Church Providing Support for Dental Care

"Having a bad dental condition, I couldn't chew well. I couldn't digest well, and I was weak. But now, I can eat as much as I want, and I am healthy. I am so thankful that the Senior Pastor did for me what no one else could do," says Jeong Oh Son (71, Male), who has received a dental implant, a crown, and the lower jaw dentures.

Rev. Jaerock Lee has had

concerns for those members who couldn't afford dental care. Through his support and helping hands from WCDN (World Christian Doctors Network), pastors, and leaders, the charitable work committee has been helping members get dental care.

174 members have received implants, crowns, and dentures since the 1st half of 2018. It will

continue until June this year.

Taeduck Kwon (69) and Choon-Ok Nam (67) received the support together and came to have healthy teeth. The husband, deacon Kwon, says, "I couldn't eat properly and my voice would slip, but I couldn't get treatment. My wife couldn't chew even a piece of fruit. However, by the help of the Senior Pastor we can both eat anything now!"

Suhknyam (45, Foreign Parish/Mongolia) received 2 dental implants, 8 crowns and upper jaw dentures. He recovered his confidence that he had lost due to his dental condition.

Choon-Ok Kim (52, Female) got 5 implants and dentures. Jeongsoo Lee (49, Male) pulled out all the decayed teeth and got dentures as well. He says he can eat as much as he wants and he can laugh without covering his mouth now.

Rev. Jaerock Lee had been on his sickbed for 7 years before he met God, and he empathizes with those in who are not well. He's been helping the neglected since the opening of the church, and sharing the Lord's love. He has also let those who are sick experience God's power through his prayers.

The Charitable Work Committee is providing more than a thousand households with rice and basic side dishes along with some cash. It also provides scholarships to students in need.

Our church has also been donating 70 bags of rice every month to 6 local municipal offices and welfare institutions. We also provide help to 15 residents in Nam-myeon, Jangseong Goon, Jeonnam Province.

NISSI ORCHESTRA LUNCH TIME CONCERT

Nissi Orchestra held a 'Lunch Time Concert' at 12:30 PM on June 13, in the Nissi Orchestra building. The lunch time concert has been held for the church employees since 2011. They played Gloria by W. A. Mozart, Harp Concerto in B Flat Major by Handel, Air On The G String by Bach, The Typewriter by Leroy Anderson, and What a Wonderful Change in My Life by Charles H. Gabriel.

Fruit of Faithfulness

“But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.” Gal. 5:22-23

Senior Pastor Rev. Jaerock Lee

The kind of faithfulness that is recognized by God is not just doing your job faithfully. It is not complete faithfulness if you are faithful in just a certain area.

If you are faithful as a wife, a mother, or a husband, it means you just did what you're supposed to do.

The faithful in true sense are treasure for the kingdom of God and they will give out lovely aroma. They are unchanging, trustworthy and obedient. Now, let us take a closer look at the fruit of faithfulness that is acknowledged by God.

1. Do More than What Is Entrusted to You

If a paid worker does his job well, we don't say he is faithful. He did his duty, but he was paid for the work he was supposed to do, so we can't say he is faithful. The faithful will do more than what they're supposed to do.

The apostle Paul didn't take anything casually when he was taking care of the souls. He was so happy to fulfill his duties that he was willing to spend all his wealth and even himself (2 Cor. 12:15). He kept on giving and sacrificing himself for the souls.

True faithfulness is to fulfill all our duties and do more with joy and love. When taking responsibilities, those who have borne the fruit of faithfulness will do much more than what they're given.

In the case of Moses, he prayed risking his own life to save the sons of Israel who had sinned (Exo. 32:31-32). He led the people with all his love and care and with the heart of God. So, when they committed sin, he was so sorry as if he himself had sinned, and he wanted to take the responsibility.

Those who are faithful will never say “I am not responsible.” Even if they did all their best, they will think about their attitude in fulfilling their God-given duty once again.

If God is enraged with the people and says He will destroy them, if faithful, you'd think of God's love and mercy for the souls like Moses did. In so doing, you'd be able to pray saying, “It is all my fault. I didn't guide them well enough. Please give them another chance considering

my prayers.”

2. Spiritual Faithfulness to Cultivate Holiness

As we diligently lead our Christian lives, we'll be given various duties in the church. And sometimes, we do our best initially, but midway we just give up. It's because we neglect spiritual faithfulness.

Spiritual faithfulness is to keep on circumcising our heart continually. It is to cast away all untruths, evil, unrighteousness, and lawlessness that are against God's Word. We have to struggle against sins to the point of shedding blood and keep God's commandments.

The apostle Paul said, “I die daily” in 1 Cor. 15:31. Like him, we have to put to death that part of our self that belongs to the untruth and cultivate holiness. This is spiritual faithfulness. If we keep on circumcising our heart, our faithfulness won't change. Even if we might face hardships or trials of our heart, we won't quit because of such things. It's because doing our duties is a promise between God and us.

However, if we neglect circumcision of heart, we won't be able to keep our heart when temptations arise or hardships come upon us. We may abandon our promise with God and give up our duties. But when we recover God's grace, we try our best again.

If we have ups and downs in faith in this way, we won't be considered faithful, even if we diligently do our duties. Therefore, the fruit of faithfulness must accompany spiritual faithfulness, which is to cast away sins and evil from our heart.

3. Faithfulness According to God's Will

Prov. 25:13 says, “Like the cold of snow in the time of harvest is a faithful messenger to those who send him, for he refreshes the soul of his masters.”

Even if you work very hard, if you just do what you want and not what the master wants, you can't please him. Main reasons why one doesn't obey the master is because they have

different ideas or ulterior motives. Such people follow their desires and they can go against the will of the master any time, even if they seem to be serving their master.

Joab was the commander of the army of David and he was with him even in hardships. He was wise and brave and took care of many things for David. When he was taking the city of Ammonites, he practically conquered it but let David come and take it the last moment in order to give him the credit.

However, Joab sometimes went against David's wishes when he had different ideas. When Abner came to surrender, David welcomed him to gain the heart of the people. But Joab followed Abner and killed him, because Abner killed his brother in the past. When David's son Absalom rebelled, Joab killed Absalom mercilessly despite David's request to be merciful.

He disobeyed David at critical moments, and thus Joab was a very uneasy person to deal with for David. Eventually Joab was killed when he rebelled against Solomon. He served David all his life but he was killed a traitor.

Therefore, when we do God's work, following God's will is more important than how hard we try to do the work. When we are faithful according to God's will, the devil can't accuse us, and we'll be able to produce the results with which we can give glory to God.

4. Faithfulness in All God's Household

Being faithful in all God's household is to be faithful in all the positions we have. Namely, we should fulfill our duties as God's children, members or leaders of the church, and members of the family, workplace, or school.

You might wonder how you could be faithful in all the duties having only one body. However, it is not difficult to be faithful in all God's household if you change yourself with the truth. Even if you invest only a little time, you can still get abundant fruit if you do it wholeheartedly.

Also, those who have goodness in heart wouldn't incline towards only one thing.

They'd not neglect any of the many duties they have. They try their best in all respects. Then, others around them wouldn't feel discouraged but rather thankful because they feel their truthful heart.

You can be faithful in all God's household and be at peace with everyone to the extent

that you have goodness in heart.

Dear brothers and sisters, Psalm 101:6 says, "My eyes shall be upon the faithful of the land, that they may dwell with me; he who walks in a blameless way is the one who will minister to me." He who casts away sins, cultivates

holiness, and is faithful in all God's household will enter the city of New Jerusalem.

May you bear the fruit of faithfulness and walk in the blameless way so that you will be like pillars in the kingdom of God and dwell near the throne of God, I pray this in the name of the Lord!

FEATURE STORY

Russia United Crusade

Rev. Igor Nikittin of Russia was impressed very much when he attended the 2002 Miracle Healing Prayer Festival held in India. He invited Rev. Jaerock Lee to Russia and held the 2003 Russia United Crusade.

It was held by the Church Association of Russia as one of the official events of the 300th anniversary of the city of St. Petersburg. The Olympic stadium was packed from the first day. As Rev. Jaerock Lee preached about God the Creator, Jesus Christ, and the power of the Holy Spirit and then prayed for their healing for 3 days, a great number of people received healing and gave glory to God.

This scene of miracle was live broadcast to 150 countries through 27 air stations, cable TV, and 12 satellites. The local medical doctors medically checked those who were healed and confirmed it was actually the power of God.

2004 Germany Crusade

Pastor Alexander Yepp of Germany attended the Russia United Crusade, and he prepared for the Germany United Crusade to awaken Europe that is in spiritual slumber.

In May 2004, by God's guidance Rev. Jaerock Lee began to manifest a deeper level of power and held the '2-Week Special Revival Meeting' under the title 'Speak Forth with the Original Voice'. He confirmed the word by following signs.

Around the same time, GCN (Global Christian Network) TV and WCDN (World Christian Doctors' Network) were organized for the salvation of all peoples.

The Germany Crusade was held in Oct. 2004. The arena was filled from the first day. God manifested explosive works of the Holy Spirit and let them be known throughout the EU. He guided the people in Europe and Germany to have a chance to come to repentance.

Many Israeli pastors were present for

the Germany Crusade and they wanted Manmin's ministry in Israel as well. An Israeli pastor who came from Nazareth, Israel by the invitation of Pastor Alexander Yepp played a crucial role to open the ministry in Israel later.

God connected with us those whom He had prepared to let us have various overseas crusades. He was connecting the dots to start the ministry in Israel.

In addition, He let us have a crusade in Peru for evangelism in Latin America. For the African Continent, He guided us to have a crusade in D.R. Congo.

2006 New York United Crusade

The United States was founded based on the faith of Puritans and enjoys abundance by God's blessing, but the people are increasingly distancing themselves from God.

God let us have 2006 New York United Crusade to bring the Americans to repentance and to let the results spread to other countries. It was another step toward the Israel ministry.

God had already let us begin GCN TV airing in New York City, and in July 2006, we had the United Crusade in Madison Square Garden.

This crusade was live broadcast to 200 countries, including Israel. There were many Jews attending this crusade. Thousands of Russian Jews experienced divine healing and spread the news to their relatives and friends in Israel. Furthermore, many Russians watched this event on Russian Christian TV channels and experienced divine healing as well. Now many Israeli pastors had great hopes and expectations for our ministry.

In July of the following year (2007), our ministry in Israel finally started. In order to penetrate the Middle East and send the gospel back to Israel, God let us have crusades in Uganda, Pakistan, Kenya, Philippines, India, Russia, Germany, and the United States beginning in 2000.

“I Have been Healed of Acute Laryngitis”

Young Eun Kim (Age 40, 2nd Canaan Mission)

I love singing praises and joined the Canaan Mission Praise and Worship Chorus in March 2019. I went on a diet to lose weight and actually lost 10kg. I wanted to do more. I took some herbal medicine to help with the diet.

However, I had dry mouth and had a burning sensation in the throat. My voice was husky and I felt like something was in my throat. Later I couldn't even speak well.

I received diagnosis on Apr. 23. It was acute laryngitis. The doctor said my vocal cord was swollen due to inflammation, and a lump began to form. It was just a step before singer's nodule. But my job required speaking, and I had to go on speaking.

Toward the late April I couldn't even make a sound. About 10 years ago, I was at the threshold of death due to swine flu, but was healed by prayer with handkerchief prayed on by our Senior Pastor. So I wanted to rely on God this time as well through prayers.

I took a sick leave from May 7 and attended the morning session of Prayer Center and 1 PM prayer meetings. I looked

back on my life of faith. I remembered that God blessed me in my job very much when I did 400-night vowed Daniel Prayer Meetings beginning in April 2018.

Nevertheless, I wasn't really thankful but complained often. I didn't pray with all my heart either. I repented of these things and I could then speak a little bit better.

On May 13, I could speak much better and the pain was gone. I offered a 3-day fast to be completely healed and attended the special divine healing session on the 31st.

When Pastor Soojin Lee was praying with the handkerchief, I realized I was arrogant thinking I had done so much and repented of it. Instantaneously, fire of the Holy Spirit came upon my head and down to my feet. Then, I could speak very well. Hallelujah!

Now, I have no problem with my throat. God gave me an even better voice. I am happily doing my duties as a member of Immanuel Choir and Praise and Worship Service Chorus.

I give all thanks and glory to God the Father and the Lord who has healed me and blessed my soul to prosper.

“I Came to Walk Again after a Traffic Accident”

Rita (Age 60, Madhya Pradesh, India)

In April 2018, I was in a car with my family. The vehicle from behind tried to pass at a high speed when it hit our car. Those who were in that vehicle were all killed due to fire that broke out.

Fortunately my family was rescued by the people and our lives were dramatically spared. My son, daughter, and son-in-law had minor injuries while I sustained a severe head injury and fractured femur.

I had brain surgery in a hospital and woke up 3 days later but

couldn't speak for 2 days. The doctor said I could be paralyzed as a complication of my brain surgery and I wouldn't be able to walk even if I got the femur surgery.

I decided not to get the femur surgery. The pain all over the body was truly excruciating. The painkillers didn't help. Even with physical therapy I couldn't walk at all.

I am a principal of an elementary school and I barely made it to work with the help of my son, but I could work only for 2 hours due to severe pain. I was bed-ridden at home, and I just wanted to die.

My brother shared the gospel with me and I watched the special divine healing session of Manmin Central Church on GCN TV Hindi channel in April 2019. I was very surprised when I witnessed so many people getting healed by the

handkerchief prayer (Acts 19:11-12), and I became envious of them. I thought I could also be healed.

Before the special divine healing session in May, I listened to all of the 24 sessions of 'The Message of the Cross' preached by Rev. Jaerock Lee. I attended worship service of GCN TV in Hindi to observe the Lord's Day. I attended the Friday all-night service on May 31 with great expectations.

In the 2nd session of the service pastor Soojin Lee prayed with the handkerchief for the sick and a miracle happened to me. The excruciating pain was gone and I was walking. Hallelujah!

Seeing me getting healed instantly by the Lord's grace, my family came to have faith, too. My son and his wife are attending the worship services on GCN TV Hindi channel. They want to listen to other sermons of Rev. Jaerock

Lee, too. I want to know more of God's will through other sermons as well.

I give all thanks and glory to God the Creator and our Savior Jesus for healing me when no medicine could help me and I had to live with disability for the rest of my life.
