Preaching the Gospel with Accompanying Signs

Pastors' Seminar and Handkerchief Prayer Meeting in Pakistan, Venezuela, & Thailand

Manmin Church has worked vigorously for National Evangelization and World Mission. When many pastors and missionaries lead the prayer meetings with the handkerchief of God's power on which Dr. Jaerock Lee prayed, the fiery works of the Holy Spirit follow and countless people world-wide have been healed and led to the Lord.

Recently, pastors' seminars and the handkerchief prayer meetings were held in Pakistan, Sri Lanka, Venezuela, Argentina, and Thailand. The gospel was strongly preached and great signs followed.

Pastor Tae-Sik Gil of Daejeon Manmin Church led pastors' seminars and handkerchief prayer meetings in Pakistan and Sri Lanka from August 26 to September 7, 2019.

Pastor David Jang of Colombia Manmin Church also led pastors' seminars and handkerchief prayer meetings in Venezuela from September 9th to the 15th, and in Argentina from September 24th to the 29th.

In Thailand, Pastor Sung-Chil Lee of Masan Manmin Church and Hak-Young Lim Manmin Central Church also led handkerchief prayer meetings in Bankeh Church, Power of Love Church, and Manmin Church for the deaf.

When they prayed with the handkerchief of God's power, people were healed of brain tumors, psellism, infant diabetes, hernias, aftereffects of car accidents, thyromegaly, herniated discs, headache, bad eyesight, and other diseases. They all glorified God.

In Pakistan in particular, a man who was

paralyzed on one side of his body stood up and walked right after receiving the prayer and a child who hadn't been able to walk began to walk for first time in 18 months. Other amazing signs followed in the meeting such as a man who couldn't see without glasses came to see things clearly.

Those who attended Pastors' Seminar in Venezuela said that the gospel of holiness can change the nation of Venezuela. They wished to participate in Manmin ministry, and about 110 churches joined Manmin as associating churches.

The bible records extra ordinary miracles such as in Acts 19:12, which reads, "...so that handkerchiefs or aprons were even carried from his body to the sick, and the diseases left them and the evil spirits went out."

Senior Pastor Rev. Jaerock Lee

God the Creator

“In the beginning God created the heavens and the earth”
(Genesis 1:1).

If you are a Christian, you must clearly understand why God the Creator put the tree of the knowledge of good and evil in the Garden of Eden, why Jesus is the only Savior for mankind, and why God made Hell.

Churches should give the answers to the questions about these three topics and teach believers the providence of salvation in the cross that covers the profound and mysterious things that were hidden before ages. Only then can they possess true faith. Above all, they should know God the Creator clearly.

1. God who created the heavens, the earth, and all things in them

Some people in this world claim that there is no god. There are others who worship gods that men made up with their imaginations or some images of creatures. But the one and only true Deity is our God the Creator.

Even though He may not be visible to our naked eyes, God truly exists. He is the Creator and the Governor of everything in the universe including mankind and He is the Judge. He transcends man, who is a mere creature and He is immeasurable. It is no easy task for man to explain God. Even with much deliberation or examination, man in his limited knowledge cannot wholly understand God. But the Bible gives a clear answer to all this.

Genesis 1:1 tells us, “In the beginning God created the heavens and the earth.” From the state of nothingness, in six days God created the heavens and the earth by His Word alone, and on the sixth and final day of the creation, He created Adam, the first man of all mankind.

Because man was created by God, he instinctively feels and recognizes the existence of some supernatural being from the depths of his heart. We find in Ecclesiastes 3:11, “He has made everything appropriate in its time. He has also set eternity in their heart.” By God having set “eternity in their heart,” people with a good conscience acknowledge and seek some kind of deity even without hearing or knowing about God.

Romans 1:20 reads, “For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been

made, so that they are without excuse.” As this verse reminds us, even without seeing God in person, we can know that God the Creator is alive and that there is only one Creator.

2. The evidences that enable us to believe God the Creator

First, people of different races and ethnic groups in this world may look different, speak different languages, come from different cultural backgrounds, and have different colors of skin. However, each individual on the earth is the same in that everyone has two eyes, two ears, one nose, and one mouth and these parts are located in identical positions for all men. Moreover, while there are slight differences among animals, birds, insects, and fish according to their specific characteristics, in essence, their appearance is identical in formation which attests to their having been designed and formed by the one and only Creator.

If there had been several creators, each of them may have determined and created form and functions of men and animals according to each of their personal preferences. On the other hand, proponents of the theory of evolution claim that mankind evolved from higher animals, which in turn have evolved from lower life forms. However, as we find in Genesis 1:21, “And God created the great sea monsters, and every living creature that moves, with which the waters swarmed after their kind, and every winged bird after its kind; and God saw that it was good,” from the beginning God created everything according to its own kind.

Creatures on land did not evolve from fish, and birds did not evolve from creatures on land. Man did not evolve from an ape; an ape was created as an ape from the beginning, and man was created as man from the beginning. Of all creatures, man alone was made in God’s image with a spirit, a soul, and a body. No matter how closely an ape may resemble a human being, that ape cannot understand or worship God the way a human being with a spirit is able to worship Him.

Next, the evidence found in natural phenomena attests to “God the Creator” all too

clearly. With Earth’s rotation and revolution, various yet systematic phenomena including the change of night and day, four seasons, high and low tides, and the circulation of the air take place.

Celestial positioning and movement have been established to create the most suitable and appropriate environment to sustain all life forms, including human beings. The distance between the sun and the earth, or the distance between the earth and the moon is the most appropriate: the sun, the earth, and the moon are neither too far nor too close from each other and, without even a slightest error, have been systematically rotating and revolving for a very long time. The universe was not accidentally created by some “Big Bang” as opponents of the evolution theory propose.

For instance, we know that a clock consists of a myriad of parts that have been elaborately assembled and operates accordingly. Suppose someone argued, “At the time of a volcanic eruption, all the parts in this clock came together on their own and began operating.” Would anyone believe that story? Now, then, how could this universe in which we live, the universe that is infinitely more elaborate than a clock, have come into existence on its own and begun operating in such an orderly fashion?

All this is possible because everything in the universe has been designed, created, and is in operation by the wisdom of God. For these reasons, no one can give an excuse to God on the Judgment Day, saying, “I didn’t think You really exist!”

3. Reasons people are unable to believe in God

Why, then, do people still refuse to believe in God even as they witness such clear evidences of creation? People tend to only believe in things that are visible to their eyes and tangible in their hands. They accept things they can understand with their knowledge and thought. They will not believe in the existence of an invisible God, biblical signs and wonders, or the like, all of which are beyond man’s capacity. However, everything in the Bible is true.

Just as Jesus tells us in John 4:48, “Unless you

people see signs and wonders, you simply will not believe,” only when people witness signs and wonders that are not possible by man’s capabilities will their knowledge and frames of thought be shattered. When people see, hear, and experience things which no man is capable of doing, they will come to acknowledge the fact that God’s Word is the truth.

By countless manifestations of His power, God has repeatedly revealed to biblical figures that He exists. To Egypt’s unbelieving Pharaoh and his retainers, God revealed Himself

through the Ten Plagues. Our Lord Jesus proved that He was the Son of God through manifestation of signs and wonders, while Apostle Paul healed the sick and the weak, drove out demons, and revived the dead in the name of Jesus Christ.

Manifestations of God’s work are necessary in our generation as well. For unbelievers, God’s power is sure proof by which they can be led to believe in the living God the Creator. Since its founding, countless signs and wonders have been manifested at Manmin Central Church

and manifestations of God’s power of greater magnitude have been taking place with the passing of time.

Brothers and sisters in Christ, the evidence that attests to God’s existence is clearly revealed in every creature in the universe, in signs and wonders, and in manifestations of His power. By fearing God and living by His commandments, I pray in the name of the Lord that you will experience God’s work and give glory to Him without restraint.

“MINISTRY OF GOD’S POWER”

Meeting the Living God in Everyday Life

You find God not just in the Bible. God is the same yesterday, today, and forever. Moreover, God is love (Hebrews 13:8, 1 John 4:16).

Members of Manmin Church meet and experience God the Father in their lives, which makes them confess that they can manage their Christian lives thanks to the love of the Lord who took the cross for them. Presenting some of their testimonies of experiencing the living God, this report will provide many of you with a chance to remember the grace of God who has made your life full of the Holy Spirit over the last 37 years.

“My hearing came back in my left ear after 45 years”

Myung-Jin Song
(48, Mission for the Deaf)

After I had a severe fever at the age of 3, I lost my hearing in my left ear, and later my right ear also became abnormal. I began using hearing aids, but many things were not pleasant for me.

One day, thanks to an acquaintance’s help, in April 2016 I began attending Manmin Central Church. Seeing those deaf people recover their hearing by the prayer of God’s power, I wished to be healed as well. I even fasted for a day when I prayed to God before the summer retreat this past year.

During the divine healing meeting in the summer retreat, I received the prayer with the handkerchief of God’s power that Dr. Jaerock Lee

prayed on, and the miracle happened to me. For the first time in 45 years, I heard sound in my left ear. Hallelujah!

Now I can hear and turn back when someone calls me from behind. I can also hear the beep sound of the laundry machine. It feels like being born again. God is truly alive!

Not only Deaconess Song, about 40 deaf people recovered their hearing in this year’s summer retreat. Chang-Hwa Kim (64, female) recovered her hearing in the right ear after more than 50 years. Ock-Hwa Kwon (80, female) also recovered her hearing again in her left ear after 70 years.

Recovering hearing was not the only miracle. When Kekesuren (64, male, Mongloia) was a student, he hurt his head, and gradually lost eyesight in his left eye. He had to live a depressing and difficult life. But an amazing thing happened to him when he received the prayer with the handkerchief of God’s power in Mongol Manmin Church. He recovered his eyesight! The eyesight improved from 0 to 0.03 for the left eye, and 0.5 to 0.7 for the right eye.

“It’s not a dream anymore. I am a father!”

Akash
(29, Deli Manmin Church, India)

Not long after I got married in March, 2013, I realized I and my wife had a problem. Once my wife miscarried a baby, we couldn’t have a baby no matter what we did. Doctors said my wife would not be able to be pregnant again.

We met many other doctors, but they all said the same. We ran into debt going to infertility clinics. My wife cried in despair every day and night, which caused her to become too weak to digest food.

One winter day, someone told me that we could have a baby if we go to church and receive prayer. We went to Deli Manmin Church, and soon became Christians. My wife received the prayer with the handkerchief of God’s power, and regained her health back. We were so happy, and began preaching the gospel to our families and relatives.

In mid March, 2016, we made a prayer request for a baby to Dr. Jaerock Lee, Senior Pastor of Manmin Central Church in South Korea.

We soon realized my wife had

become pregnant again. In January of the same year, she delivered a healthy daughter. My wife and I felt like we owned the whole world. We are fully assured that God is alive. We are faithfully working for the church now.

Since the start of Manmin, countless people around the world became pregnant after receiving Dr. Jaerock Lee’s prayer. Thanks to his prayer, Deaconess Yuna Park, who couldn’t have a baby because of the problem with her Fallopian tubes, delivered a son. Rudmila of Israel, who miscarried twice in 3 years after her marriage, became pregnant after receiving prayer, and gave a birth to her son, Solomon. Hortense Bandome of DR Congo delivered a son after receiving the prayer with the handkerchief of God’s power. Later she gave birth to 3 more children.

Kyu-Hee Lim, Sung-Jin Yoon, Min-Kyung Lee, Hye-Sook Kim, and more were given ‘High possibility of Down Syndrome’ for their babies in congenital anomaly test, but they all delivered healthy babies after receiving Dr. Jaerock Lee’s prayer. Shortly after becoming pregnant, Sun-Hyo Kim and Eun-Young Choe were told that they had conceived a son rather than a daughter they wanted. But after receiving prayer, they had a daughter as they had desired. Minister Eun-Young Cho was conceived a daughter, but after receiving prayer, she gave birth to a son just as she wished.

WCDN proves the works of God's power with medical science

WCDN is a network of Christian medical doctors around the world. It was founded to prove the divine healing cases with medical data. Since its foundation, it has held Christian medical conferences in various countries such as USA, India, Australia, Philippines, Italia, Norway, Mexico, and Bulgaria to prove that the Bible is true by providing evidences of divine healing cases that didn't depend on medicine or surgery. With its headquarter in South Korea and 18 branches throughout the world, its ministry heavily and actively focuses on God and His divine works.

“Even after cerebral hemorrhage, my brain returned to normal function”

Young-Shim Lee, Senior Deaconess (57 yrs. 2-15 Parish)

It happened 14 years ago. I used to have heavy headache all the time, but in the morning on that day, I passed out and I was sent to hospital. The examination showed that I had a cerebral hemorrhage.

Doctors said I had no chance of recovery, and that I would lose my speech and live paralyzed on one side of my body for my entire life.

Being unconscious with my arms and legs paralyzed, I was pretty much like a log. But my family prayed for me with tears. My family took me to Senior Pastor, Dr. Jaerock Lee. After his prayer, I miraculously regained consciousness.

After his second prayer, I was healed of hemiplegia. After his third prayer, I could walk freely and pick up things with my hands.

I cling to the Lord with prayers all the more, and God made me stronger everyday. 9 months later, I had CT and MRI checkup, and doctors told me amazing news. “Everything is normal with you.” Hallelujah! I now live with gratitude an extra life that God gave me.

MRI Pictures

Excessive intraventricular hemorrhage is visible before prayer, but after prayer, only remnants remain.

There are countless testimonies of divine healings. Ngunza (60, female, DR Congo) and Rissi Siribas Tav (2, male, India) were healed of AIDS after receiving prayer. Ondarakh (64, female, Mongolia) and Soon-Ja Kim (74, female) were healed of Parkinson's disease, Rebecca (50, female, Germany), of bone cancer, Soo-Kyung Cho (42, female), of brain tumor, Kyung-Ah Cho (52, female), of chronic otitis media with cholesteatoma, Hyeh-Eun Kim (28, female), of anorexia, and Dong-Hwa Shin (61, female), of 50-year-old urinary incontinence by God's power through prayer.

Brother Jae-Jin Lee (21) was only 128 centimeters tall when he graduated from middle school due to nanocormia, but after receiving Dr. Jaerock Lee's prayer, he became taller by 38 centimeters. He is now

166 centimeters tall, and lives his life with confidence.

Hae-Sook Choi (58, female), Choo Pung Ping (44, female, Malaysia), and Kita (42, female, India) were set free from the forces of darkness, and they now are living joyful lives. Angélica Osorio (19, female, Colombia) was healed of depression.

Dong-Sun Lee (80, male) tried to commit suicide together with his wife after suffering from underwriting someone's debt. Seak-Joong Kwon (68, male) also tried to commit suicide because of various diseases. But both of them were brought to Manmin church, they were healed of all of their diseases, and they now live lives that are full of the Holy Spirit. There are countless testimonies of people who regained happiness at the peak of despair.

Dr. Daniel Fuentes,
Regional Director, Mexico

“It is a great blessing in my life to have met Manmin Church”

I came to know WCDN through Dr. Armando Pineda, Director of WCDN USA. After I attended the 9th WCDN Conference which was held in Kenya, my life was completely changed.

The reason was that I was literally shocked by the ministry of WCDN which presents, along with medical evidences, various testimonies of those who were healed by God's power. It didn't only preach the words of God, but also presented the power of God backed by medical evidences in order to show us that God is still doing miracles in our lives. Since then, I've prepared for WCDN Conference in Mexico. As I worked with Manmin, I've experienced great happiness and blessing.

I think God uses Dr. Jaerock Lee because God recognized his holy and noble life. The Bible says, “He who believes in Jesus, the works that He does, he will do also; and greater works than these he will do.” Dr. Jaerock Lee is the chosen instrument of the Holy Spirit, and he shows the power of God to the world. His life has changed so many people of the world, and he is showing countless healing works.

He's done his ministry only by faith, presenting the the fruits of the Holy Spirit. Dr. Jaerock Lee is so humble, has great love for souls, and manifests the works of the Holy Spirit. He has the duty of salvation for souls of the entire world in this end time.

My vision is to establish WCDN branch offices and help WCDN ministry with medical science to show people how medical science can go hand in hand with the word of God. I'd also like to show through this ministry that faith is yet essential to all things.

I'm grateful for being a part of the great ministry of WCDN. I'm privileged to work with Manmin to present the message of salvation.
