“My son was unable to speak or walk due to a rare disease, Wilson’s disease, but he can talk and walk well now!”

Brother Mantu Kumar (Age 38, Delhi Manmin Church, India)

My son Muna Kumar (age 14) was born normally and grew up well until 7 like other children.

However, one day in 2016, seven years ago abnormal symptoms appeared to my son. He trembled his hands, and since then he gradually had difficulty speaking and drooled. He could not eat by himself and often fell down to the ground.

His abnormal symptoms worsened day by day, so I brought him to many hospitals for examination. But the cause couldn’t be found. He ended up not walking and speaking, so he had no choice but to drop out of school.

In March 2022, my son was finally diagnosed as Wilson’s disease at a large hospital in Patna, the state of Bihar in northeastern India. I went to work in the state of Goa in southwestern India to pay for my son’s hospital bills, but I could not afford with what I earned.

My son’s condition went worse because he didn’t get a chance for medical treatment. I was at a great loss in front of such a devastating reality that I couldn’t even see the slightest hope.

One day in September of that year, I visited a church in the state of Goa and heard the good news of the Lord. The pastor said

that the Lord answers the prayers of the children of faith and heals them. Accordingly, I accepted Jesus Christ with a joyful heart, and later began looking for a church where my son could be healed.

In February 2023, while searching YouTube, I came across many videos of healing works through prayers at the GCNTV HINDI channel. I was so glad that I called the contact number listed thereon right away. Hearing detailed explanation from the phone, I came to hope that my son could be healed, and gave thanks to God.

My whole family registered in Delhi Manmin Church, and through GCNTV HINDI, we started attending services of Manmin Central Church.

Through Senior Pastor Jaerock Lee’s sermons on ‘Hell’ in the Sunday Morning Service and Acting Senior Pastor Soojin Lee’s sermons on ‘The Book of Job’ in the Sunday Evening Service, we came to grasp the will of God and have faith. In prayers, I occasionally saw visions of my son being healed.

We continued attending the services and my son received Senior Pastor’s prayer for the sick via GCNTV HINDI, and something miraculous happened to him.

My son used to spill food and I had to help him eat, but now he could eat well by himself without anyone else’s help. He had not been able to say anything, but now he called me

“Dad!”

I had never heard him say to me “Dad” for years, and I will never forget that thrilling moment when he spoke, “Dad!” Hallelujah!

On May 26, 2023, we attended the Divine Healing Meeting during Friday All-night Service of Manmin Central Church and he received Pastor Soojin Lee’s prayer for the sick. After that, my son, who used to fall often, came to walk around without falling. Not only that, but he stood up and said “Hello!” waving at a worker from Delhi Manmin Church when I had a video call with her. All there were so happy!

Furthermore, I had severe pain due to aftereffects of the leg fracture surgery before, but after receiving Senior Pastor’s prayer for the sick, the pain was gone and now I can run well.

I give all thanks and glory to the Lord who first came to me who was in sorrow and despair because I could not obtain enough

money for my son’s medical treatment, and who healed him of a rare disease.

‘Wilson’s disease’ is an autosomal recessive inherited disease in which copper is deposited in the liver, brain, cornea, kidney, and red blood cells due to abnormal copper metabolism. Symptoms of copper accumulation appear to children 5 to 15 old years, and it is a rare chronic liver disease for which early diagnosis and treatment are important.

An amount of copper was 2 to 3 times more than the normal level in the urine.

Findings are compatible with Wilson’s disease.

“The severe spasm of the facial muscles under the eyes and on the cheeks disappeared”

In mid-May of 2023, shaking symptoms under the eyes and on the cheeks were severe. It was so severe that others could look at it and I could not take off the mask in conversation.

I attended a Vowed Daniel Prayer Meeting and looked back on myself. A few ill feelings flashed through my mind that I had against my husband at home and against coworkers in my local sanctuary while serving noodles on Sundays.

I felt so sorry before God and repented of it. And I prayed with all my heart and tried my best to be at peace with those around me. I continued to receive Senior Pastor Jaerock Lee’s prayer for the sick recorded in MP3 file to be

Senior Deaconess Shinae Kim
(Age 63, Parish 21
in Manmin Central Church)

healed of facial shacking.

After that, while cleaning the local sanctuary along with other workers, I felt so peaceful and happy. That day, when I got home, I took a nap for a while and got up to look in the mirror. I was very surprised to see severe shaking of my face completely gone. Hallelujah!

In the past more than 30 years, I had suffered indigestion after eating due to stomach ailments, but completely healed through Muan Sweet Water.

I give all thanks and glory to the triune God who has guided me to experience the power of the Holy Spirit in the Lord and live an ardent life of faith to change into a true child of God.

“You Shall Not Take the Name of the LORD Your God in Vain”

“You shall not take the name of the LORD your God in vain, for the LORD will not leave him unpunished who takes His name in vain” (Exodus 20:7).

To ‘take someone’s name in vain’ is defined as to show a lack of respect when using somebody’s name. So, to take God’s name in vain means to use the holy name of God improperly, in an ungodly manner.

God will not leave people unpunished who took His name in vain. Let’s now delve into the three reasons why taking God’s name in vain is a sin that deserves punishment.

First, it means they don’t believe God the Creator so it is a sin.

Of philosophers who have tried to look deep into life and all things, there are some who say that God is dead, and some ordinary people recklessly say God does not exist.

A Russian astronaut once said that he had seen no God after flying into space. However, American astronauts said after their journey to space they had felt the presence of God. Being an astronaut, the Russian must have been aware how small what he saw and explored was of the whole universe. But he said God, who had created the universe, didn’t exist after seeing such an extremely tiny part of it! How foolish this is!

Psalm 53:1 reads, “The fool has said in his heart, ‘There is no God,’ they are corrupt, and have committed abominable injustice; there is no one who does good.” If we look at things with a humble heart, we can find as many proofs of the living God as we want (Romans 1:20).

Furthermore, many preachers testify to the living God and the Lord Jesus Christ. Yet if some harden their hearts, reject God, and by extension, then take God’s name in vain, it is definitely a sin that leads to punishment.

Second, taking His name in vain is mocking God, so it is a sin.

Mocking is treating someone with disrespect or

ridicule. Who can be considered sinless who dares to mock God the Creator?

Psalm 96:4 says, “For great is the LORD and greatly to be praised; He is to be feared above all gods.” Exodus 33:20 reads, “But He said, ‘You cannot see My face, for no man can see Me and live!’” As written, God is great (1 Timothy 6:16).

We don’t even carelessly call our parents or persons we respect by their given names in Korea. When we have to speak directly to them, we use honorific titles. When they read the Bible the people of Israel didn’t even say the name of God with their lips. As the name of the ‘LORD God’ shows up in the Bible, they just said, ‘Adonai’, which means ‘My Lord’, not to directly mention the great name of God.

But today even some believers use the name of God or quote from the Bible to make pointless jokes, which is to mock God. The Word is God, so if some disrespect it, this finally means they disrespect and mock God.

Telling a lie in God’s name is taking His name in vain as well. Suppose someone comes up with a good idea through his own thought but says it came from the voice of God or the urging of the Holy Spirit. If he takes God’s name this way, this is very rude to God.

God knows our hearts, thoughts, words, and deeds, and judges everybody according to what we have done. Believing this, we can’t commit such sins that dare to take His name in vain and mock Him.

We have to be aware of one more thing here. If we revere God, we must be very careful about doing things related to God as well as saying His name.

When we read or quote from the Bible, we must do it in a godly manner. We must cherish sanctuaries and things there and treat them carefully. If we are in charge of church finance, we must spend it precisely with so much care. If we mistakenly break a cup or glass in church, we must not just get away with it. We must remember that even small things

in church were consecrated as God's possessions.

When we talk about somebody whom God guarantees with His power, or about the works of the Holy Spirit, we must be prudent not to judge or speak rudely with our fleshly thoughts. As said, if we revere God, then we will try to treat anything that belongs to God in a godly manner.

Third, it is a sin because they tell a lie in God's name.

The Old Testament shows false prophets misled people by proclaiming something God had not spoken. They spoke as though it were God's Word or a prophecy from God. God warned such people in Deuteronomy 18:20, "But the prophet who speaks a word presumptuously in My name which I have not commanded him to speak, or which he speaks in the name of other gods, that prophet shall die."

If one dares to tell a lie under the name of God, the punishment is death and such people bring themselves under the punishment (Revelation 21:8). If they vow in God's name and do not keep it, it is also to lie in God's name and thus to take His name in vain. It is as Leviticus 19:12 says, "You shall not swear falsely by My name, so as to profane the name of your God; I am the LORD."

But today even some believers lie by God's name. They habitually say "I heard the voice of the Holy Spirit while praying" or "God accomplished this" although it was not God's work at all.

Of course, God's children should be able to hear the Holy Spirit tell and be guided by Him. But not all children of God can hear the Spirit's voice unconditionally. To the extent that they cast away sins and change by truth, they can hear the Spirit's voice more clearly. Even though they are able to hear it to some extent, they have to undergo a training process to discern it exactly until they attain 100%. Thus, if we aren't able to clearly discern it, we must not conclude recklessly whether something is the work of the Spirit or not.

The same applies to other spiritual experiences such as dreams or visions. For example, some

dreams are given by God, but some others come from one's own thoughts or from Satan. We cannot say easily our dreams were given by God. And when somebody says to us the Holy Spirit told him something, we have to be discreet. Neither must we say 'it is' nor 'it's not' the voice of the Holy Spirit and we need more discretion.

Some people face disasters because of their own sins, but they say, "God has stricken me." When things go as they wanted, they say "God blessed me." But when the same thing doesn't go well after some time, they say, "God hindered me." They change their words like this, and they habitually misuse the name of God. Some think it is the confession of faith, but carelessly using God's name to show off is totally different. Those who acknowledge God in all things will be more careful to mention God's name on their lips and will try to act in truth.

Dear brothers and sisters in Christ, if you honor God from your heart, you won't take His name in vain and you will do everything with reverence for God. I pray in the name of the Lord by doing so you will also find favor from God and all your words and deeds be guaranteed by Him (1 Samuel 2:30) so that you will arrive in the most glorious place in Heaven.

“I was healed of back stenosis, tinnitus, gastritis, and knee surgery aftermath!”

Sister Mija Park

(Age 65, Chinese Parish 2 in Manmin Central Church)

About 20 years ago, I fell off from a bunk bed and broke one of my back bones. I couldn't go to hospital but barely lived by acupuncture. From 7 years ago, I even had back stenosis and had to wear a back brace to live.

In the meantime, on April 9, 2023, I was guided to Manmin Central Church by my aunt and I joined in the church. On that day, God came to me with holy fire of the Spirit. When my parish pastor prayed for me with the handkerchief of power (Acts 19:11-12), I felt as if electricity was running through from the hips to legs and tingling and stiff pain was

completely gone.

I was so amazed and delighted. After experiencing such healing work by the living God, on April 15, I visited Muan Manmin Church with other parish members. I still had back pain, but I did not wear a back brace to be healed by faith.

When I received the prayer of handkerchief from the parish pastor once again there, something even more amazing happened to me. My back pain disappeared and my whole body felt light as if I were flying in the air. I dipped my feet into Muan Sweet Water, and my tinnitus in the left ear was healed.

I was so shocked at the death of my son 13 years ago that I came to have tinnitus in the left ear and had a humming sound always. When others talked in a low voice, I had to beg their pardon time and again. However, after I immersed my feet into Muan Sweet Water, my tinnitus symptoms disappeared and I was able to hear even a low voice well. Hallelujah!

I was also healed of my right knee cartilage. I had the knee cartilage surgery 2 years ago, and whenever I moved the right leg, squeak sound came out. But through Muan Sweet Water such sound disappeared and I can move my knee freely. In addition, I had gastritis and indigestion from a year ago, but all the symptoms were gone and I digest well.

I give all thanks and glory to the living God who met me with His strong power as if He were waiting for me and healed me of all my diseases at once.

“I was healed of shingles”

Deaconess Bongjoo Ji

(Age 61, Parish 9 in Manmin Central Church)

On April 20 of 2023, I had some soreness and pain in my right thigh. I thought little of it, but on May 8, the area became red and small blisters developed.

I went to a hospital and diagnosed with shingles. I took medicine as prescribed, but I didn't get better and symptoms worsened.

From that day, I attended a Vowed Daniel Prayer

Meeting, and earnestly prayed to be healed of shingles by God.

In prayers, I repented of not having relied on God and threw away medicine with faith. I should have completely relied on God if I believed in the Almighty

God. I felt very sorry for not that. But I thanked God for He gave me a chance to examine my faith and would work for the good for me.

After that, I felt at peace and happy. I came to believe that God would heal me and continued to spray Muan Sweet Water on the shingles affected area with prayers. Then, the blisters gradually subsided and became thick and sticky, and the red skin turned flesh-colored.

A few days later, my parish pastor prayed for me with the handkerchief of power (Acts 19:11-12) and I was quickly and completely healed. Hallelujah!

I give all thanks and glory to God the Father who led me to examine my faith and worked together to achieve good for me.
