, and the latent heat was gone. She received my prayer every day and skin was restored and blood vessels were newly formed. The cells that were completely dead became scabs covering her body like the bark of a tree, and on the parts where the scabs fell off, new flesh developed. This process repeated several times, and her body that had been impossible to be restored, was completely healed just within three months. The God of love restored her skin like that of normal people without any scars.

**3) The power of God brings about the work of creation.**

As God created heavens, the earth, and all things in them by His Word, the work of creation can happen by the

words of those who receive God's power. The work of creation includes the cases like new bones or organs being created and shortened limbs being lengthened. Such works being created from nothing are examples of this power.

In 1 Kings 17:8-16, the widow in Zarephath who provided food for Elijah received the blessing that 'the bowl of flour was not exhausted and the jar of oil did not become empty'; when Elisha blessed, all vessels were filled with oil (2 Kings 4:1-7); and Jesus performed the miracle of five loaves of bread and two fish (Matthew 14:15-21). These works of creation happened just by words. In the same manner, Jesus' healing a centurion's servant only with His word is included in this work of creation by words transcending space and time (Matthew 8:5-13).

**3. Those who perform this power proves the power comes from God**

If one manifests works of creation controlling life and death and doing things that only God the Creator can do, it proves he is a man of God. In the Bible, people who had good hearts and became sanctified performed this power of God.

The examples of such people include Moses, who was very humble, more than any man on the face of the earth and he was faithful in all God's household; his successor, Joshua; Elijah, who was taken up alive to heaven, and his disciple Elisha; Deacon Stephen, who showed the highest level of goodness by praying with love for those who were stoning him, and Apostle Paul.

God does not hear sinners; but if anyone is God-fearing and does His will, He hears him. (John 9:31; Psalm 66:18). If we have a wall of sins before God, however, we cannot have confidence before God and cannot receive answers to our heart's desire from God. Moreover, if a person who received the power made walls of sins against God, he would not be able to confidently ask before God and God would not answer his prayer.

If one performs with this power that belongs to God, it affirms that he is of God and God acknowledges him.

If you see powerful works that can't be done by human capacity, you should realize the works are those of God and the proof of God's presence. Therefore, when you see someone perform the power of God, you should believe him because of the powerful works he has done. And even if you can't believe him, believe the works he performs (John 14:11).

Dear brothers and sisters in Christ, power belongs to God, and there have been so many manifestations of power in this church for the last 36 years and the glorification of God through them. With those works, we have proclaimed God the Creator and delivered the gospel of Jesus Christ and the works of the Holy Spirit to the end of the earth.

I pray in the name of the Lord that powerful works will be manifested through you who become sanctified and long for those works.

## “The word of life changed my life and filled me with true joy!”

Deacon Kwanhong Park, age 49, Parish 32, Manmin Central Church

In 2010, I was serving a Christian mission organization transcending denominations and a church as a pastor. One day, my wife Deaconess Sungwon Chun gave a binder of sermon texts to me.

She had studied the Book of Revelation and wondered about the twelve foundation stones. She looked the information up online and found Senior Pastor Dr. Jaerock Lee's lectures on Revelation. Her question was answered through the lectures, and she began to listen to his other sermons. She even bound the sermon scripts together and studied it. What she gave me was the binder.

I read the sermon texts such as Lectures on Genesis, Lectures on Revelation, Lectures on John, and The Measure of Faith. The questions I had had on the garden of Eden and UFO were also answered. I was impressed with the explanation on different measures of faith that each person has based on Romans 12:3. The fact that we go to different heavenly dwelling places according to the measure of faith and the detailed description on heaven and hell amazed me and deeply touched my heart.

**I might seem to live a godly life, but I myself was distressed due to problems of sin. I had just kept repenting, and my heart had not been circumcised despite much knowledge on the Word. However, Dr. Lee said that we can cast off even those sinful natures. It shocked me a lot and gave me great hope. People pretend to live a godly life masking their evils and try to be clean on the outside. But I felt that he is so sincere and honest that he does not hide anything at all.**

Two years later, my wife even had a dream in which Dr. Lee appeared and solved her problem. She said that she had realized the meaning of the Scripture Matthew 7:21 that says, “Not everyone who says to Me, ‘Lord,

Lord,’ will enter the kingdom of heaven, but he who does the will of My Father who is in heaven will enter.” She suggested we go to Manmin Central Church now.

I was worried about going because my ministry was stable at that time. While praying about it, I felt peace and heard the word of the Holy Spirit telling me to go and it would be okay. I laid aside everything and registered in Manmin as a layman member with my wife in January 2013.

When I saw the church members personally, their faith was really great. They were praying every night and trying all their best to live by the Word of God. Their faith was more fervent than any pastor in other churches.

I thought even my faith had not reached the layman members' level although I had taught the Word of God to believers. I decided to have a humble heart as if I started my believing life and tried to obey the Word. In 2014, I entered Shalom Choir with my wife.

Since I became a member of Manmin, peaceful joy has been given by the Holy Spirit and my heart has been full. My anger had often arisen due to my self-righteousness and self-framework but now I felt it reducing. My wife also became nicer. I had not been certain if I could cast off my sin before although 1 Peter 1:16 clearly says, “You shall be holy, for I am holy” and 2 Peter 1:4 also says, “You may become partakers of the divine nature.” But as I unceasingly prayed in reliance of the Holy Spirit holding on the word of life, my heart began to be renewed.

In November 2016, I even experienced God's special protection. While I was driving in the expressway, the car next to mine ran over a L-shaped iron and it was about to strike my windshield. But I was kept safe.

God guided me to Manmin Central Church and I believe I can achieve the heart of the Lord by the word of life. I give all thanks and glory to Him.
