Love for God, the Lord, and the Souls In Manmin's Ministry

"I believe that the plan of God for Manmin will be greatly achieved!"

Pastor Daniel Matiash, King of Glory Church, Haifa, Israel

In 2005, I learned about Dr. Jaerock Lee's ministry through the vision trip team from Manmin Central Church. When I watched the DVD titled "Power" that shows his ministry, I was amazed. I hoped to join in his ministry. In October, I visited the church's 23rd anniversary service, and in July 2006, I attended his New York United Crusade. I listened to his message full of life and witnessed powerful works that healed countless people.

In October 2006, Dr. Lee heard that people in Israel could not watch Christian TV channels because they did not have necessary satellite dishes and receivers. He offered financial support for us and 360 households came to watch them. I saw him unsparingly and joyfully giving everything for the gospel to be spread, and I felt his heart and love for souls.

On July 25, 2007, Dr. Lee's 3-year Israeli ministry began in Nazareth. He went through many areas of Israel and proclaimed Jesus Christ with powerful works. We, Israeli pastors, were inspired by him and organized Crystal Forum. We have been united to spread the gospel. He knew how hard it was to perform the ministry in Israel and for more than 10 years, he has helped us both spiritually and financially.

In late 2007, my wife was diagnosed with the third stage of breast cancer. She had surgery, but she was still in great pain with anticancer therapy. The hospital said it would take long for her to recover, but she was quickly healed since Dr. Lee prayed for her every time he visited Israel. She is still in good health.

In September 2009, Crystal Forum hosted Israel United Crusade with Dr. Lee as the speaker in International Convention Center in Jerusalem, the capital city of Israel. He proclaimed God is the Creator and Jesus Christ is our only Savior. Many people in attendance were healed of their diseases and received answers to their hearts' desires. Since then, the Messianic Jews' churches have been experiencing revival.

"God let me find the word of life and powerful works as an answer to my prayer!"

Bishop Yuri Konovalov, Skydoor Church, Ukraine

I was in great frustration after the ministry group that I had passionately worked for fell apart. I prayed to meet a true spiritual leader. About that time I learned about Manmin. In September 2009, I heard from the pastors of Crystal Forum that the Israel United Crusade would be held, and I attended. I listened to Dr. Jaerock Lee's message filled with life and witnessed powerful works manifested through him. I was sure that he was God's answer to my prayer.

In May 2017, I visited Manmin Central Church. The church was full of God's amazing works and the Holy Spirit. The members prayed every night in church and sincerely loved God and the Lord, which I totally admired. When I saw Dr. Lee up close, I felt his great love for souls.

I am certain that the God of love let me find Manmin to console and bless people who were suffering both spirit and body in Ukraine. I hope that the holiness gospel will be spread all around Ukraine and bear great fruit. Hallelujah!

"I am leading a true believing life to meet and experience the Lord!"

Missionary Wong Ping Ping, Singapore Manmin Church

In 2007, I was working as a producer for Far East Broadcasting, Singapore. One day, my mother-in-law gave me Dr. Jaerock Lee's book *The Measure of Faith*. I was blessed so much reading it. I quickly devoured his books including his testimonial memoirs *Tasting Eternal Life before Death* and *The Message of the Cross*. I spread the gospel based on his message in my program.

In October 2007, I paid a visit to Manmin Central Church. Dr. Lee was very humble and gentle. When I looked around the beautiful church, I was sure that the church is my church that I would serve in the rest of my life.

In 2009, my youngest son had high fever for a long time when he was seven weeks old. The doctors doubted septicemia caused by urinary tract infection. His face turned pale and had jaundice. His belly was seriously swollen. However, we sent a prayer request to Dr. Lee and he was completely healed after Dr. Lee's prayer. Hallelujah!

Afterwards, I became Manmin's missionary, and in September 2012, I opened Singapore Manmin Church. Our members have met and experienced the living God through Dr. Lee's word of life and powerful prayer and they are living with hope for heaven.

In the previous edition, we talked about the first requirement to achieve a sincere heart. It is to achieve goodness which is ‘good’ in the sight of God. To do so, I told you we should reflect upon ourselves based on the truth and accomplish a broad heart that does not change in any kind of situation.

In this edition, we are going to delve into the second requirement to achieve a sincere heart: it is true love. Love may be the topic most frequently talked about even among people of the world. They talk about love and also ‘love’ someone in their own way. But only in the Word of God can true love be found, and the Word is the standard of love.

The emotion that people of the world call ‘love’ is mostly based on lust and self-centeredness. It is fleshly love that changes over time. However, true love belongs to God and lasts forever. It is spiritual love and is accompanied with deeds of faith and truth. 1 John 3:18 reads, “Little children, let us not love with word or with tongue, but in deed and truth.” What, then, should we do to achieve this true love?

1. We should sacrifice ourselves to the point of giving everything just as Jesus did.

1 Corinthians 13:4-7 says, “Love is patient, love is kind and is not jealous; love does not brag and is not arrogant, does not act unbecomingly; it does not seek its own, is not provoked, does not take into account a wrong suffered, does not rejoice in unrighteousness, but rejoices with the truth; bears all things, believes all things, hopes all things, endures all things.”

Spiritual love has no evil at all and it is flawless, spotless, and pure. It is to seek only others’ benefits. The ultimate level of spiritual love is to sacrifice oneself to the point of giving everything. That is, if you truly love someone, you can give even your life for him/her. In the same way, if you truly love the Lord, your love will never change. Furthermore, you will willingly accept martyrdom with thanks. If one can give up his/her life for the Lord out of love for Him, what else then is there he/she cannot give up for Him?

Many people say they have given their everything for the Lord, but in most cases they did not give all of their ‘self’. That is, they still keep the love for the world that the Lord hates. They also have their strong pride, so that they break peace with other people.

In 1969, there was a preliminary match between El Salvador and Honduras during the FIFA World Cup qualifier. After the match, a man committed suicide, and tensions were mounting in the two countries. Both countries had huge fans of soccer, so the match result

was closely associated with their national pride. Together with a dispute over their national border, the match led to a war. The Salvadoran military launched an attack against Honduras, and it claimed approximately 2,000 people’s lives. It was just barely ended by the help of other neighboring countries’ mediation.

This incident is called ‘The Football War’. It is an example showing that one’s pride can bring about a great disaster. Many people may think, ‘How could they cause a war just because of their pride?’ However, there are many people around us who are on bad terms with their parents or children, with their siblings, with their spouses, or with their neighbors or friends due to pride. They do not want to be the first to apologize, and some even refuse to accept other’s apologies.

After I met the Lord, I have loved God and the Lord foremost of all. My love for God is not even comparable with anything in the world. When I read the Bible telling us to do this and not to do that, I did not have any reason to hesitate to obey. No matter how much I liked something and how valuable something might have been to me, I cast it off or got rid of it if the Lord’s word said not to keep it.

I have not had any regret over it. I used to have strong pride, but because I love the Lord I could cast away everything that came from my strong ‘ego’. Thus, I did not have any conflict with anybody as well as with the Lord. There was no reason for peace to be broken. Just as I did, if you love the Lord, there is nothing you cannot cast away. If you can give even your life for the Lord, you will naturally be able to cast away every form of evil.

Mark 12:31 reads, “The second is this, ‘You shall love your neighbor as yourself.’ There is no other commandment greater than these.” If you love your neighbor as yourself, you can give everything to them. How much more, then, do you have to love your souls that God entrusted to you and give to them? I have loved the souls who have been entrusted to me by God, as I love myself. I have loved and cherished them more than myself. I have unsparingly given everything and even given myself to them without sparing.

I have prayed with tears for them, fasted for them, and offered up all my heart and body and even my life to lead them to New Jerusalem, the best dwelling place in heaven. I have unchangingly loved them in the sight of God in deed and truth.

True love is not about treating well only those who like you, but it is to love even those who do not like you.

Even evil people love those who like them and give thanks to them. Luke 6:32-33 reads, “If you love those who love you, what credit

“To achieve a sincere heart, you firstly have to achieve goodness that is recognized by God firstly. For this, you should reflect upon yourself with the truth and achieve a broad heart free from changing mind in any kind of situation. Secondly, you should sacrifice yourselves even to the point of giving everything and achieve true love that trusts and believes others”.

Excerpt from the Leadership Conference Seminar titled “A Sincere Heart and Perfect Faith”

is that to you? For even sinners love those who love them. If you do good to those who do good to you, what credit is that to you? For even sinners do the same.” If you accomplish true love in which you can give and sacrifice your everything, you will be able to love even those who hate you and to do good to those who do harm to you.

Giving only in your own limit is not giving everything. It is not sacrificing everything. Suppose you have enough money. You may help others. But it is not easy to do so when you yourself are in need.

Since the opening of the church, I have helped countless people in need. It is not because I had enough. Of course, God has given me so many blessings that I have not lacked anything, but I stayed frugal and saved money because I wanted to help more people. I saved money by buying less and not eating good and expensive food. I did not keep much money in my account, but I just gave it by faith to people in need. It is because I love them.

The reason I want to lead you to New Jerusalem by whatever it takes is also because I love you. If I want to go to New Jerusalem by myself, I do not have to take the way that is this hard. Of course, I took this way because I love God and the Lord. But another reason is, you. As long as I can lead you into New Jerusalem, I can give up everything and to that extent I love you. I will do so without any hesitation as long as I can enter there with you.

I love you with the heart of the Lord as Moses and Apostle Paul did to their people. I long for the day when we can live together in New Jerusalem. And I love you so much that I can give everything to you. I hope you will love souls entrusted to you and achieve love that can give everything to the Lord. It is true love and a sincere heart.

2. We should believe and trust others.

I said that true love does not change forever and is accompanied with deeds and truth. Trust is basic foundation of the true love. If you truly love the Lord, you will say ‘amen’ to any and all of His words. You will never give any reason or excuse not to obey Him. You will not think, ‘Why did He say that to me?’ or ‘Did He make a mistake?’

The forefathers of faith who truly loved God trusted God completely, 100%. Abraham the father of faith did not give any excuse nor use any fleshly thought when he was told by God to offer up his only son Isaac as a burnt offering (Genesis 22). He never thought, ‘Why did God tell me to offer up Isaac as a burnt offering like an animal? He gave him to me as a seed of promise.’ But Abraham did not hesitate with such thinking. He did not even talk to his wife in order to obey God perfectly. It is because he trusted God completely.

1 John 4:20 reads, “If someone says, ‘I love God,’ and hates his brother, he is a liar; for the one who does not love his brother whom he has seen, cannot love God

whom he has not seen.” The same is true of trust in God. If a married couple do not trust each other, how can they say they love each other? Only when they completely trust each other can they say they love each other.

I hope that you will achieve true love in which trust relationship is established between God and you. In other words, you should also gain perfect trust from God as well as you trust Him. If then, God will achieve great works through you. I hope you will quickly accomplish true love based on perfect trust and possess a sincere heart that God wants from you.

Dear brothers and sisters in Christ, only when you have goodness and true love can you achieve a sincere heart. When you have such a sincere heart recognized by God, perfect faith will be given to you from above. You will not change in any kind of situation and will be able to obey the Word of God 100%. If you pray fervently in addition to this, His power will follow you and you will be able to communicate with God clearly.

If you achieve a sincere heart and possess perfect faith, such fruit will follow you as the fruit of good health, rejuvenation, and financial fruits. God’s answers will be given to you in every part of your life. I pray in the name of the Lord that you will quickly achieve a sincere heart and perfect faith and join in amazing ministry of Manmin.

The Way

Light and Darkness

Senior Pastor Dr. Jaerock Lee

No matter how pitch dark it is, the darkness goes away when light shines. Darkness can never overcome light. It is the same in the spiritual realm. If you dwell in light, darkness cannot but be driven away. The Word of God is the light, so if you live in the Word, any problem that belongs to darkness such as disasters, diseases, and poverty will go away. Even if you’ve dwelled in darkness, once you come to light and start to live in the Word, the way to blessing will be wide open. As your light becomes strong by dwelling more in the Word, you will receive greater blessings (1 John 1:5).

“I was healed of diabetes by the power of God!”

Elder Songyeol Ryu, age 48, Parish 11, Manmin Central Church

I had a chronic skin disease affecting the backs and inner sides of my thighs. In summer of 2017, it became so serious that I could not sleep due to itchiness. I lost my appetite and drank a lot of water since I often felt thirsty.

Meantime, I had a regular medical check-up in September 2017, and it showed fasting blood sugar level was 257mg/dL. It was way too high compared to the normal level 100mg/dL. The doctor recommended me having additional tests for diagnosis of diabetes and told me to take medicine for it. My serious itchiness and thirst were caused by diabetes.

I began to earnestly pray with reliance on God and thought over the reason why I came down with the disease. I had thought that I had been doing well in my believing life, but I realized that I had been lazy in some parts. I sometimes dozed off during worship services or prayer meetings. I sometimes fulfilled my God-given duties with a sense of obligation. I tried to etch the love of God in my heart and changed my bad habits including eating habits.

I did not take any medicine. Instead, I received Senior Pastor Dr. Jaerock Lee's prayer

for the sick with faith in every worship service and Daniel Prayer Meeting. Three weeks later, my fasting blood sugar level drastically dropped to 150mg/dL from 257, and later to 138. After I received the handkerchief prayer from Pastor Heejin Lee (Acts 19:11-12), it fell to 128. I felt thankful that God had worked on me. As I tried harder to renew myself, the level became 105, which was almost normal level.

I believed that God would heal me completely, worked more earnestly, and endeavored to change myself to have an unchanging heart. In May 2018, the fasting blood sugar level finally became normal. Not only diabetes but I was also healed of high blood pressure and chronic dermatitis. Hallelujah!

Moreover, God blessed my soul to prosper. I realized all of things that happened to me were from the love of God.

My daughter Seungri is a 12th grader. When she was five, serious atopic dermatitis affected her whole body. She looked as if she had been burnt. Her skin peeled off, and I had to move her on my back since she could not walk due to discharge. But after she received Dr. Lee's prayer, she was completely healed. Now she has beautiful skin and has grown up in the Lord. My wife Senior Deaconess Hee Sung is also working faithfully as a leader of Women's Mission and a choir member.

I give all thanks and glory to God who healed us with the power and blessed us to be a happy family.

“I was healed of appendicitis!”

Deacon Sangchul Shim, age 48, Parish 8, Manmin Central Church

Deacon Sangchul Shim, age 48, felt intolerable pain in his lower abdomen on March 2, 2018. The ultrasound test showed it was appendicitis. As he repented that he had not lived by the Word of God, the pain subsided. After he received the prayer of

the handkerchief on which Dr. Jaerock Lee had prayed (Acts 19:11-12), the remaining pain was also gone. On March 3, his ultrasound scan result showed that his appendix that had been swollen and about to burst became normal overnight.

“I was healed of rash of unknown cause!”

Sister Seungyeon Jung, age 26, Young Adults' Mission, Manmin Central Church

Sister Seungyeon Jung, age 26, had a rash on her skin on May 19, 2018. Her skin turned red and swollen and her neck and face were swollen. The rash spread even to her fingers and arms and legs. However, she relied on God and

unchangingly prayed and fulfilled her God-given duty. And she received Dr. Jaerock Lee's prayer recorded on Automated Response System and the handkerchief prayer. She quickly recovered and her face became normal. On May 27, even the traces that had remained were all gone.

“I was healed of gastritis and duodenal ulcer!”

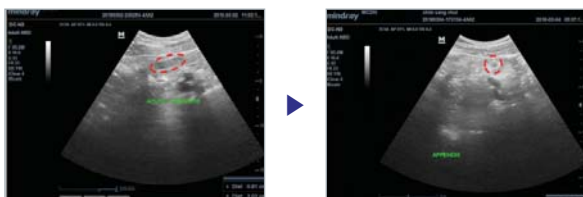

Deaconess Yunhee Lee, age 50, Canaan Mission, Manmin Central Church

Deaconess Yunhee Lee, age 50, was diagnosed with erosive gastritis and duodenal ulcer on December 15, 2017. She was told to take medicine in the hospital but did not take any medicine and received Dr. Jaerock Lee's prayer to receive healing by faith on

December 17, 2017. Afterwards, the symptoms disappeared, and she came to be sure about healing. On February 14, 2018, the doctor said her stomach and duodenum were cleansed based on the gastroscopie result.
