“Until all souls in the world are saved in the Lord!”

Manmin Central Church has ran with faith to spread the Gospel

Our church celebrated its 38th anniversary. On July 25, 1982, our church was planted with 13 members including 4 children in a temple of about 10 pyeong (39 yd²) and held a foundation service on October 10 of the same year. Since then, the words of life proclaimed by senior pastor Dr. Jaerock Lee and the works of explosive power have led countless souls around the world into the arms of the Lord, as well as the testimony of the members that their lives are full of change and life after meeting Manmin continues.

“You will be my witness to the ends of the earth”

From the time of the planting of our church, countless works of wonders, signs, and power appeared, and has grown rapidly like the early church. In February 1991, the number of registered church members exceeded 10,000. And after the United Holiness Church of Korea was formed in July of the same year, senior pastor Jaerock Lee took the lead in national evangelization by taking part in various Christian events such as Chairman of the “92 World Holy Spiritualization Congregation”, working-level chairman of the “95 Liberation 50th Anniversary Peace Re-unification Jubilee Conference.”

In the 2000s, overseas missions began vividly. We held overseas united crusades such as in Uganda, Pakistan, Kenya, the Philippines, Honduras, India, Russia, Germany, Peru, the Democratic Republic of the Congo, the United States, Estonia, as well as in Jerusalem, the heart of Israel and spread the message of Creator God and Jesus Christ with the explosive power.

The Word of life and the power, to all over the world

Through the powerful handkerchief that senior pastor Dr. Jaerock Lee prayed for (Acts 19:11-12) we are still experiencing the works of God’s power all over the world. In addition to this, Dr. Jaerock Lee’s sermons and the works of power, which were interpreted under the inspiration of the Holy Spirit with countless prayers and fasting, were spread throughout the world via GCN

Broadcasting, Pastor Jaerock Lee's faith books (Urim Books) and WCDN (World Christian Doctors Network) etc.

GCN Broadcasting (www.gcntv.org) which covers 170 countries around the world broadcasts online Daniel Prayer meeting every night even amid the untact (non-face-to-face) era. So, members all over the world keep praying for the kingdom of God and their own sanctification in their personal places.

In addition, literary missions have been actively carried out, such as Dr. Jaerock Lee's representative sermon book "The Message of the Cross" has been published in 61 languages. Now, 112 titles of Christian books and 610 titles of translated books have been published. And Manmin News is being published in multiple languages. Even in the midst of Corona 19, Dr. Lee's e-books have been steadily sold through Amazon Kindle, Apple iBooks, and Google Play Store so that supplies the water of life to the souls longing for for the Word.

As the protagonist of blessings that fulfill God's providence

The faithful God who has guided our church will complete the providence of the end times that guides countless souls to the way of salvation through the construction of a grand sanctuary where we can feel the dignity and glory. The construction of the grand sanctuary of the promise given when the church was planted will surely come true in due time, and in order to do so, the hearts of the members must be transformed into truth to form a clean, beautiful, and joyful heart of God. We hope that we will lead to spiritual warriors who will expand the kingdom of God and come out as jewels of Manmin's history.

We give all thanks and glory to the living Father God who will guide us with high and limitless wisdom until the day when it will fill the whole world to acknowledge the glory of the Lord as water covers the sea.

For the past 38 years, Manmin and Pastor Jaerock Lee have been like a lighthouse that conveys love

and holiness to the world. Just as a virus needs a vaccine, the holiness gospel is like the vaccine of this sick world spiritually.

On the occasion of the 38th anniversary, I pray that your church will stand on the rock and fulfill God's providence.

We are keeping praying for Senior Pastor and Manmin Central Church, and as a part of Manmin's ministry, we will be with you in any difficulties and circumstances.

***“Let's continue
the march of faith for
wonderful ministry
to decorate the end”***

Congratulations on the 38th anniversary of Manmin Central Church, which will save all people all over the world.

In order to fulfill the providence of the end times, God called senior pastor Jaerock Lee and revealed holiness gospel and power. Not only us, but also many souls experienced God's love and changed of their hearts.

Now, we got to have the honor joining the providence of the end times together with our senior pastor.

Just as the disciple Timothy became strength and comfort for the apostle Paul, we will also be the strength and comfort of

our senior pastor by becoming faithful workers.

As now we celebrate the 38th anniversary of Manmin Central Church, we must rise and shine more. You have to work harder and pray more, we need faithful workers and God's power must be constantly revealed.

Let's continue the march of faith that will overcome the current hardships. I hope that we start and run again with renewed strength and joy of first love for the ministry of Manmin on the occasion of the 38th anniversary, which will gracefully decorate the end of human cultivation.

The Message of the Cross (23)

Senior Pastor Rev. Jaerock Lee

People without Salvation despite Their Confession of Faith in God (2)

“Not everyone who says to Me, ‘Lord, Lord,’ will enter the kingdom of heaven, but he who does the will of My Father who is in heaven will enter” (Matthew 7:21).

“...There is a sin leading to death; I do not say that he should make request for this” (1 John 5:16).

When people accepted the Lord, they set the ultimate goal to receive true salvation and enter Heaven. If they say, “Lord! Lord!” but they cannot enter Heaven, how pitiful it would be! Let’s take a look at a few of the cases in which, despite their confessions of faith, people will not be able to receive salvation and will not enter Heaven.

Case 1: Blaspheming against, Interfering with, and Speaking against the Holy Spirit

“Blaspheming against,” “interfering with,” and “speaking against” the Holy Spirit refer to words spoken and deeds performed in opposition to God’s works (Matthew 12:31-32; Mark 3:20-30; Luke 12:10). Unlike persecution of the church by unbelievers who do not know God, these words and acts come from people who profess their faith in God and know the truth. There is no salvation for such individuals as they knowingly oppose God’s works following their evil.

After witnessing the healings of diseases and infirmities and demons being driven out by God’s power, if an individual still blasphemes against, interferes with, and speaks against the Holy Spirit by labeling such manifestations “works of Satan,” how could he possibly be deemed a child of God? Upon witnessing a work of God that cannot be imitated by the ability of man, a goodhearted believer of God could do nothing other than offer thanks and glorify God.

Instead, evildoers are quick to deny works of the Holy Spirit and oppose God. Evil spirits do not possess the power to heal people of their diseases or infirmities. There is no way they would permit people to glorify God by driving out evil spirits and healing of the sick! The guidance given concerning blasphemy also applies to interfering with the ministry of God’s servants who manifest His power. Such interference is the same as directly opposing God because they only

serve to deny a man of God as well as the works of the Holy Spirit manifested through them.

During the Exodus when the Israelites had nothing to eat, they placed all the blame on Moses and Aaron and grumbled against them. Moses said to them, “For the LORD hears your grumbings which you grumble against Him. And what are we? Your grumbings are not against us but against the LORD” (Exodus 16:8). In the first five Verses of Acts 5 is a story of Ananias and his wife Sapphira. They had vowed to sell a piece of their property and give the profits to God. In their greed, however, they kept some of the profits for themselves and brought only a portion of the profits to Peter. They pretended they were giving all they had made. Since the couple had deceived not Peter but the Holy Spirit and lied to God Himself, they faced death without even being given an opportunity to repent (Acts 5:1-11).

Case 2: Putting the Son of God to Open Shame by Crucifying Him Again

We read in Hebrews 6:4-6, “For in the case of those who have once been enlightened and have tasted of the heavenly gift and have been made partakers of the Holy Spirit, and have tasted the good word of God and the powers of the age to come, and then have fallen away, it is impossible to renew them again to repentance, since they again crucify to themselves the Son of God and put Him to open shame.” These verses refer to people who, despite having received the Holy Spirit, experienced God’s grace, learned of the existence of Heaven and Hell, and heard and come to believe in the Word of the truth, nevertheless become tempted, abandon God, return to the world, and openly work to prevent God’s glory from being revealed.

However, Satan will work even more fiercely against all those who go back to the world even after having experienced God’s grace in the midst of the work

of the Holy Spirit as the darkness in them will be even greater. They will perpetrate greater evil than nonbelievers, deny the grace they once received, and even spearhead the persecution of the church and believers. People who put Our Lord to open shame will not be able to receive the spirit of repentance, so they will eventually arrive at death.

Just think of Judas Iscariot, who at one point had been one of Jesus' disciples. He had been a firsthand witness to Jesus' ministry but, seeking after his own interests, ended up betraying Jesus for 30 pieces of silver. Apparently, unable to overcome his remorse and regret, Judas committed suicide without having an opportunity to repent of what he had done.

Case 3: Sinning Willfully after Receiving the Knowledge of the Truth

Hebrews 10:26-27 tells us, "For if we go on sinning willfully after receiving the knowledge of the truth, there no longer remains a sacrifice for sins, but a terrifying expectation of judgment and the fury of a fire which will consume the adversaries." This passage points specifically to people who know and believe in the truth but keep on committing the very sins against which God has warned us.

As 2 Peter 2:21-22 reminds us, "For it would be better for them not to have known the way of righteousness, than having known it, to turn away from the holy commandment handed on to them. It has happened to them according to the true proverb, 'A dog returns to its own vomit,' and, 'A sow, after washing, returns to wallowing in the mire,'" people who sin willfully are aware that they have sinned. They repent of what they have done, but then return to a sinful pattern of life.

There was a time when King David was tempted for a while and committed a horrific sin of murder. When a prophet pointed it out, however, the king was quick to repent and turn from his ways. When he was subject to God's trials on account of his sin, David could overcome them with humility, which in turn enabled him to root out the sinful attributes from his

heart and become perfect in God's eyes. The story of King Saul, however, was a completely different one. Even when Prophet Samuel came by and reminded him of his wrongdoings, the king only produced an excuse and did not repent.

This is also true today. If an individual who professes his faith and knows the truth commits sin, he must rend his heart in repentance, walk in the light, and bear good fruit as the Holy Spirit Himself intercedes for him with groanings too deep for words and reminds him of his wrongdoings. When he sins willfully, however, God will turn His face away from Him and in such an event, the person will not be able to receive the spirit of repentance and will end up quenching the Holy Spirit (1 Thessalonians 5:19).

Dear brothers and sisters in Christ, although your names were recorded in the Book of Life when you accepted the Lord, unless you repent before God and destroy the wall of sins, the names will be blotted out (Revelation 3:5).

Furthermore, even if a wrongdoing we have committed is not "a sin leading to death," without casting it away and repenting of it we will never be filled with the Holy Spirit, even be tempted by Satan and compelled to commit "a sin leading to death," and the salvation will be a shameful one at best. Therefore, I pray in the name of the Lord that you will fight against sin to the point of shedding blood and get rid of from every form of evil (Hebrews 12:4; 1 Thessalonians 5:22).

“God's power, word and love; Manmin is a blessing”

Congratulations on Manmin Central Church's 38th anniversary.

When I met Dr. Jaerock Lee, his spiritual messages and teaching were a wake-up call for me. Since then, significant changes have taken place in my ministry.

Many people have experienced miracles and divine healings by his prayer for the sick beyond time and space.

His visits to Argentina in 1996 and 1997 had remarkable influences on Argentinean pastors.

24 years later, many pastors still remember his seminars.

Pastors from cities and countries that I visited encouraged me because they knew how great blessing it is to work with Dr. Jaerock Lee and Manmin Central Church which is full of God's power, His word of wisdom and love.

I remember the passage from James 5:7-8.

It says "Therefore be patient, brethren, until the coming of the Lord. The farmer waits for the precious produce of the soil, being patient about it, until it gets the early and late rains. You too be patient; strengthen your hearts, for the coming of the Lord is near."
