Glory and Honor to Lord of Resurrection!

Easter Service and Holy Communion

Holy Communion, Easter 2018

For Easter, our church will have the 2019 Easter Sunday Morning Service on Apr. 21, which will be broadcast worldwide on GCN TV

(www.gcntv.org).

To note, before the sermon of the evening Easter service the whole congregation will sing 2

special praise songs to give thanks and glory to our Lord who died for us and let us partake in the resurrection.

After the evening service on Easter we will also have Holy Communion to share the bread and wine that represent the flesh and blood of the Lord (John 6:53-55).

The believers are spending their time in a more focused godly manner during Passion Week and are reading the 4 Gospels that write about the ministry, crucifixion, and resurrection of the Lord. They remembered the Lord who prayed until His sweat became like drops of blood falling to the ground at Gethsemane as they were praying in the Daniel

Prayer Meeting. Manmin Prayer Center had special morning prayer meetings during Passion Week. We had many church members attending the meetings to bring to mind an increased awareness of the Lord's love.

On Friday, April 19, church members fasted at least 1 meal to remember the crucifixion of the Lord once again. In the Friday all-night service, the special Easter Performance was held in the main sanctuary under the title 'Unforgettable Love'.

On April 18 and 19th, to spread the Lord's love on the cross, the Women's Mission shared the Easter eggs with the local government offices and nursing centers.

Special Prayer Meeting with Pastor Soojin Lee

At 7:30 PM on April 15, a special prayer meeting was held by the Honam Area Council of the United Holiness Church of Jesus Christ.

The prayer meeting was attended by the members of Gwangju, Yeosu, Muan, Iksan, Jeonju, Sooncheon, Mokpo, Gunsan, and Jeju Manmin churches along with some of the pastors and leaders from Central and Yeongnam Area Councils.

It was presided by Pastor Hyeongryeol Park, the Vice-president of Honam Council, and Pastor Myeongsool Kim offered

representative prayer and special songs were performed by the movie actor, Yeongrok Park, Deaconess Soohyeong Jeong, and Onyu Lee.

The speaker Pastor Soojin Lee said we could see the big picture of God's plan if we trust Him and march on with faith even during the trials of blessing. "Gratefully, God is showing us His power all over the world, which means He still attests to our church. Let us turn this trial into a chance of sanctification and prepare for the blessings that will be poured out soon," she urged the attendants.

After a time of repentance and a praise song, they prayed for fulfilling their God-given duties and to be faithful in all God's household. After the prayers to receive the Holy Spirit, she prayed for the sick people with the powerful handkerchief on which our Senior Pastor Rev. Jaerock Lee prayed (Acts 19:11-12). Many people were healed.

Mancheol Lee from Gwangju recovered his eyesight. Jaehyeon Ko had his hearing restored after 60 years, which he had lost during his

infancy.

Among those healed were Jeonghwa Kim of Milyang who was healed of frozen shoulders; Jeongsook Choi of Muan, herniated cervical disc; Woonja Kwon of Daejeon, arthritis; and Jeongnyeo Bae of Seoul, trigger finger.

Pastor Hyeongryeol Park said, "Many were healed in the fiery works of the Holy Spirit and they were united in the fullness of the Holy Spirit. Honam Council will strive to fulfill the providence of God."

Perfect Love

“Love never fails; but if there are gifts of prophecy, they will be done away; if there are tongues, they will cease; if there is knowledge, it will be done away.” 1 Cor. 13:8
 “But now faith, hope, love, abide these three; but the greatest of these is love.” 1 Cor. 13:13

Senior Pastor Rev. Jaerock Lee

What would you bring if you can take one object with you when you go to heaven? Heaven's roads are made of pure gold; thus expensive gold, gemstones, or money are of no use.

God has made heaven with the most precious and beautiful things that His children want the most, understanding their minds. However, there is one thing from this earth that will be precious in heaven as well. What is it?

1. Spiritual Love

When we go to heaven, all the physical things of this earth will disappear (Rev. 21:1). Even fame, honor, and power will perish eventually (Psa. 103:15). Hatred, quarreling, envy, and jealousy and other sins in darkness will also go away.

1 Cor. 13:8-10 says, “Love never fails; but if there are gifts of prophecy, they will be done away; if there are tongues, they will cease; if there is knowledge, it will be done away. For we know in part and we prophesy in part; but when the perfect comes, the partial will be done away.” Prophecy, speaking in tongues, and knowledge of God are all spiritual things, and why would they be done away?

Heaven is a perfect place. Even if we prophesy on this earth, it will only pale in comparison with knowledge in heaven later. We will feel and understand the heart of God and the Lord very well, so prophecy wouldn't be necessary.

It's the same with speaking in tongues. We need to learn foreign languages because there are many and regional differences hinder communication. We also need a great length of time to understand each other's heart and thoughts of those who come from different cultures. Even if we share the same culture and language, it is impossible to understand each other's heart completely or to express our heart perfectly. However, once we go to heaven, we will have only one language. There is no chance of misunderstanding each other. We will be able to convey our goodness of heart as it is.

It's the same with knowledge of God. Through the Bible we learn how we can be saved and what God's will is to some extent, but it is only a small fraction of 'knowledge' in its entirety.

We learn we have to love each other and not be jealous and try to put it into practice on this earth. But in heaven, we wouldn't need such knowledge at all because there is only love there. Prophecy, tongues, knowledge all belong to spirit, but it is necessary only temporarily, and they will be done away with eventually.

Therefore, knowing about heaven is important but it is more important to cultivate spiritual love, because we can go to a better heavenly place to the extent that we cultivate spiritual love.

2. Love Has Eternal Value

If we love somebody, we see only their good points. In the same way, if we are filled with God's love, we'd be happy and joyous all the time. In heaven such joy will last forever.

If you present a quarter and a 50-dollar bill to little children who do not know the value of money, they're likely to take the coin. They've experienced buying candy with the quarter and learned its value, but they don't know the value of the 50-dollar bill yet. It is similar with our knowledge about eternal kingdom of heaven.

We know it is a beautiful place, but we don't know how beautiful and how splendid it is. However, once we go to heaven, we will fully understand all the mysteries of the spiritual realm and the principles by which it is run (1 Cor. 13:11).

In heaven, there is no darkness or worries but only goodness and love. Thus, we can express our love to the fullest extent. The physical world and spiritual world are completely different. Of course, there is a difference in what we speak, understand, think and communicate depending each one's measure of faith.

1 John chapter 2 likens the level of faith with

that of little children, children, young men, and fathers. Those at the level of little children and children do not understand deeply spiritual messages. They lack the strength to practice them. As they become young men and fathers their words, way of thinking and behaviors change.

They feel God's love and understand spiritual words at a different level. They have more strength to practice the word and can overcome the power of darkness. However, even if we have the faith of fathers, there are still physical limits on this earth. Compared to being in heaven, we are still like children.

3. Feel God's Love Fully

As childhood is a preparatory period for adulthood, life on this earth is a process to prepare for eternal life. Compared to the eternal world, this world is only like a shadow. It passes away. A shadow is not the real entity, but only an image of the real entity (1 Chron. 29:15).

The shadow gives us a rough shape. This world is only a shadow that gives us a glimpse of eternal life; it is not eternal. After this shadow-like earthly life is over, we will see the kingdom of heaven, the real entity.

This world is dimmed as though looking at the reflection in a mirror, but in heaven we will see and know as clearly as looking at each other face to face (1 Cor. 13:12). Paul wrote 1 Corinthians about 2,000 years ago. Mirrors of that the time were made of polished brass or silver and the image was dim.

Of course, some people on this earth vividly see and feel heaven in their spirit. And yet, that is also dim compared to seeing heaven directly.

When we go to heaven later, we will see and feel every detail of the place and understand all spiritual things. We will understand God is truly great and beautiful beyond expression.

4. Among Faith, Hope, and Love, Love is the Best

Faith and hope are crucial for our spiritual

The Confession of Faith

1. Manmin Central Church believes that the Bible is God-breathed Word that is perfect and flawless.
2. Manmin Central Church believes in the unity and the work of God the Trinity: God the Holy Father, God the Holy Son, and God the Holy Spirit.
3. Manmin Central Church believes that we are forgiven of our sins only by the redeeming blood of Jesus Christ.

4. Manmin Central Church believes in the resurrection and ascension of Jesus Christ, His Second Advent, the Millennium, and the eternal heaven.

5. Members of Manmin Central Church confess their faith through "The Apostles' Creed" each time they come together and believe in its content verbatim.

"[God] Himself gives to all people life and breath and all things." (Acts 17:25)

"And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved." (Acts 4:12)

growth. We can be saved and become God's children only by faith. Faith is the treasure of treasures because it gives us eternal life in heaven. It is the key to receiving answers. With hope we can take hold of the better heavenly places by force.

Thus, if we have faith we will also have hope. If we believe in God and heaven and hell, we will try to cast away sins and become sanctified with our hope for heaven. Faith and hope are necessary until we go to heaven. Then, what is the reason that 1 Cor. 13:13 says love is the best?

1) Faith and hope are necessary only in this life. Only love remains in heaven

When we go to heaven, we are already in heaven and we don't have to believe or hope for anything. Suppose you couldn't see a beloved person for the period of a week and then a period of 10 years. Meeting them after a week and after 10 years would feel very different. Now, if you are seeing them after 10 years right in front of you, would you still miss them?

In the same way, if you have faith and love God, you will have greater hope of heaven as your faith increases over time. You would also want to see the Lord with increasingly greater longing.

Those who have hope of heaven will not say

the narrow way of this life is hard, nor would they be shaken by any temptation. When they reach heaven, faith and hope are no longer necessary. However, love continues even in heaven, and for this reason love is the best.

2) We can possess heaven with faith, but without love, we can't enter New Jerusalem

We can go into heaven as we act in faith and hope in the Lord (Matt. 7:21). We'll be given spiritual love to the extent that we live by God's word, cast away sins, and cultivate a beautiful heart. And, according to the measure of this faith, we will be given our heavenly dwelling places.

One of the criminals who was hung next to Jesus went to Paradise. It's a place for those who are barely saved by accepting Jesus Christ. They didn't do anything for God's kingdom. The dwelling places for those who tried to live by God's word are much more beautiful than Paradise.

There are also places for those who actually practiced the word of God and have been faithful to God's kingdom. There are places for those who loved God to the utmost degree and cast away all sins. Furthermore, the city of New Jerusalem is a place for those who have perfect faith that pleases God and have been faithful in all His household.

The city of New Jerusalem is a crystalloid of love given to God's children who cultivated perfect love. Originally, there was no one who could enter this city but Jesus Christ. However, if we are justified by the precious blood of Jesus Christ and possess perfect faith, we will be given the right to enter the city.

In order for us to enter the city, we have to follow the way of the Lord, which is the way of love. Only when we have love, we can bear the 9 fruits of the Holy Spirit and the Beatitudes, meaning we will become God's true children who have the characters of the Lord.

If we become God's true children, we will receive anything we ask for in prayer and we will enjoy the privilege of walking with the Lord forever.

We can go to heaven with faith, and we can cast away sins with hope. Therefore, faith and hope are a must. However, we can go to New Jerusalem only when we have love, For this reason love is the best.

Dear brothers and sisters, God has believed, hoped, and endured all things to gain true children with whom He could share true love forever. I pray in the name of the Lord that you will quickly cultivate the heart of Jesus Christ and perfect love so that you will enter the city of New Jerusalem.

Healed of Appendicitis

Boknam Yang (52, 5th Canaan Mission)

This past March 22, I had pain in my right abdomen. The pain increased and spread to lower abdomen as well. I lost appetite. I remembered I had been very tired since the week before.

On the 25th, the ultrasound showed the appendix was swollen due to inflammation. It was 1.26cm while the normal size is 0.7cm or less. It could have burst any time. I had chills and my face was pale. When I saw the believers who gave testimonies of divine healing, I was wondering if I could rely on God in the same situation. And when I heard about my situation, I was at peace thinking I can receive prayers.

On the 26th I attended the special healing session of Manmin Prayer Center. Listening to the message, I was reminded of my past.

I had no joy or hope in anything. Everything felt irritating and it was hard. The Holy Spirit in me was telling me I shouldn't feel that way, but I couldn't control myself. I was burdened by the feeling that I had to change more and pray more fervently but I couldn't, and I was at the same level all the time. I could realize all these things deep in my heart and repented of them by the outpouring of the Lord's grace.

At 3 PM, I received the prayer from Pastor Soojin Lee with the handkerchief on which the Senior Pastor Rev. Jaerock Lee prayed (Acts 19:11-12). I received fire of the Holy Spirit all over my body. At 11:30 PM, Pastor Soojin Lee once again prayed for me with

the handkerchief, and the pain disappeared completely.

I slept very well that night and had no pain the next day. I was convinced that I was healed. I got another ultrasound on the 28th, and the size of the appendix was 0.5cm, which was normal. My body felt very light, I could eat well, and I am now healthy. Hallelujah!

I give all thanks and glory to God the Father. He always bears with me despite all my shortcomings and He remembers only good things and gives me blessings. I also give thanks to my Senior Pastor for always praying for me with love.

Cynthia, Healed of Celiac Disease

Gluten gives bread its unique taste and the chewy texture. However, for those who are allergic to gluten, that taste and chewy texture is a far off sensation to the palate.

Celiac disease is a condition in which gluten causes an allergic reaction in the small intestines and thereby causing disturbance in absorption of nutrients. As a result, the feces are diluted. They also carry very bad odor and much gas is produced. The stomach may swell. The patients suffer from lethargy, rashes, anemia, or lack of vitamins due to malnutrition.

There was a 7-year-old Pakistani girl called Cynthia in Lahore. In the early morning of June 15, 1999, Cynthia had acute vomiting, but it soon disappeared and the family didn't take it very seriously.

Several days later, she had vomiting along with diarrhea. She vomited liquids of blue, light green, and yellow colors. She had bloody stools too. She was admitted to Rasheed Hospital in Lahore. She was released as her

conditions got better after 3 days of treatment.

However, a week after her release, she was admitted again. Her condition deteriorated. There was bleeding in her large intestine in addition to diarrhea and vomiting. The diagnosis was Celiac disease, and the large intestines were blocked.

In the picture intestines are obstructed, showing the fish-shaped gradation (left). Left rectum does not show air shadow, suggesting large intestine obstruction.

She weighed only 11kg (normal: 35kg), and this posed a possibility of fatality in surgery and made recovery impossible even if the surgery was successful.

The doctors only hoped the obstruction would disappear, giving her only basic treatment

such as saline fluid and antibiotics. She couldn't eat for a long time, and she was down to skin and bones.

The obstruction did not disappear even after 24 days in the hospital. The doctor said he was sorry for her because there was nothing he could do.

However, we have hope because for God the Creator and our Savior, Jesus Christ, there is nothing that is impossible.

Cynthia's father, Rev. Wilson John Gil, had seen the power of God manifested by Rev. Jaerock Lee in South Korea, and he believed that his daughter could live if he would pray for her.

Fortunately, Cynthia's sister, Maria, was scheduled to go to Korea. On July 22, 1999, Rev. Wilson John Gil took a photo of Cynthia in the hospital so her sister could take it to Korea and receive prayer from Rev. Jaerock Lee.

At around 10:50 PM on July 23, 10 minutes before Friday all-night service in Manmin Central Church began, Rev. Jaerock Lee prayed on Cynthia's photo, and at the same moment, the Holy

Spirit touched Cynthia who was in Rasheed Hospital in Lahore, Pakistan.

Cynthia began to recover rapidly from 7:50 PM local time (Daylight Saving). The doctors were amazed, too.

She regained her appetite. Her stomachaches were gone. Her swollen stomach also became normal. The amount of the food she could consume increased very quickly. She got her strength back and she was released in just 3 days.

Cynthia after healing

As Cynthia recovered very quickly by the prayer transcending time and space, this event obviously boosted the faith of the church members of Rev. Wilson John Gil, and the church had great revival. The pastor and the members still thank Rev. Lee and give glory to God.

Cynthia now has a very clear goal. She wants to spread the power of God. She is now majoring in nursing in a prestigious college in Lahore.
