## I Met the Lord Through Sermons on YouTube

### Words of Life and Powerful Works Live on the Internet

Today, more than ever before, we have more means of media to evangelize the world. Our church has been spreading the gospel via GCN TV, book translations into 60+ languages, MANMIN NEWS in 30+ languages, and the church website in 7 languages.

In this era of social network services such as Facebook and Instagram, we are spreading the gospel also through YouTube, a worldwide video sharing site.

#### Home Churches and Local Sanctuaries Through YouTube Broadcast

India has the 7<sup>th</sup> largest territory and 2<sup>nd</sup> biggest population in the world. More than 300 million people watch YouTube videos in India. It is expected the number of viewers would increase exponentially as the Internet connection increases.

Pastor John Kim of Delhi Manmin Church said, "There is growing persecution against Christianity in India. Missionary works through media such as YouTube has become more important than ever in these times. The believers here voluntarily put the voice-over and subtitles in Hindi over the sermons of Rev. Jaerock Lee and began to broadcast them on YouTube. As a result, we get hundreds of prayer requests, testimonies, and requests for counseling every month. A great number of people are experiencing divine healing and God's blessing through the Senior Pastor's prayer. As the viewers of sermons on YouTube are increasing, they invite me to their groups to preach the gospel, and through such meetings, family churches are being organized."

The same kinds of events are taking place in Latin America, too. Colombia Manmin Church uploads videos of Sunday morning services and Friday all-night services of Manmin Central Church in South Korea. Thirty to forty locations in such countries as the United States, Mexico, Honduras, Venezuela, Ecuador, Chile, Argentina, Bolivia, and sometimes Spain, several Middle Eastern countries, and Italy, watch the videos of the services.

The viewers came to meet the living God and local sanctuaries were opened: 1 in Honduras and Mexico respectively, 3 in Venezuela, and 4 in Colombia.

#### Contents that Let the Viewers Experience the Works of the Holy Spirit

In order for this media to be effective in spreading the love of Jesus Christ, the contents must be spiritually useful and powerful.

The reason why videos of our church on

YouTube have proven to be effective is because they contain the words of life that our Senior Pastor, Rev. Jaerock Lee has received by the inspiration of the Holy Spirit through his countless fasting and prayers.

They not only teach clearly the providence in the cross through Jesus Christ, but also contain very deep spiritual messages. They quench the thirst of the believers who are spiritually thirsty all over the world.

As in John 4:48, "Unless you people see signs and wonders, you simply will not believe," it is very difficult to have faith in this end time without actual evidence of the living God. However, through the prayer for the sick of Rev. Lee in the video, many people experience divine

healing and they gain true faith and strength to change.

Special Healing Sessions are being held in the 2<sup>nd</sup> part of the last Friday all-night service of each month. Those who attend them on YouTube receive divine healing through the prayers done with the handkerchief on which Rev. Lee prayed (Acts 19:11-12). They are giving glory to God greatly (Page 3).

Brother Kailash in India said, "I lost my confidence since I lost my hearing in my left ear. I was always worried I might lose hearing completely. However, I came to know about Rev. Jaerock Lee on YouTube, and my hearing was recovered through the special divine healing session recently."

# Love Does Not Rejoice in Unrighteousness

“Love is patient, love is kind and is not jealous; love does not brag and is not arrogant, does not act unbecomingly; it does not seek its own, is not provoked, does not take into account a wrong suffered, does not rejoice in unrighteousness, but rejoices with the truth;” 1 Corinthians 13:4-6

Senior Pastor Rev. Jaerock Lee

It is more likely that honest people would succeed in developed countries than in under developed countries, where the corruption index is high. Unrighteousness is closely related with the rise and fall of nations, too. For this reason it is called ‘the disease that kills nations’. It also has tremendous impact on personal lives.

Not to rejoice in unrighteousness is similar to but not same as ‘not thinking of evil’. Not to think of evil is to harbor no evil at all whereas ‘not to rejoice in unrighteousness’ is to be unhappy about unfavorable things that are shown externally and to not participate in evil things.

## 1. Not to Rejoice in Unrighteousness

Suppose you are jealous of one of your friends who is rich. You think he is bragging too much. So, now you wish him bad luck and that he'd go bankrupt. This is evil thought.

Then, that rich friend fell into a con scheme and actually went bankrupt. Now, you are happy and you think he deserves it. This is to rejoice in unrighteousness. Furthermore, if you participate in evil things, it is to very actively rejoice in unrighteousness.

There is also unrighteousness even by the public's standard. It is cheating or extorting others to gain wealth, rather than earning your honest wages through sweat.

They seek their benefit even by breaking the law and proper procedures. If a judge accepts bribes and gives an unfair sentence, it is unrighteousness in anyone's eyes.

Some merchants cheat the measures, or they use low quality material to increase their profit. They just focus on short-term profit even at the expense of other people's sufferings. They deliberately cheat. There are just so many people who try to cheat just to gain some unrighteous gain. Now, what kind of person are you?

Suppose you work for the government. You found out one of your close friends is making a lot of money illegally. If found out, his punishment would be grave. Let's say he gives you a great amount of money and tells you to just look the other way. He says he will give you

more when things go well. Actually, you have a problem at home and you need money. In this kind of situation, what would you do?

Let's look at another situation. One day, you have a greater balance than you expected in your bank account. The tax agency made a mistake and didn't take the correct amount. Would you rejoice thinking you got a break by their mistake?

2 Chron. 19:7 says, “Now then let the fear of the LORD be upon you; be very careful what you do, for the LORD our God will have no part in unrighteousness or partiality or the taking of a bribe.” God is perfectly righteous; He has no unrighteousness at all. We might be able to cheat men but not God. We have to live with integrity and faithfulness with reverence in God.

When his nephew was taken as a captive, Abraham recovered not just his nephew but also all the people in the city of Sodom. Abraham did such a great favor to the king of Sodom. The king was thankful and offered Abraham the things that were recovered, but he declined (Gen. 14:22-23).

When his wife Sarah died, the land owner offered him the land, but he didn't take it before he paid the full price. It was to prevent any strife in the future. He didn't have any desire or intention to take any gain that was not earned.

Those who love God and are loved by Him will never cause any harm to others or seek their benefit violating the law. They don't want anything other than what they honestly earned. Those who rejoice in unrighteousness have no love for God or for their neighbors.

## 2. Consequences of Rejoicing in Unrighteousness

The unrighteousness in God's sight is slightly different from that in general sense. It is not only breaking the law and causing harm to others but every sin that is in violation of the word of God.

When the evil in heart is actualized, it is sin. Unrighteousness is especially the works of the flesh, which are the external actualization of sinful natures such as hatred and jealousy. For this reason it is difficult for the unrighteous to be

saved (1 Cor. 6:9-10).

Achan loved unrighteousness and drove himself into destruction. Since his childhood he had seen and heard of the things that the LORD God had done for his people. He knew God guided them with pillar of cloud in the day and pillar of fire at night. He witnessed the flooding Jordan River stopping and the city of Jericho falling down.

He knew very well that the reason why Joshua prohibited taking any spoils of war from Jericho was because they were supposed to be given to God. However, when he saw the things in Jericho, he got greedy and couldn't control himself.

He was accustomed to the dust and simple life of the wilderness, and when he saw the splendid things of Jericho, it was eye-opening to him. When he saw the beautiful mantle and silver and gold, he forgot God's words and Joshua's instructions. He took and hid them.

Due to his sin, Israel lost in the battle against the city of Ai. Finally his unrighteousness was revealed and he and his household were stoned to death. The heap of those stones was called the valley of Achor, a symbol of curse.

We also have Balaam who knew how to communicate with God. One day, Balak the Moabite king asked Balaam to curse the sons of Israel. God said to Balaam, “Do not go with them; you shall not curse the people, for they are blessed” (Num. 22:12).

Balaam listened to God's word and refused the king's request the first time. However, when the king sent more gold and silver and precious things, his mind was changed. Finally, he taught the king how to inflict hardships on the sons of Israel. As a result, the sons of Israel ate the things sacrificed to idols and played harlotry. They suffered a great calamity. Later, Baal was killed by a sword. It was the result of loving unrighteous gains.

What should we do if we see God's children acting in unrighteousness just like unbelievers? We have to mourn, pray for them with love and help them to live by God's word. However, some believers envy such people thinking they want to take it easy in their Christian lives. Furthermore,

if they participate in such unrighteous acts, we can never say they love the Lord.

Dear brothers and sisters,  
Our Savior Jesus was crucified to save the

unrighteous sinners (1 Pet. 3:18). We have received such great love from God in that we were saved through Jesus's crucifixion. Therefore, we shouldn't just stop at not acting in unrighteousness but keep the words of God as

they are.

I pray in the name of the Lord that you will become God's true children who do not rejoice in unrighteousness like Abraham and enjoy a prosperous life.

## Powerful Works All Over the World Through Special Divine Healing Sessions

Special divine healing sessions are held in the last Friday all-night service of each month. Pastor Soojin Lee prays with the handkerchief on which our Senior Pastor Rev. Jaerock Lee prayed (Acts 19:11-12).

Many participants in Korea and overseas on GCN TV and Internet broadcast like YouTube receive divine healing and give glory to God. Here are some of the testimonies from other countries.

**Brother Sandeep**  
(Age 18, Gorakhpur, India)

### “My sister was demon-possessed, but she is now normal!”

My sister, Anita, had been demon-possessed for the past year. She would curse and scream at family members and throw tantrums.

I invited Hindu priests to perform exorcism and I did everything they said. They said she was going to be OK but she didn't get better. She'd say unspeakable things to the family members. She tried to commit suicide and we had to tie her up. In January 2018, my uncle introduced Jesus Christ and GCN TV Hindi channel on YouTube. I got Pastor John Kim's number and whenever my sister had an episode, I called him to receive handkerchief prayer (Acts 19:11-12) that calmed her down.

Since then, my family listened to Rev. Jaerock Lee's sermon series 'Message of the Cross' and the

'Ten Commandments' on GCN TV Hindi channel. We repented of our idolatry and other sins. In January 2019 we, along with our neighbors, attended the live broadcast of Friday all-night service of Manmin Central Church on YouTube. Seeing some of my neighbors getting healed there, I was also convinced that my sister could be healed, too. We listened to the sermons and prayed so that she could be healed in the special divine healing session in February.

On Feb. 22, when receiving the prayer of Pastor Soojin Lee with the handkerchief in the healing session, my sister repented with tears and received the fire of the Holy Spirit. The demon left her, and she is now perfectly normal. Hallelujah!

### “Ringing in the ear gone, I can hear well now!”

**Yency Garcia**  
(Age 30, Sonsonate, El Salvador)

In Dec. 2018, I caught a cold and had fever. I had excruciating pain in my ear. Since then, I began to lose hearing in my left ear. I even had ringing noise in it. I repented of resentment and hatred in my heart and tried to cast them away through prayers. In the special healing session in January, the pain and ringing in my left ear were gone, and I came to hear well.

### “My visual acuity improved and I can see clearly!”

**Catalina Corredor**  
(Age 21, Bogota Colombia)

From 2018, due to near-sightedness I couldn't see the letters on the blackboard. I couldn't recognize my friends who were greeting me from a distance.

In the last Friday all-night service of January, I repented of my arrogance. Since I received the prayer in the divine healing session I have been able to clearly see the letters on the blackboard and recognize people's faces from a distance.

### “Paralyzed left eyelid became normal!”

**Tang Boon Leong**  
(Age 37, Penang, Malaysia)

For about 5-6 months, I had paralysis in my left eyelid. I couldn't open my left eye at all. Doctors said it was a brain malfunction.

No medicine worked and the situation required surgery. However, this past January, I attended the special healing session and received the prayer. The next day, to my amazement, I could open my left eye!

### “I can hear now. I can hear the honking of cars!”

**Kittipong Wisalchai**  
(Age 35, Bangkok, Thailand)

I have been deaf-and-mute since birth, and I was attending Friday all-night service of Manmin Central Church on a web video conferencing site.

I received the prayer for the sick in the divine healing session this past January, and the hearing in my left ear came back. I could hear the honking of car horns. What's more, the pain in my left foot that I had for 1 year also disappeared!

### “A 7-year long blocked lachrymal gland is healed!”

**Jihye Saito**  
(Age 61, Yamagata, Japan)

Something was wrong with my right eye since about 7 years ago. The doctor said my lachrymal gland was blocked. Tears could be shed but not normally, and there was no cure.

However, when I received prayer for the sick in the healing session in January, I felt coolness in my eye. Tears began to run, and after I received the prayer in February, it was completely healed!

# “My bent back is straightened now!”

Jungchoon Kim (Age 71, Chinese 1<sup>st</sup> Parish)

I was a carpenter in China. While working, I fell from the 2<sup>nd</sup> floor and hurt my back badly. It began bending and I couldn't stand up. I always had to put on the waist support belt. I could only envy other people who had straight backs.

In 2003 I had a chance to go to Korea to work. Somebody shared the gospel with me. I also heard God could heal my problem. I went to Manmin Central Church and saw the believers full of love and grace. I registered with my wife. However, my back didn't get better, and I had so much pain that I couldn't work any longer so I went back to China.

In 2014, while in China, I got the news and testimonies from the church on GCN TV and Manmin News. Then I thought to myself, 'So many people all over the world are getting healed so how come I wasn't healed?' I realized that I was not leading a proper Christian life. I had the urge to live by God's word and go to the Senior Pastor Rev. Jaerock Lee to receive his prayer.

In October 2017, my granddaughter was going to Korea to study, so my wife and I came to Korea together. From September 2018, I began to rely on God completely for my healing and attended healing sessions in Manmin Prayer Center.

The sermons touched my heart like it hadn't done before. I realized I lived my past life wrong and I repented thoroughly. For many days I repented with tears and a runny nose. Sometimes the fire of the Holy Spirit touched my back.

Especially, on January 21, 2019, Mrs. Lee, the Prayer Center director, prayed with her handkerchief on me, and my back was straightened. I

could feel it was going backwards. My wife also exclaimed in joy it was completely straight!

In the special healing session in the Friday all-night service on January 25, I was absolutely sure that my back was healed when receiving the handkerchief prayer of Pastor Soojin Lee. I went up to the altar to testify, and at that moment I could see the objects 10 meters away! I hadn't been able to see that well before. My sight also got even better. Hallelujah!

I am so thankful to God nowadays, so I read the Bible to know about God more whenever I have time. I give all thanks and glory to the living God!

# “The Lord healed my uterine myoma!”

Sister Khaliun (Age 15, Ulaanbaatar Manmin Church, Mongolia)

In March 2014, somebody on the streets shared the gospel with me, and my grandmother and sister and I accepted it. We went to Ulaanbaatar Manmin Church.

My grandmother was sick and had injured many parts of her body. She hurt her right leg and had to use a crutch. However, as she was attending church, she got healthy. She can walk without a crutch and she can even kneel down. She is now a leader in the church and is active doing many voluntary works.

I am a member of the Glory Worship Dance Team and happy as a Christian. I once had a chance to increase my faith. On Sep. 11, 2018, I suddenly had pain in my stomach. It was like twisting the left side of my abdomen.

At first I just endured it. But a week later it came back and it was much worse. I was on the ground screaming. With the help of missionary I went to a hospital. The doctor said it was a

uterine myoma. He also said I couldn't run and I had to keep myself warm. I was told I had to get surgery quickly because the myoma would get bigger and pain greater without it.

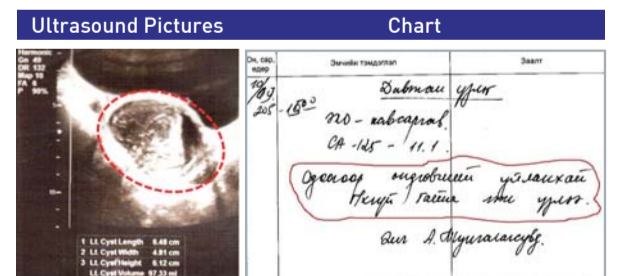

I was worried that I wouldn't be able to perform in the church anniversary events. I remembered I didn't pray earnestly and repented of it, and I just committed everything into God's hands. I just kept on practicing hard for the anniversary events.

Finally, on Sep. 23, the anniversary day, I received the Senior Pastor Rev. Jaerock Lee's prayer for the sick, and the pain began to recede and by the time we finished the performance, I had no pain. Since then, I received the prayer every time I had recurring pain. I felt the pain disappeared completely, so I went to the hospital on Oct. 3. To my amazement, the myoma was completely gone. Hallelujah!

A week after I was healed of the uterine

myoma, I got a silver medal in a sports competition event in school. The following week my basketball team got the gold medal in the basketball competition.

Now, my mother is also coming to church. I am so happy that I have received the answer from the living God. I give thanks to the Father God and the Lord who are abundant in love!
