“Manmin’s Ministry is Amazing!”

120 Indonesian Pastors Visited Our Church

120 Indonesian pastors visited our church from May 4 to 5 to see Manmin’s ministry in person, and gave thanks and glory to God.

They had the pastors’ seminar in the 3rd sanctuary at 9:20 PM on May 4. The Crystal Singers, Korean Traditional Dance Team, and Power Worship Dance Team sang in Indonesian language and danced. Then there was a video presentation of the Ministry of Power, TV and book ministry of our Senior Pastor Rev. Jaerock Lee.

The speaker Pastor Soojin Lee said the secret

of our church’s growth is power of God, fervent prayers, and word of life, and then went on to explain about why Jesus Christ is the only Savior. After the message, pastor Martha Dendeng of Cileungsi was healed of chronic knee arthritis through the prayer with the handkerchief on which Rev. Jaerock Lee prayed (Acts 19:11-12).

They attended the Sunday morning and evening service on May 5. More than 30 of them sang a special song in their traditional costume, which gave joy and grace to the

church members. Pastor Adrian Saroinsong (Bethlehem Church) said in his greeting message “I feel like I am in heaven. I am so happy and thankful that I could visit such a good church.”

Pastor Katoutje Karauwan (Bethlehem Church) presented a Plaque of Appreciation which Acting Sr. Pastor Soojin Lee received on behalf of Senior Pastor Rev. Jaerock Lee.

They also saw the Muan Sweet Water Aquarium, visited GCN TV, and attended the Daniel Prayer Meeting.

“It’s a Church with Only Jesus Christ at the Center!”

Pastor Polke Denny Koyongian (Christ Center Church, U.S.A.)

I saw that Manmin Central Church has the powerful works that are written in the Bible. It is such a great blessing that miracles are happening in church.

God is manifesting miracles through Manmin Central Church, and we’re happy that we could have witnessed them.

Before I came here, I heard some bad rumors about Manmin Central Church. Some said this church has a man at the center and

not the Lord. However, this church has the power of God and everyone preaches about Jesus Christ. I witnessed that the Senior Pastor Rev. Jaerock Lee only lives with faith, prayers, and fasting. He always gives glory to God and the Lord.

I’d like to deliver the testimonies of our visit to my church members so they can have greater faith. I hope many people will visit Manmin Central Church and find out how the Holy Spirit is working to touch the people. You can be blessed here! I give heart-felt thanks for the hospitality of Manmin Central Church.

2019 Children’s Sunday Service

The Children’s Sunday Service was offered in the 2nd sanctuary at 1:30 PM on May 5. The service was live-broadcast worldwide through GCN TV and Internet. Pastor Miyoung Lee, the speaker, delivered a message under the title “Pride of Manmin” (Fm: 1 Cor. 11:1). The message advised the children to be faithful in their love for God.

Fruit of Joy

“But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.” Gal. 5:22-23

Senior Pastor Rev. Jaerock Lee

When we believe in Jesus Christ and receive the gift of the Holy Spirit, we can bear the fruit of the Holy Spirit. However, not everyone who has received the Holy Spirit can bear the fruits of the Spirit. They can bear the fruit and change into the true children of God to the extent that they obey the guidance of the Spirit.

Those who bear the 9 fruits of the Holy Spirit completely will give out the aroma of Christ in all respects. They gain the image of God and the qualifications to enter the city of New Jerusalem where the throne of God is located. Let's now look into the fruit of joy among the fruits of the Spirit.

1. Fruit of Joy

Joy is exultant happiness. Spiritual joy is not simply being happy. Even the unbelievers become joyful when things are good. This is only momentary emotion. When there are difficult things in life, their joy disappears. However, with the joy as in the fruit of the Spirit, one can rejoice all the time and in any situation or circumstance.

Therefore, spiritual joy is to be joyful always and give thanks in all things (1 Thess. 5:16-18). God's children can rejoice always just with the grace of salvation. But they lose the joy of first love and do not feel the same about the grace of salvation. Why? It's because they have flesh in their heart.

Flesh is the attributes that cause a severing from God who is spirit. Flesh includes lawlessness, unrighteousness, untruth, and all sins. Those who have fleshly attributes might lose their joy at any moment. Because they have the nature of changing, the devil might give them a situation in which they will lose joy.

The apostle Paul did not lose his joy in any hardships. He was put in jail while spreading the gospel, but he advised the believers in Phil. 4:4 and 6, “Rejoice in the Lord always; again I will say, rejoice!” “Be anxious for nothing, but in everything by prayer and supplication with thanksgiving

let your requests be made known to God.”

After he was anointed by Samuel, David had to run away from King Saul who was trying to kill him. However, he rejoiced and professed his faith with his beautiful psalms (Psa. 23). He had absolutely unchanging love and trust in God, so no hard situation could stop the joy stemming from his heart. He had the fruit of joy.

2. To Bear the Fruit of Joy

1) Cast away flesh

If we do not have the attributes of jealousy we can rejoice when others are celebrated or commended. However, we will suffer by others' well-being to the extent that we have jealousy. We might harbor hard-feelings toward them, or we feel we are put down as much as they are lifted, so we get disheartened.

Also, those who don't have anger or resentment always have peace of mind even when they suffer rudeness or damage. We resent and get disappointed because we have fleshly attributes. To the extent that we have flesh in us we cannot have spiritual faith, so we can't rely on God completely thereby adding to our worries.

Those who have true faith can rejoice even if they don't have anything to eat right now. God promised us in Matt. 6:31-33 He will fill all our needs, so they commit everything to God even in difficult situations. They ask for God's kingdom and righteousness with a peaceful mind and then ask for what they need. To the extent that we cast away flesh from our heart, we will have spiritual joy and thanksgiving. This way, all things will go well with us.

2) Follow the desires of the Spirit always

We can be happy only when the Holy Spirit in us is happy. We have joy when we wholeheartedly worship God, sing praises, pray, and keep God's word. If we follow the desires of the Holy Spirit in our lives, the

Holy Spirit rejoices and fills our heart with joy (3 John 1:4).

Suppose you choose to serve your own interests after your self-seeking mind and selflessness struggle against each other. You might feel good for the moment, but you'll soon have pangs of conscience. On the contrary, if you serve others' interests, it may look like you suffer a loss, but you have joy because the Spirit rejoices in you.

Suppose you judged others with your own standards. But if you change your mind and understand them in goodness, you will have peace. If you smile to people who have different personalities or opinions and let yourself die (1 Cor. 15:31) to give them peace, you will have joy.

If you feel you are not in discord with anyone to begin with, then you can enjoy peace and joy all the time. If you follow the desire of the Holy Spirit always, you will not only have spiritual joy but you will also bear the fruit of joy.

3) Sow the seeds of joy and thanksgiving before God

For farmers to reap the fruit, they need to sow the seeds and care for them. In the same way, to bear the fruit of joy, you have to offer a sacrifice of thanksgiving to God.

God's children have the joy of salvation that couldn't be exchanged for anything. God is their Father and He protects them and supplies them with anything they need when they walk in the truth. Just by keeping the Lord's Day holy and tithing they won't face disasters or accidents. If they keep the commandments and work for God's kingdom, they will be blessed.

Even if we're in hardship, the solutions and resolutions are in the Bible. If you caused trials to come upon yourself by your fault, you can just repent and turn away. God can then give you the answer. If you have nothing to bring accusation upon you, you can just rejoice more. Then, God will cause all things to work for good and give

you greater blessing.

When we rejoice all the time, God will give us more things to give thanks for. Then, we will have more joy and thanksgiving. Eventually, we'll bear the fruit of joy completely. However, we sometimes have sorrow although we have fruit of joy. It is the spiritual mourning in the truth. We should rejoice always and at the same time be able to mourn for God's kingdom and the

souls.

Dear brothers and sisters, God made Adam as a living spirit and planted joy in his heart. However, because Adam had never experienced any pain, he didn't realize how happy the life was that he was leading. After he committed sin by eating the forbidden fruit, flesh came into his heart, and he lost the joy given by God.

In order to recover the joy that Adam

lost, we need to accept Jesus Christ, receive the gift of the Holy Spirit and follow His desires, and sow the seeds of joy with a joyful and thankful heart.

If you add to the positive of the mind and pursue goodness all the time, you will bear the fruit of joy completely. May you quickly bear the fruit of joy to taste heaven on this earth and lead a life full of happiness, I pray this in the name of the Lord!

FEATURE STORY

Be My Witnesses to the End of the Earth (1)

"...but you will receive power when the Holy Spirit has come upon you; and you shall be My witnesses both in Jerusalem, and in all Judea and Samaria, and even to the remotest part of the earth." Acts 1:8

The Explosive Power of God Since 2000

Manmin Central Church has been unceasingly exerting their effort in evangelism of the nation and the world, while going through great revival thanks to word of life and powerful works of God.

The Senior Pastor Rev. Jaerock Lee passed great trials of faith in '98 and '99 with love, and as a result, God's great power, the power of creation began to take place beginning in 2000.

In the past he church held revival meetings in May every year until 2004. The titles were "Come and See the Evidence of

the Living God", "By faith we understand that the worlds were prepared by the word of God", "Power of God" and "Original Voice".

From July 2000, united crusades with the speaker Rev. Jaerock Lee were held in various countries drawing hundreds of thousands to even millions of attendees.

God the Creator and Jesus Christ were preached. Various diseases were healed by the power of the Holy Spirit; the blind came to see, the deaf to hear, the mute to speak, and the lame to walk. The demons left, the dead were brought back to life. The people discarded idols and accepted Jesus Christ. Countless souls around the world were guided to the way of salvation.

Power of God

God first let us have 7 united crusades. They were held in Uganda, Japan, Pakistan, Kenya, Philippines, Honduras, and India. Then, He let us know we'd have crusades in Dubai, Russia, Germany, Peru, D.R. Congo, and the United States. They were a step toward the return of the gospel to Israel.

In April 2003, a meeting was held in Dubai, U.A.E, which is a gateway city of the Middle East. The actual meeting was canceled by the authorities, but God guided us in a way that we could spread the gospel to the local Arabs in His wisdom and providence.

“I can hear with my left ear, of which the eardrum melted down!”

Jaehyeon Koh (61, Gwangju Manmin Church)

I couldn't hear well since childhood. I have heard that soon after I was born a discharge flowed down from both my ears.

As I grew up I could hear with my right ear to some extent but not very well. I could barely hear with the left ear, and later I couldn't hear anything.

When I was 20, I had a medical exam in a big hospital. The doctor said the eardrum in my left ear degenerated completely due to inflammation.

He said both ears needed surgery, but there was a risk of losing the hearing in the right ear, too, so I wouldn't get the surgery. It's probably the medical science was not as good 40 years ago. Since then, I often had discharge coming out from the ears, especially from the left one.

In 2017, I went to a hospital for my frequently blocked nose and received consultation for my ears, too. The doctors suggested I could get surgery now with the improvement in medical science.

But I had already experienced power of God in Manmin Church. I was healed of my bacterial dandruff and recovered good eyesight by Rev. Lee's prayer. So, I decided to rely on God for the healing.

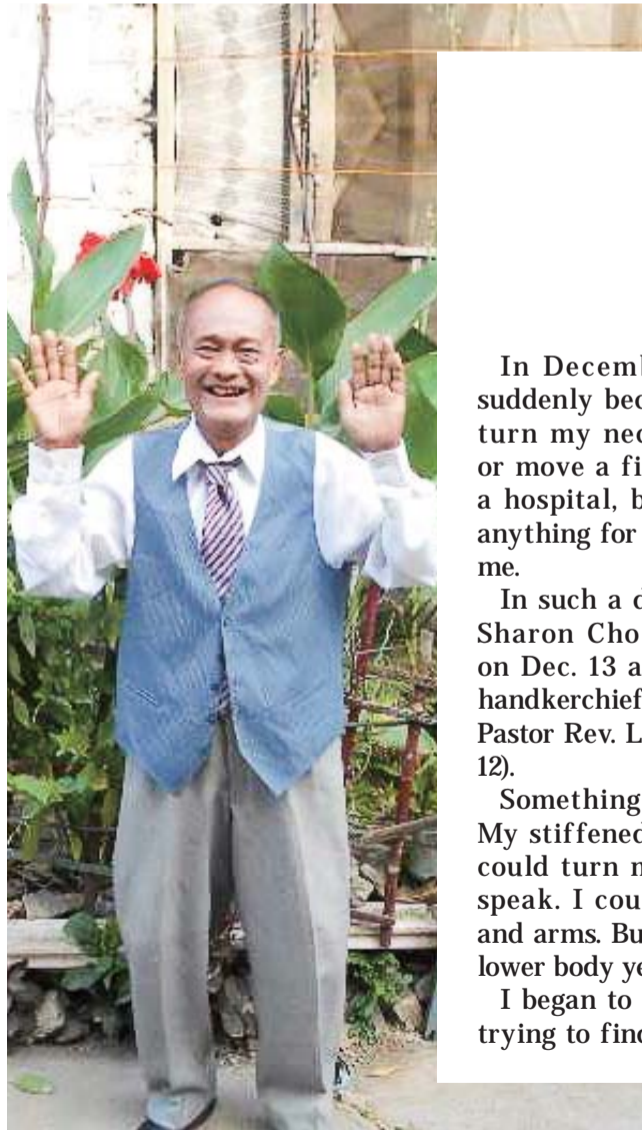

In every worship service I received the Senior Pastor's prayer for the sick with faith, and the discharges stopped soon. But I couldn't hear with my left ear yet. I couldn't understand others quite

often at my work place, so other people always had to consider my situation. Also, I could talk on the telephone only with my right ear but the hearing was not good.

In this past March, I heard there was going to be a special prayer meeting with the speaker Pastor Soojin Lee. I wanted to get healed in the meeting and give glory to God. My heart was burning!

On Apr. 15, Pastor Soojin Lee prayed for the whole congregation with the handkerchief on which the Senior Pastor prayed (Acts 19:11-12). The fire of the Holy Spirit came upon me and my whole body was hot. I could hear the loud ringing noise in my left ear. I quickly blocked my right ear and tried to hear with the left ear, and I could hear the voice of the speaker praying. Hallelujah!

Now, I can hear the voice of the people with my left ear, with my right ear covered. I give all thanks and glory to God the Creator who has healed my ear that couldn't hear at all!

Willy Miraveno (70, Cavite Manmin Church)

Recovered From Hardened Body Due To Peripheral Neuropathy!

In December 2018, my body suddenly became rigid I couldn't turn my neck. I couldn't speak or move a finger. I was taken to a hospital, but they couldn't do anything for me and just released me.

In such a dire situation, Pastor Sharon Cho came to my house on Dec. 13 and prayed with the handkerchief on which the Senior Pastor Rev. Lee prayed (Acts 19:11-12).

Something amazing happened. My stiffened body was loosed. I could turn my neck and I could speak. I could move my fingers and arms. But I couldn't move my lower body yet.

I began to think about my past trying to find a reason why I had

this problem. After I registered in the church in September 2014, I was healed of severe arthritis and my family became happy. I also assumed church duties, but from a certain point I lost my zeal. I stopped praying and eventually I didn't keep the Sunday. I complained and broke peace. I repented of all those with tears.

On Jan. 9, 2019, Pastor Mikyung Lee came from South Korea to visit our church. I attended the Wednesday service on a wheelchair. Pastor Mikyung Lee prayed with the handkerchief of power for the whole congregation, and a miracle took place. I was strengthened in my paralyzed leg, and little by little, I could walk. Hallelujah!

That day, I came back home on foot, without anyone's help. It was like a dream! Since then, I recovered very quickly, and now I attend all worship services and Daniel Prayer Meetings, too.

I give all thanks and glory to God the Father who has given me another life with His power!

Peripheral neuropathy, a result of damage to your peripheral nerves, often causes weakness, numbness and pain, usually in your hands and feet. It can also affect other areas of your body. Your peripheral nervous system sends information from your brain and spinal cord (central nervous system) to the rest of your body.
